Empowering People. Powering Dreams.

TATA CAPITAL

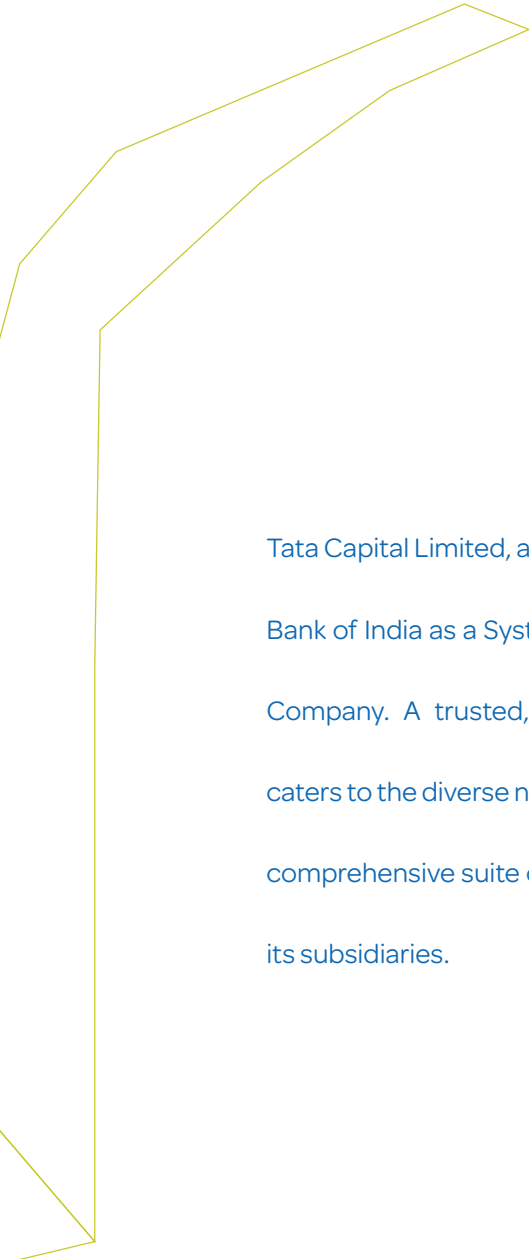

We only do what's right for you

ABOUT

TATA

CAPITAL

Tata Capital Limited, a subsidiary of Tata Sons Limited, is registered with the Reserve Bank of India as a Systemically Important Non-Deposit Accepting Core Investment Company. A trusted, customer-centric, one-stop financial solutions partner, it caters to the diverse needs of retail, corporate and institutional customers through a comprehensive suite of product and service offerings, delivered directly or through its subsidiaries.

WE

ONLY

DO

WHAT'S

RIGHT

FOR YOU

The essence of the Tata Capital brand is encapsulated in its promise - 'We only do what's right for you'.

The proposition reflects our strong resolve to deliver financial solutions that are 'right' for our customers and the society at large. We seek to build strong relationships with customers through deep understanding of their needs, strong financial expertise and the delivery of superior and consistent customer experience across all touch-points.

The Do Right initiative, an initiative that stems from our Brand Promise, aims to inspire people to 'Do Right', get people to participate in 'Doing Right' and to 'Do Right' ourselves.

OUR VISION

The most admired financial solutions partner.

OUR MISSION

We will only do what's right - for all our stakeholders,
including our employees, customers and society at large.

OUR CULTURE

Know, Care and Do.

KNOW

Knowledge. It is what empowers us to make a difference in the lives of our customers. It is the fuel that will power the engine of innovation. It is what will enhance our ability to predict change and adapt quickly and effectively. So, let us begin each day with a strong desire to know more, for only when we seek to know more, will we strengthen our pursuit towards excellence.

CARE

Care. It is at the core of our relationships. It is what forges bonds that endure the test of time. It is about demonstrating humility and understanding towards all. Care is an appreciation of the truth, that in unity and in keeping 'we' before 'me', we will truly progress.

DO

Do. It is what separates aspirations from reality. It calls for a heightened sense of responsibility and passion to give our best at all times. And to 'Do Right' is a higher calling.

It calls for integrity - a constant practice of honesty, transparency and fairness. It calls for courage. So, let's do right, for it is what gives us our unique identity, our unique strength.

GIVING BACK

Creating enriching and sustainable livelihoods has been the bedrock of Tata Capital's CSR initiatives and is in line with the Company's mission to 'Do Right' by all its stakeholders. To this effect, we have taken steps to ensure that we contribute to society at large, to make a measurable and positive difference through four identified causes viz. Livelihood and Employability, Health, Education and Environment. In FY 2017-18, Tata Capital implemented 30 projects with 57 partners and reached out to 66,945 beneficiaries from socially and economically underprivileged communities. In addition, volunteering activities were conducted, which saw participation from multiple volunteers and accounted for over 1948 hours of volunteering.

Some of the unique initiatives undertaken include:

- **Cluster Development Initiative** - For education of tribal children in Vikramgad
- **Dahanu Housing project** - For tribals with Habitat for Humanity
- **'JalAadhar'** - An integrated watershed management program at Pimpalegaon Rotha in association with Bharatiya Agro Industries Foundation
- **'Green Switch' Project** - To provide unelectrified tribal hamlets with solar micro grids in Jawahar
- **Pankh Scholarship Program**
- **DhanGyan** - The e-learning module for Financial Literacy

LOANS UNCOMPLICATED

Personal Loan Is Just A Chat Away

Getting a personal loan has always been a cumbersome process often requiring the customers to fill a long application form amongst other things. And this is where Tata Capital's bot comes in, an assistant that guides our customers throughout the entire process of applying for a loan and getting it. Making the entire process effortless and finance easier.

The Online Store For Business Loans

Small businesses in India are on the rise, but so are the hardships they face. A major problem for small businesses is lack of support and options when it comes to getting loans, which is hindering businesses and hence the growth of the nation. Tata Capital's tie-up with an online store aims to make loans not just more accessible but also more convenient by allowing Tata Capital loan offerings on an online marketplace. And thereby boosting small businesses and entrepreneurship in India.

