EXPLANATORY STATEMENT

The following Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“Act”) and the Rules framed thereunder sets out all material facts relating to the businesses mentioned under Item Nos. 1 and 2 of the accompanying Notice dated January 28, 2020.

Item No. 1:

Tata Capital Limited (“TCL” or “the Company”) had introduced the Tata Capital Limited Employee Stock Purchase / Option Scheme (“Scheme”), with effect from March 2, 2010, it being the date on which the Scheme was initially approved by the Members of the Company at the Extraordinary General Meeting (“EGM”).

The Scheme is administered through the TCL Employee Welfare Trust (“Trust”). The objective and purpose of the Scheme is to, *inter alia*, align the interests of the employees with those of the Company and its Members, provide an incentive to attract, retain and reward employees performing services for the Company by encouraging them to acquire an ownership interest in the Company and motivating them to contribute to the growth and profitability of the Company, thereby promoting their welfare.

It may be noted that, post the initial adoption of the Scheme by the Company on March 2, 2010, the Scheme was subsequently amended by the Members on March 31, 2016, to amend various definitions and provisions mentioned therein to align it with the applicable provisions to the Act (and/or the rules and regulations made thereunder).

It may also be noted that the ESOP Committee of the Board (which was subsequently merged with the Nomination and Remuneration Committee (“NRC”)) had, at its Meeting held on April 15, 2013, modified the Scheme by the addition of Clause 15.6 and the amendment of Clause 18.1.1, pursuant to the authority granted by the Members of the Company at the EGM held on March 2, 2010.

Further, the NRC had, at its Meeting held on September 28, 2018, modified the Scheme by the amendment of Clause 11.1, pursuant to the authority granted by the Members of the Company at the EGM held on March 31, 2016.

A gist of the said modifications to the Scheme, made by the NRC are, as under:

- (i) Addition of Clause 15.6 to the Scheme: To provide that Shares, not subject to any lock in restriction and held by an Eligible Employee, could be sold by him to the Trust, at the prevailing Fair Market Value, on such terms and conditions as may be determined by the NRC;
- (ii) Clause 18 of the Scheme: Treatment of Options and Shares, in cases of resignation or transfer of Employees; and
- (iii) Clause 11.1 of the Scheme: The maximum period of vesting was extended from 3 years to 10 years, as may be decided by the NRC at the time of the Grant.

Clause 27.2 of the Scheme states, as under:

The Scheme shall remain in effect until (i) all the shares transferred to the Trust under Scheme have been acquired by the Eligible Employees; or (ii) on expiry of period of 10 (ten) years from the effective date of the Scheme; or (iii) the Members passing a resolution for the termination of the Scheme, whichever is earlier.

In view of the above clause, the Scheme would expire on March 1, 2020 i.e. upon the expiry of period of 10 years from the effective date of the Scheme i.e. March 2, 2010.

It is, accordingly, proposed to extend and amend the Scheme, *inter alia*, to amend Clause 27.2 pertaining to the duration of the Scheme to enable continuity of the operation of the Scheme and to make such amendments to certain other provisions of the Scheme either as a consequence of extending the duration of the Scheme or where required, to provide a clear road map to employees on their holding of Shares post the cessation of their employment or to provide clarity on the times and the manner in which the Trust would be able to provide exits to employees as well as to provide an overall better readability and understanding of the Scheme. The proposed amendments will enable Employees who have been granted Options under the ESOP 2018 and ESOP 2019 Plans of the Scheme to exercise their Options upto such periods of time beyond the date of termination of the current Scheme. The Exit Options provided in the Scheme would give more flexibility to the Employees to retain their Shares or sell them back to the Trust, as per conditions prescribed in the Scheme.

A comparative statement of the clauses of the Scheme which are proposed to be amended is attached as Annexure A and a copy of the revised Scheme, is attached as Annexure B, for the perusal and consideration of the Members.