Salaam Loans - A Loan For Your Dreams

Not everyone has the credit score to be eligible for a personal loan. But everyone has a dream. And with Salaam Loans, Tata Capital made these dreams the eligibility criteria for personal loans. The power of a click was changed into a currency. Banking on the power of social media to approve a loan, Salaam Loans was a first of its kind initiative. The process was simplified for the applicants. They had to upload their video to the microsite, doright.in and every video to get more than a 1000 salaams was granted a loan within a week. This campaign didn't just garner eyeballs across the nation but more importantly made loans available for the people who needed it.

My Profile - myLoan

The younger generation wants immediate gratification, is always on the lookout for opportunities and always on their phones. Tata Capital mixed these three factors to come up with their latest offering, My Loans, that makes getting a personal loan faster and easier than ever. The myLoan mobile app allows users to link up their social media profile with their accounts and uses a highly sophisticated algorithm, to obtain a score that reflects the potential credit-worthiness of the applicant. The paperless 5-minute end to end journey is tailor-made for today's always on the move generation. Making the personal loans uncomplicated and trouble free for them.

MESSAGE FROM THE MANAGING DIRECTOR

RAJIV SABHARWAL
MANAGING DIRECTOR & CEO
TATA CAPITAL LIMITED

Dear Shareholder,

Tata Capital completed 10 years of operations this year. The decade gone by is rich with milestones, achievements and successes. As we look back at our journey over the last 10 years, we feel proud that our goal of setting up a strong and diverse financial services organization was achieved. Despite all our accomplishments, we've only just begun our journey towards realizing the full potential and purpose of the platform we have so painstakingly built. We've made excellent progress, but we can collectively achieve greater heights. We will continue to take decisive action to strengthen and grow our businesses in a sustainable way.

Great companies start working towards the next milestone once the first is achieved. I see that happening at Tata Capital and am proud to be part of this new journey. Our Company has always had a big vision –of being 'the most admired financial solutions partner'. As we look forward, we see ourselves developing into a leading financial services player, which differentiates itself on customer service. We will aim to partner in the mission of making finance inclusive and accessible, both by our range of businesses as well as by their delivery, thus truly empowering people and powering dreams.

It is an incredible honor for me to lead and serve this great company of ours into its next phase. With an eye on the future, we have begun reorganizing our portfolio of businesses to focus on more relevant and profitable products, deploy resources more effectively, have nimble processes and develop an overall, sustainable, high-growth model. The year 2017-18 saw us grow our business across key focus products, channels and customer segments and the financial metrics for the year reflect this growth. Our overall book size crossed ₹ 61,000 crore, up from ₹ 51,847 crore in the previous year, representing a growth of over 19% and keeping us firmly among the top 10 private sector NBFCs by asset size.

Our growth has been buoyed by our flagship businesses – Housing Finance, Commercial Finance and Consumer Finance, each of which have grown in size and depth. Our net profit grew by 69% to close at ₹776 crore. We have also significantly grown our customer base and spread and now serve over 1.45 million customers from over 150 locations in the country.

I could not have asked for a better foundation. Motivated and talented people and capital are the two critical elements for the success of any financial services business. We have both in abundance. In the next phase of our growth, we are aiming to digitize existing products and processes, innovate new products and services, significantly improve customer experience – both by listening intently to customer needs as well as by improving our sales and service framework, build a robust and cost-optimized business model and, with these as pillars, rapidly scale up our organization.

We will continue to make inroads into new segments that have high potential and that will solve the larger purposes of financial growth and inclusion. The growth in our Housing Finance business has been and will continue to be driven by affordable housing, which today accounts for about 20% of our loan book and has a special focus on low-income housing finance. Recognizing that SMEs and MSMEs will form the backbone of India's growth story, we have been steadily growing our products across commercial finance and small business finance. Going forward, we will introduce digital products and alternate credit scoring models for this segment to reach out to more entrepreneurs. The need for renewable energy and its criticality to our country's overall growth cannot be understated and we recognize that optimal financing is essential for this segment. Our clean technology financing business has been making rapid progress in this segment and will look at taking large steps forward in the future, with effective financing and advisory solutions. We also recognize the growing need for finance among the

youth especially those in the new-to-credit segment. We will have to innovate both on the product side, crafting need-based and relevant offerings, as well as on the delivery side to enable digital platforms, communication, access and service.

The Tata Group completed 150 years in January this year. A 150-year legacy that has been characterized, not just by setting the industry for trust and integrity, but also by pioneering innovation and nation building. Tata Capital, as one of the younger companies in the Group, will play a significant part in carrying forth this legacy. We will move ahead from measuring ourselves against industry standards to being the standard ourselves, move ahead from benchmarking ourselves against the best to being best-in-class ourselves. We will have to build a brand that leverages the legacy of the Tata Group's history as well as reflects its future. While these may sound like overly ambitious goals, the talent, grit and determination of team Tata Capital, which has carried us through the last decade, is up to the task and confident on breaking new ground, leaping to new heights.

I thank each one of you for your patronage of Tata Capital and request your continued support to collectively build a great institution.

TATA CAPITAL

We only do what's right for you

BOARD'S REPORT

To the Members,

The Board has pleasure in presenting the Twenty Seventh Annual Report and the Audited Financial Statements for the Financial Year ("FY") ended March 31, 2018.

1. BACKGROUND

Tata Capital Limited ("Company" or "TCL"), the flagship financial services company of the Tata Group, is a subsidiary of Tata Sons Limited and is registered with the Reserve Bank of India ("RBI") as a Systemically Important Non-Deposit Accepting Core Investment Company ("CIC"). As a CIC, TCL is primarily a holding company, holding investments in its subsidiaries and other group companies and carries out only such activities as are permitted under the Directions issued by the RBI for CICs, as amended from time to time. TCL and its subsidiaries (collectively referred to as "Tata Capital") are engaged in providing / supplying a wide array of services/products in the financial services sector.

A detailed discussion on TCL's business and that of its subsidiaries is set out in para 6 of this Report.

2. INDUSTRY AND ECONOMIC SCENARIO

The global economy is estimated to have grown by 3.2% in 2017, the best growth rate recorded since 2011. This growth was broad based with most major developed economies showing a positive growth trajectory. While the return of global growth is good for exports and developing economies like India in general, a consequence of the growth is tighter monetary policy at the margin by the leading central banks. The combined effect of home country growth, coupled with increasing global interest rates, will put pressure on surplus global liquidity and consequent inflows into India. Further, global commodities like oil and metals witnessed a very large run up in prices with oil nearly doubling from its 2016 lows. It is estimated that every US\$ 10 increase in oil prices beyond US\$ 68 per barrel has the potential impact of approximately 30 bps on Indian inflation and approximately 10 bps on growth. Oil prices will, hence, be one of the most crucial factors affecting India in the coming year, as it has an effect on inflation, fiscal deficit, balance of payments and currency.

India became the fifth largest global economy in US\$ terms in 2018. India continued on its structural reform path, which is beginning to receive global acknowledgement. Upgradation of India's sovereign rating by Moody's and inclusion of India in the top 100 economies in ease of doing business, are some of the significant outcomes of the reform process.

The economic activity is expected to gather pace in FY 2018-19, benefitting from a conducive domestic and global environment. The key drivers supporting growth will largely be domestic and policy driven. The economy is poised to benefit from receding implementation troubles on Goods and Service Tax ("GST") resulting in higher tax collections, the re-capitalisation of public sector banks and the resolution of distressed assets under the Insolvency and Bankruptcy Code, 2016. Given that this is a run up to the election year, the Government's thrust on Rural and Infrastructure sectors could rejuvenate Rural demand as well as Infrastructure and Consumer spending.

The problem of Non-Performing Assets ("NPA") in the banking sector is expected to peak by March 2019 at approximately 11% of gross banking advances. This will constrain the banking system from growing in aggregate. The changing behaviour of the retail consumer is reflected in credit off-take becoming increasingly broad-based and financialisation of savings. All of these factors augur well for Non - Banking Finance Companies ("NBFC").

Inflation decline in the month of February 2018 was only temporary and inflation is expected to remain within RBI's tolerance limits. RBI is, hence, expected to remain neutral on the policy rate front for most part of FY 2018-19, unless there is clearly an oil price based shock to inflation.

The Company has a cautiously optimistic outlook for the next financial year. Improving growth dynamics, domestic consumption and infrastructure spending and supportive tailwinds from global growth are likely positives for FY 2018-19. The Company will be closely watching the monsoons, timing of monetary policy tightening by the large central banks in advanced economies, protectionist tendencies of large global economies as they have the ability to impact liquidity and inflation, both critical variables impacting our largest resource – “Money”.

Consolidated Results:

Tata Capital's book size increased from ₹ 51,847 crore as at March 31, 2017 to ₹ 61,445 crore as at March 31, 2018, on a consolidated basis. This increase of ₹ 9,598 crore was mainly due to the growth in the loan book of the three lending subsidiaries, viz. Tata Capital Financial Services Limited (“TCFSL”): ₹ 4,359 crore, Tata Capital Housing Finance Limited (“TCHFL”): ₹ 4,149 crore and Tata Cleantech Capital Limited (“TCCL”): ₹ 1,089 crore.

During FY 2017-18, Tata Capital recorded consolidated Total Income of ₹ 7,016 crore as against ₹ 6,324 crore in FY 2016-17, an increase of about 11%. The Total Income comprised Income from financing activities of ₹ 6,422 crore (FY 2016-17: ₹ 5,732 crore), Investment Income of ₹ 92 crore (FY 2016-17: ₹ 151 crore) and Other Income of ₹ 502 crore (FY 2016-17: ₹ 441 crore). The growth in income from financing activities was in line with the growth in average advances.

During the year, Tata Capital's Profit After Tax ("PAT") on a consolidated basis increased by about 69%, to ₹ 776 crore (FY 2016-17: ₹ 460 crore).

During FY 2017-18, Tata Capital's consolidated interest expense was ₹ 3,669 crore (FY 2016-17: ₹ 3,470 crore). This increase was on account of higher borrowings of ₹ 8,685 crore (FY 2016-17: ₹ 6,312 crore), in line with the growth in the loan portfolio. Notwithstanding the tight liquidity conditions in the market, Tata Capital was able to ensure a comfortable liquidity position to support its business requirements.

Operating Expenses, including credit costs and provisions for diminution in value of investments, decreased by 11% and stood at ₹ 1,253 crore, as against ₹ 1,406 crore in FY 2016-17. The Operating Expenses, excluding credit costs and provisions for diminution in value of investments, increased by 10%. Employee costs increased from ₹ 572 crore in FY 2016-17 to ₹ 628 crore in FY 2017-18, owing to increase in manpower strength to support new businesses, growth in existing businesses and on account of salary increments, which were broadly in line with the industry.

The consolidated Gross NPA showed a significant reduction from 3.4% in FY 2016-17 to 2.4%, in FY 2017-18. The Net NPA reduced from 0.9% in FY 2016-17 to 0.7% in FY 2017-18. A provision of ₹ 52 crore, at the rate of 0.40% for Standard Assets (FY 2016-17: ₹ 59 crore), was made. The consolidated Return on Assets ("RoA") for FY 2017-18 was 1.1% (FY 2016-17: 0.6%) while the Return on Equity ("RoE") was 12.8% (FY 2016-17: 6.7%).

Standalone Results:

During FY 2017-18, TCL recorded Gross Income of ₹ 476 crore (FY 2016-17: ₹ 425 crore) and a PAT of ₹ 202 crore (FY 2016-17: ₹ 180 crore). The increase in PAT was mainly on account of higher dividend income from subsidiary companies. The Company has transferred an amount of ₹ 40 crore to Special Reserve.