As per Rule 12 of the Companies (Share Capital and Debentures) Rules, 2014, the Company may vary, by way of a Special Resolution, the terms of the Employees Stock Options not yet exercised by the employees provided that such variation is not prejudicial to the interests of the Option holders. Further, as per Clause 36 of the Scheme, the Company may, by a Special Resolution in a General Meeting, vary the terms of the Scheme provided such variation is not prejudicial to the interest of the Employees. The Members are requested to note that the proposed amendments to the Scheme, as a whole, would benefit all the Eligible Employees, including the Option holders and also would not be prejudicial to the interest of the Option holders and the Eligible Employees, in each case, as defined under the Scheme.

As per Clause 4.4 of the Scheme, the Trustees of the Trust ("Trustees") shall, in consultation with the NRC, take steps as may be felt necessary or expedient for administering the Scheme, subject to the terms and conditions as provided in the Trust Deed of the Trust dated March 2, 2010 and applicable law. Accordingly, post the review and approval of the proposed amendments to the Scheme by the Members of the NRC at its meeting held on January 20, 2020, the Trustees had, at their meeting held on January 24, 2020, reviewed and approved the proposed amendments to the Scheme.

Based on the recommendation of the NRC and based on the approval of the Trustees, the Board of Directors of the Company had, at its meeting held on January 28, 2020, approved the proposed amendments to the Scheme, as mentioned in the Annexure A, subject to the approval of the Members of the Company. The Board of Directors of the Company are of the view that the amendments to the Scheme, as a whole, are not prejudicial to the interests of the Option holders and the Eligible Employees, in each case, as defined under the Scheme.

A copy of the existing Scheme, would be available for inspection, by the Members without any fee, at the Registered Office of the Company during normal business hours on any working day (except Saturday and Sunday).

The above changes will be applicable to all existing and future 'Eligible Employees' as defined in the Scheme, including the Eligible Employees of the subsidiary companies and the holding company.

The approval of the Members is being sought by way of a Special Resolution under Rule 12 of the Companies (Share Capital and Debentures) Rules, 2014 as also Clause 36 and other provisions of the Scheme, for the amendment of the existing Scheme.

The Board commends the Special Resolution at Item No. 1 of the accompanying Notice for the approval of the Members of the Company.

The Directors (excluding Independent Directors) or Key Managerial Personnel of the Company may be deemed to be concerned or interested in the Resolution to the extent of the Shares held by them and / or Options granted / may be granted to them. None of the relatives of the Directors of the Company or of the Key Managerial Personnel of the Company are concerned or interested in the passing of the Resolution at Item No. 1 of the Notice.

Item No. 2:

Pursuant to the provisions of Section 61 of the Act, a limited company having a share capital may cancel shares which, at the date of the passing of the resolution in that behalf, have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled, subject to the approval of the members of the company.

As on date, the Issued Equity Share Capital of the Company is ₹ 35,65,18,73,520 divided into 3,56,51,87,352 Equity Shares of ₹ 10 each and the Paid Up Equity Share Capital of the Company is ₹ 35,16,16,77,440 divided into 35,16,16,77,44 Equity Shares of ₹ 10 each. Therefore, there is a gap of ₹ 49,01,96,080 between the Issued and the Paid up Share Capital of the Company, which is unsubscribed.

In order to align the Issued, Subscribed and Paid-up Equity Share Capital of the Company, it is proposed to cancel the unsubscribed portion of the Issued Equity Share Capital aggregating ₹ 49,01,96,080 by complying with the provisions laid down in Section 61 of the Act and is, accordingly, being placed before the Members, for their approval.

It may be noted that there are no partly paid shares in the Company and the cancellation of the unsubscribed portion of the Issued Equity Share Capital will not be deemed to be a reduction of share capital.

The Board commends the Ordinary Resolution at Item No. 2 of the accompanying Notice for the approval of the Members of the Company.

None of the Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested in the passing of the Resolution at Item No. 2 of the Notice.

By Order of the Board of Directors