4. SHARE CAPITAL

The paid-up Equity Share Capital of the Company was ₹ 2,826 crore as on March 31, 2018, which was held by Tata Sons Limited (93.22%), Tata Investment Corporation Limited (2.73%) and TCL Employee Welfare Trust (through its Trustees) (1.89%). The balance 2.16% was held by a few other Tata companies, other corporates, individuals and employees of Tata Capital.

Under the Tata Capital Limited Employee Stock Purchase / Option Scheme ("ESOP Scheme"), the Company had allotted 7,02,34,526 Equity Shares of ₹ 10 each of the Company to the TCL Employee Welfare Trust (through its Trustees). The Trust was set up to administer and implement the ESOP Scheme. As on March 31, 2018, the number of Equity Shares held by the employees under the ESOP Scheme aggregated 1,67,56,520. Further details regarding the ESOP Scheme are given in para 40 below.

During FY 2017-18, the Company successfully raised funds by way of issuance of Cumulative Redeemable Preference Shares ("CRPS") of ₹ 1,000 each aggregating ₹ 514.75 crore. Further, consequent to the Call Option exercised by the Company, CRPS aggregating ₹ 484.35 crore were redeemed during the year. Accordingly, the paid up Preference Share Capital as on March 31, 2018, was ₹ 1861.85 crore. The details of CRPS issued and redeemed are available at Page Nos. 174 and 175 of the Annual Report.

Further, in accordance with Section 61 of the Companies Act, 2013 ("Act"), the Members of the Company had, at its Meeting held on March 29, 2018, approved the cancellation of 74,400 Equity Shares and 6,59,248 Preference Shares reflected in the Issued Equity Share Capital and Issued Preference Share Capital, which had been unsubscribed.

5. DIVIDEND

At the meeting of the Board of Directors held on March 21, 2018, the Directors declared Interim Dividend on the CRPS, for FY 2017-18, as under:

No. of Shares	Dividend Rate (%) p.a.	Dividend Amount (₹ in crore)
20,71,066	12.50	25.89
70,49,891	8.33	58.73
43,50,000	7.50	32.63
21,50,000*	7.50	11.47
14,97,500*	7.33	7.32
7,50,000*	7.15	2.91
7,50,000*	7.10	2.68
Total		141.63

*on a pro-rata basis from the date of allotment till March 31, 2018

Further, consequent upon the exercise of Call Option by the Company, CRPS aggregating ₹ 484.35 crore were redeemed during the year and accordingly, Interim Dividend aggregating ₹ 14.85 crore was paid from April 1, 2017 upto the date of redemption. The details of Interim Dividend paid on redemption were, as under:

Tranche	Dividend Rate (%)	No. of CRPS	Redemption Date	Dividend Amount (₹ in crore)
G	8.33	8,99,000	July 31, 2017	2.50
H	8.33	25,00,000	July 31, 2017	6.96
I	8.33	9,96,050	September 15, 2017	3.82
J	8.33	3,69,660	July 31, 2017	1.03
K	8.33	27,900	January 31, 2018	0.19
L	8.33	50,900	January 31, 2018	0.36
Total		48,43,510		14.86

Since the Company has paid Dividend to the CRPS holders for FY 2017-18 by way of an Interim Dividend, the Directors do not recommend any final dividend on the CRPS issued by it.

In order to conserve the resources of the Company and to build up reserves, the Directors do not recommend payment of Dividend on the Equity Shares for FY 2017-18.

6. OVERVIEW OF THE COMPANY, ITS SUBSIDIARIES, ASSOCIATES AND JOINT VENTURE

6.1 Structure of Business Operations at Tata Capital

TCL is primarily a holding company, holding investments in its subsidiaries and other group companies and carries out only such activities, including advising and / or management of private equity funds, as are permitted under the Directions issued by the RBI for CICs. All the other operating businesses are carried on by the subsidiaries of TCL. The Company has completed ten full years of operations and over this period, has emerged as one of the leading players in the NBFC space in India.

The financial services sector in India, as also globally, is highly regulated. TCL and its subsidiaries are subject to regulations by authorities such as the RBI, the Securities and Exchange Board of India ("SEBI"), the National Housing Bank ("NHB"), the Monetary Authority

of Singapore, the Financial Conduct Authority, United Kingdom (“UK”), the Association of Mutual Funds of India and Insurance Regulatory and Development Authority of India.

As a one-stop financial services provider, Tata Capital caters to the diverse financial requirements of its retail, corporate and institutional customers with a comprehensive suite of products and service offerings. In the corporate segment, the Company’s wholly-owned subsidiary, Tata Capital Financial Services Limited (“TCFSL”) offers Commercial Finance solutions, including Construction Equipment (“CEQ”) Finance and Leasing solutions to corporate customers. In the Retail segment, TCFSL provides Asset Finance across urban and rural geographies. TCFSL is also engaged in the business of distribution of investment products such as Mutual Funds under its Wealth Products Distribution business and is engaged in the distribution of White Label Credit Cards, in association with its bank partner.

Tata Capital also operates in the housing finance space through another wholly-owned subsidiary, viz. Tata Capital Housing Finance Limited (“TCHFL”), which offers Housing Loans and Loans against Property, mainly in the Retail segment and in Construction finance, in the Corporate segment.

Tata Cleantech Capital Limited (“TCCL”), also a subsidiary of the Company, provides finance and advisory services to corporate customers for Renewable Energy, Energy Efficiency, Water Management projects and cash flow based Infrastructure Finance.

Tata Capital provides investment banking services and distribution of Mutual Funds and third party financial products for institutional customers, through its wholly-owned subsidiary, Tata Securities Limited.

The internal control system is supported by an internal audit process for reviewing the adequacy and efficacy of the internal controls, including its systems and processes and compliance with regulations and procedures. Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board, which also reviews the adequacy and effectiveness of the internal controls. TCL's internal control system is commensurate with its size and the nature of its operations.

13. INTERNAL FINANCIAL CONTROLS

The Management had reviewed the design, adequacy and operating effectiveness of the Internal Financial Controls of the Company, broadly in accordance with the criteria established under the Internal Control - Integrated Framework (2013) issued by the Committee of Sponsoring Organisations of the Treadway Commission ("COSO"). Entity Level Control framework document based on COSO 2013 framework has been documented. The documentation of process maps, key controls, standard operating procedures and risk registers has been completed for all businesses and functions. Further, during FY 2017-18, Management testing has been conducted on a sample basis for all key processes. The Internal Audit team has also conducted a review of the Internal Financial Controls. Remedial action has been taken or agreed upon with a finite closure date for controls where weaknesses were identified. There are no material unaddressed Internal Financial Controls related observations outstanding as at March 31, 2018. Based on the above, the Board believes that adequate Internal Financial Controls exist and are effective.

14. INFORMATION TECHNOLOGY SUPPORT

Information Technology ("IT") after having achieved stability in the core systems and close to total automation of all the business processes, is now moving to a Transformation and Leadership phase.

The focus will be on the use of data analytics and digitalization as strategic levers for achieving business objectives.

Some key projects that had been initiated, would be completed this year and would transform the IT landscape. Tata Capital would be moving its data centre and key software assets to the cloud to achieve scalability and elasticity to support its business growth at optimum costs. Tata Capital will also enhance its Digital platform for both the Retail and the Corporate businesses, covering all aspects of Social, Mobility, Analytics and Cloud. Use of Artificial Intelligence and Machine Learning will also be a key focus area to drive business growth, automate processes, improve productivity and enhance customer experience.

15. DIGITAL PLATFORM

Tata Capital has continued to evolve on its digital journey and has, over the last year, invested in building a comprehensive set of products and a slew of new-to-market processes to improve efficiency, deliver best-in-class solutions to its customers and enhance productivity.

Tata Capital strongly believes that analytics, backed by top-of-the-line technology is core to its business strategy. It plays a key role in customer acquisition, developing predictive models to help while creating a more personalised and seamless customer experience across all platforms and building superior underwriting capabilities. It has leveraged this through various initiatives launched in the year, including developing a scoring model using alternate data sources for acquisition,

instituting a scorecard for small ticket Business Loans and through tie-ups with industry experts, co-created score cards for credit risk assessment for smaller ticket commercial finance loans.

With new-age solutions emerging at every corner, Tata Capital has adapted by creating a robust and scalable set of solutions for all its retail and institutional customers. 'TatkaIQ loans', which is an industry first web application for CEQ finance, the 'Digital Lending Platform' for corporate customers, which makes borrowing a very convenient and transparent process for customers, implementation of a superior CRM platform for improving internal process efficiencies and the introduction of biometric e-KYC to enable faster on-boarding of customers, are some of the solutions that have been developed. Working with FinTechs has also helped Tata Capital tap new segments like Online Consumer Durable Loans and other End Use Loans.

It has also enhanced the experience across current products and processes, including the Online Chatbot - which has moved beyond the realm of a simple service to a sales engagement channel and stimulating the customer at every step through an assisted contact centre.

Over FY 2018-19, Tata Capital will continue to build platforms for sales and service, create seamless product journeys and enhance self-service solutions while partnering with FinTechs to create more robust ecosystems.

16. HUMAN RESOURCES

The Company recognises people as its most valuable asset and it has built an open, transparent and meritocratic culture to nurture this asset.

Tata Capital had 3887 permanent employees as at March 31, 2018.

Tata Capital's mission on creating a high performance culture has been further strengthened through areas like building a capability model (identification of critical competencies), nurturing talent through interventions such as mentoring, competency based training programs and cross functional projects.

Tata Capital's third Cultural Survey, based on the ten identified attributes and conducted by the Gallup Organisation in 2017, has given it a very healthy and positive score of 4.31 on a scale of 5.

Tata Capital's focus on Employee Engagement has resulted in its overall Employee Engagement Scores (Q12) climbing steadily from 3.52 in 2009 to 4.14 in 2016, in surveys, conducted by the Gallup Organisation.

As part of the journey to becoming a benchmark organisation in HR practices, Tata Capital has achieved its People Capability Maturity Model ("P-CMM") Level 3 Certification and further assessed at Level 4 (SCAMPI B equivalent assessment) and has now embarked on the journey of achieving Level 5 Certification. During the 8th CII HR Excellence Award process – 2017-18, Tata Capital was recognized with the "Significant Achievement in HR Excellence Award".

Tata Capital's Learning & Development ("L&D") initiatives are focused on enhancing the functional and behavioural competencies of its employees through L&D interventions, such as Executive Development Programs, e-learning and various classroom based training programs. Tata Capital was awarded the Kamikaze B2B Employee Engagement Awards for 'Best Use of Training in Employee Engagement' and 'Best use of Voice of the Employee' for FY 2017-18. It was also awarded the Best Blended Learning Program by TISS - Leapvault CLO Awards 2017.

Tata Capital also achieved key milestones in FY 2017-18, whereby some of the key HR processes were digitized and made fully operational, supporting the fast pace of our growing manpower and thus achieving an objective of improved employee experience, better employee insight and moving towards a paperless environment.

Tata Capital is committed to maintain the highest standards of health, safety and security for its employees and business associates and to operate in a healthy and safe environment.

17. TATA BUSINESS EXCELLENCE MODEL

Tata Capital continues to enhance its capabilities and processes in keeping with market and regulatory changes, using the framework of the Tata Business Excellence Model ("TBEM") (based on Baldrige Criteria, USA), which covers aspects of Leadership and Governance, Strategic Planning, Customer Focus, Measurement, Analysis and Knowledge Management, Workforce Focus and Operations Focus. Tata Capital participated in its fifth TBEM external assessment conducted by the Tata Business Excellence Group ("TBExG") (a division of Tata Sons Limited) in November 2017 and was placed in the 550-600 score band, which indicates the level of "Emerging Industry Leader". The score band has changed as compared to that in FY 2016-17.

The assessment provided Tata Capital with important feedback in terms of its current strengths and opportunities for improvements to work towards the coming year. Key strengths indicated in this report were the organisation's alignment with its Vision and the building of a capability and structure for achieving the Vision, focus on building a quality book, Risk Management, Internal Audit mechanism and Governance mechanisms.

TCFSL successfully underwent ISO 9001:2015 surveillance audit for the operations of its assets businesses, without any major non-conformity. Tata Capital is also beginning to implement Lean Six Sigma as a tool for improving its operational focus in order to enhance customer satisfaction and improve internal efficiencies. Tata Capital launched its Ideation and Innovation platform "Bright Ideas" in 2016 for employees to contribute through ideas and suggestions on business impacting areas. Through this platform, the employees can also provide ideas against the challenges thrown by the Leadership Team. Many practices of Tata Capital have been recognized as Group wide Best Practices consistently, since January 2017.

18. THE TATA CAPITAL BRAND

The Tata Capital brand is built around its brand promise "We only do what's right for you". The brand stands by this promise and aims to deliver solutions that are 'right' for our customers, stakeholders and society at large, by combining genuine care and financial expertise. Since its launch in 2008, the brand has grown from strength to strength and now enjoys high awareness and consideration among its competition in the financial services sector, especially in the NBFC segment. This has been due to effective brand building initiatives with a combination of judicious use of media and customer-centric products to back up marketing efforts. This is the second year running that Tata Capital has been adjudged as one of the best BFSI brands by the Economic Times.

This year's brand campaigns saw the launch of Salaam Loans, the world's first democratized loan, which puts the power of loan approval of application, from deserving individuals, in the hands of the public. The campaign for Salaam Loans was shortlisted for a Cannes Lion in 2017 and has won a Spikes Asia 2018 Gold, a 'Lotus' at ADFEST 2018 and a Grand Prix at the Asia Consumer Engagement Forum 2017. The brand has also continued to focus on social and digital media with targeted campaigns around Wedding Loans, Business Loans, the myLoan Mobile App and overall, always-on Content Marketing.

19. BUSINESS DEVELOPMENT

During the year, the Business Development Group ("BDG") enabled opportunities and relationships within and outside the Tata Group for various businesses of Tata Capital. The BDG also enhanced its interactions with domestic trade bodies and with other entities, with a view to promoting the Tata Capital brand and laying the groundwork for future business. Additionally, the BDG continued its regular interactions and deepened relationships with trade bodies of Canada, the UK, Singapore and Australia, amongst others.

20. CORPORATE SUSTAINABILITY AND CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility is deeply rooted in the Tata Group's business philosophy. The Group companies have a sense of responsibility towards making use of its existing resources and knowledge to not only make profits but also solve social and environmental issues.

The Company shares the Group's belief that our society can truly progress, if every individual is included and empowered in the story of development. To guide us in this journey, the Company has defined a Corporate Social Responsibility ("CSR") policy which outlines the thrust areas of development viz. Livelihood and Employability, Health, Education and Environment, as adopted by the CSR Committee of the Board and which is available on the Company's website, www.tatacapital.com. As per the provisions of Section 135 of the Act, the Company has constituted a CSR Committee.

In FY 2017-18, the Company's subsidiaries, viz. TCFSL, TCHFL and TCCL, have spent an aggregate amount of approximately ₹ 15 crore on CSR activities in projects and programmes covered under Schedule VII of the Act.

Since the average net profit of the Company in the three immediately preceding financial years, calculated as per Section 198 of the Act, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, was negative, the Company was not required to spend any amount on CSR activities for FY 2017-18. Accordingly, the Company has not spent any amount on CSR. The Annual Report on CSR activities is annexed herewith as Annexure 'A'.

The budget of the subsidiaries was spent towards projects and programmes, covered under Schedule VII to the Act, as approved by the CSR Committees of the Board and its subsidiaries. To conceptualise and implement the projects, Tata Capital follows a robust process, including appraising and selecting technically sound NGOs, planning the project based on baseline assessment, creating a project plan for implementation and monitoring and evaluation mechanisms. This helps to bring the desired positive and measurable results for the target beneficiaries.

Additionally, the Company adheres to the Tata Group's Tata Affirmative Action Programme based on the framework defined by Confederation of Indian Industries. The framework focusses on upliftment of Scheduled Castes and Scheduled Tribes and identifies 4Es as key areas of development i.e. Education, Employability, Employment and Entrepreneurship. In addition to the 4Es, Tata Capital also adheres to 'Essentials' as another category to provide for basic services like shelter, water and electricity.

21. COMPLIANCE

The Company is registered with the RBI as a Core Investment Company ("CIC"). The Company has complied with and continues to comply with all applicable laws, rules, circulars and regulations, including the Master Direction - Core Investment Companies (Reserve Bank) Directions, 2016 ("Directions"), as amended from time to time, and it does not carry on any activities other than those specifically permitted by the RBI for CICs.

22. DEPOSITS

The Company did not hold any public deposits at the beginning of the year nor has it accepted any public deposits during the year under review.

23. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

The provisions of Section 186 of the Act pertaining to investment and lending activities is not applicable to the Company since the Company is an NBFC whose principal business is acquisition of securities.

Details of guarantees and/or security in connection with loans to other bodies corporates or persons as covered under the provisions of Section 186 of the Act, are given in Note No. 27 to the Standalone Financial Statements.

24. DIRECTORS

Based on the recommendation of the Nomination and Remuneration Committee ("NRC"), the Board of Directors and the Members of the Company approved the:

The Members of the Company may wish to refer to the accompanying Notice of the AGM of the Company, for the brief Resume of Mr. Subedar.

The Company has received declarations from the Independent Directors, viz. Mr. Mehernosh B Kapadia (DIN: 00046612) and Mr. Nalin M. Shah (DIN: 00882723), stating that they meet the criteria of independence as provided in Section 149(6) of the Act.

25. EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

Pursuant to the provisions of the Act, the Board has carried out an annual evaluation of its own performance and of the individual Directors (including the Chairman) as well as an evaluation of the working of all the Committees of the Board. The Board of Directors was assisted by the NRC. The performance evaluation was carried out by seeking inputs from all the Directors / Members of the Committees, as the case may be.

The Guidance Note on Board Evaluation ("Guidance Note") issued by the Securities and Exchange Board of India ("SEBI") had encouraged companies which were not covered under Chapter IV of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("LODR Regulations") to follow the criteria mentioned in the Guidance Note. The Board of the Company followed the said criteria recommended under the Guidance Note for evaluating the performance of the Board as a whole, Committees of the Board, Individual Directors and Chairperson. The criteria for evaluation of the Board as a whole, *inter alia*, covered parameters such as Structure of the Board, Meetings of the Board and Functions of the Board. The criteria for evaluation of Individual

Directors covered parameters such as details of professional qualifications and prior experience relevant to the Company, knowledge and competency, fulfillment of functions, ability to function as a team, etc. The criteria for evaluation of the Board Committees covered areas related to mandate and composition, effectiveness of the Committee, structure of the Committee and meetings, etc.

The feedback of the Independent Directors on their review of the performance of Non-Independent Directors and the Board as a whole, the performance of the Chairman of the Company and the assessment of the quality, quantity and timeliness of flow of information between the Company Management and the Board was taken into consideration by the Board in carrying out the performance evaluation.

26. POLICY ON APPOINTMENT OF DIRECTORS AND REMUNERATION POLICY OF THE COMPANY

The NRC develops the competency requirements of the Board based on the industry and the strategy of the Company, conducts a gap analysis and recommends the reconstitution of the Board, as and when required. It also recommends to the Board, the appointment of Directors having good personal and professional reputation and conducts reference checks and due diligence of all Directors before recommending them to the Board. Besides the above, the NRC ensures that the new Directors are familiarised with the operations of the Company and endeavours to provide relevant training to the Directors.

In accordance with the provisions of Section 178 of the Act, the Board of Directors have adopted a Policy on Board Diversity and Director Attributes and a Remuneration Policy. The Policy on Board Diversity and Director Attributes has been framed to encourage diversity of thought, experience, knowledge, perspective, age and gender in the Board. The Remuneration Policy for Directors, Key Managerial Personnel and all other employees is aligned to the philosophy on the commitment of fostering a culture of leadership with trust. The Remuneration Policy aims to ensure that the level and composition of the remuneration of the Directors, Key Managerial Personnel and all other employees is reasonable and sufficient to attract, retain and motivate them to successfully run the Company. The Policy on Board Diversity and Director Attributes as also the Remuneration Policy of the Company are attached hereto as Annexures 'B' and 'C', respectively.

27. KEY MANAGERIAL PERSONNEL

Mr. Praveen P. Kadle, Managing Director & CEO, Mr. Puneet Sharma, Chief Financial Officer and Ms. Avan Doomasia, Company Secretary, were the Key Managerial Personnel ("KMP") of the Company as also the KMPs of TCFSL, a wholly owned subsidiary of the Company, for FY 2017-18.

Mr. Praveen P. Kadle retired as the Managing Director & CEO of the Company and TCFSL, with effect from end of day on March 31, 2018 and consequently ceased to be a Key Managerial Personnel.

28. DIRECTORS' RESPONSIBILITY STATEMENT

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, work performed by the Internal, Statutory and Secretarial Auditors, including audit of internal financial controls over financial reporting by the statutory auditors and the reviews performed by the Management and the relevant Board Committees, including the Audit Committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective, during FY 2017-18.

Accordingly, pursuant to Section 134(5) of the Act, the Board of Directors, to the best of their knowledge and ability, confirm that:

- a) in the preparation of the annual accounts, the applicable accounting standards and guidance provided by The Institute of Chartered Accountants of India had been followed and that there

are no material departures thereof;

- b) they had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and cash flows of the Company for the year;
- c) they had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) they had prepared the annual accounts on a going concern basis;
- e) they had laid down internal financial controls to be followed by the Company and that such internal financial controls were adequate and operating effectively; and
- f) they had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

29. CORPORATE GOVERNANCE

Company's Philosophy on Corporate Governance

The Company recognises its role as a corporate citizen and endeavours to adopt the best practices and the highest standards of corporate governance through transparency in business ethics, accountability to its customers, Government and others. The Company's activities are carried out in accordance with good corporate practices and the Company is constantly striving to better these practices by adopting best practices.

The Company believes that governance practices enable the Management to direct and control the affairs of the Company in an efficient manner and to achieve the Company's goal of maximising value for all its stakeholders. The Company will continue to focus its resources, strengths and strategies to achieve its vision of becoming a leading financial services company in India with a global footprint, while upholding the core values of transparency, integrity, honesty and accountability, which are fundamental to Tata companies.

As a part of the Tata Group, Tata Capital has a strong legacy of fair, transparent and ethical governance practices. The Corporate Governance philosophy is further strengthened with the adherence to the Tata Business Excellence Model as a means to drive excellence, the Key Performance Metrics for tracking progress on long-term strategic objectives and the Tata Code of Conduct ("TCOC"), which articulates the values, ethics and business principles and serves as a guide to the Company, its Directors and employees, supplemented with an appropriate mechanism to report any concern pertaining to non-adherence to the TCOC. In addition, the Company has adopted Governance Guidelines on Board Effectiveness, a Code of Conduct for Prevention of Insider Trading, a Code of Corporate Disclosure Practices, a Vigil Mechanism, a Fair Practices Code, an Affirmative Action Policy, a Policy against Sexual Harassment in the Workplace, a Policy on Board Diversity and Director Attributes, a Code of Conduct for Non-Executive Directors, an Occupational Health and Safety Management System, Information Technology Policy, Information Security Policy, Cyber Security Policy and an Anti-Bribery and Anti-Corruption ("ABAC") Policy.

The Company has signed the Tata Brand Equity and Business Promotion ("BEBP") Agreement with Tata Sons Limited for subscribing to the TATA BEBP Scheme. The Company abides by the TCOC and the norms for using the Tata Brand identity.

38. ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS & OUTGO

(A) Conservation of energy:

i. Steps taken / impact on conservation of energy:

The operations of the Company, being financial services related, require normal consumption of electricity. The Company is taking every necessary step to reduce its consumption of energy.

ii. Steps taken by the Company for utilising alternate sources of energy:

Tata Capital has installed a solar panel at its Thane office which produces close to 750 Watts of energy and which self illuminates and provides power to the garden and security lights on the campus from dusk to dawn. The garden lights at the Thane office have been retrofitted with LED bulbs that consume less electricity as compared to the conventional incandescent or CFL bulbs.

iii. Capital investment on energy conservation equipment:

In view of the nature of the activities carried on by the Company, there is no capital investment on energy conservation equipment.

(B) Technology absorption:

i. The efforts made towards technology absorption;

ii. The benefits derived like product improvement, cost reduction, product development or import substitution;

iii. In case of imported technology (imported during the last 3 years reckoned from the beginning of the financial year):

40. TATA CAPITAL LIMITED EMPLOYEE STOCK PURCHASE / OPTION SCHEME

In order to develop and implement a long term incentive programme to effectively attract, motivate and retain the best talent from the industry in a competitive environment, the Company has implemented the Tata Capital Limited Employee Stock Purchase / Option Scheme ("Scheme"), which has been amended from time to time. Pursuant to the provisions of Section 62 of the Act and the appropriate Rules framed thereunder, the Scheme was amended in 2016 to bring it in line with the applicable provisions of the Act. The Scheme has also been adopted by the subsidiaries of the Company, viz. TCFSL, TCHFL, TCCL and Tata Securities.

For implementation of the Scheme, the TCL Employee Welfare Trust ("Trust") was set up and 7,02,34,526 Equity Shares of the Company aggregating 2.49% of its total paid up Equity Share Capital were allotted to the Trust. The Trust entrusted the ESOP Committee of the Board (which has now been combined with the NRC of the Board), with powers to effectively administer the Scheme. The NRC, *inter alia*, determines the employees to whom an offer is to be made, based on certain performance criteria, the price at which the options can be exercised, the quantum of offer to be made and the terms and conditions for vesting and exercise of the offer. For the purpose of the Scheme, the valuation of the Equity Shares of the Company is conducted by a Registered Valuer on a half-yearly basis.

As at March 31, 2018, out of 7,02,34,526 Equity Shares of the Company allotted to the Trust, 1,67,56,520 Equity Shares of the Company aggregating 0.59% of its total paid up Equity Share Capital were held by the Employees under the Schemes.

BOARD DIVERSITY POLICY AND DIRECTOR ATTRIBUTES**1. PURPOSE**

In terms of Section 178 of the Companies Act, 2013 ("Act") and the Governance Guidelines on Board Effectiveness issued by Tata Sons Limited and adopted by the Board of Directors, the Nomination and Remuneration Committee ("NRC") of the Board is, *inter alia*, required to formulate a Policy on Board Diversity and lay down the criteria for determining qualifications, positive attributes and independence of a director.

Diversity in the composition of the Board of Directors has become essential in view of the expansion of business, greater social responsibility, increasing emphasis on Corporate Governance, need for addressing concerns of diverse stakeholders and the necessity for managing risks in the business effectively. A Board composed of appropriately qualified and skilled people, with a broad range of experience relevant to the business, is important for effective corporate governance and sustained commercial success of a company.

In view of the above, Tata Capital Limited ("TCL" or "Company") has framed this Policy on Board Diversity and Director Attributes ("Policy") that encourages diversity of thought, experience, knowledge, perspective, age and gender in the Board. The Policy sets out the approach to diversity in the Board of Directors of the Company so as to ensure that the Board has an appropriate blend of functional and industry expertise.

This Policy has been adopted by the Board of Directors of the Company, based on the recommendations of the NRC.

2. OBJECTIVES OF THE POLICY

The Objectives of the Policy include:

- i. Board to drive diversity and have an appropriate blend of functional and industry expertise;
- ii. While recommending the appointment of a director to, *inter alia*, consider the manner in which the function and domain expertise of the individual contributes to the overall skill domain mix of the Board;
- iii. To help the Company build a better Board that can draw upon a wide range of perspectives, expertise, knowledge and experience;
- iv. To achieve an optimum and balanced Board, with a wide range of attributes;
- v. To encourage healthy and open discussion and promote independence of judgement in Board and Committee deliberations; and
- vi. To have an optimum mix of Executive, Non-Executive and Independent Directors, including Women Directors.

3. POLICY STATEMENT

To meet the above Objectives:

- i. The Board of TCL will ensure that a transparent Board nomination process is in place that encourages diversity of thought, experience, skills, knowledge, perspective, age, nationality, gender, cultural and educational background;
- ii. It will be ensured that the Board has an appropriate blend of functional and industry expertise and skills;
- iii. The consideration and selection of candidates for appointment to the Board will be based on merit which shall include a review of any candidate's integrity, experience, educational background, industry or related experience and more general experience;

- iv. Candidates that bring a diversity of background and opinion from amongst those candidates with the appropriate background and industry or related expertise and experience and having the ability to devote sufficient time to the affairs of the Company, should be considered for appointment to the Board; and
- v. While recommending the appointment of a Director, the NRC will consider the criteria as laid down under the Act and applicable Regulations/Guidelines issued by Statutory and Regulatory authorities, as also those issued by Tata Sons Limited, from time to time, and the manner in which the function and domain expertise of the individual will contribute to the overall skill - domain mix of the Board.

4. MEASURABLE OBJECTIVES

The NRC will largely rely on the regulatory provisions of the Act, the Regulations/Guidelines issued by the RBI (as applicable to a Core Investment Company) as also the Guidelines circulated by Tata Sons Limited and review the measurable objectives for achieving diversity against these provisions and recommend the same to the Board for adoption. At any given point of time, the Board may seek to improve one or more aspects of its diversity and measure progress accordingly.

5. MONITORING AND REPORTING

The NRC will review the Policy periodically, which will include an assessment of the effectiveness of the Policy. The NRC will discuss any revision that may be required and recommend the same to the Board for approval.

Annexure C

REMUNERATION POLICY**1. COMPENSATION PHILOSOPHY**

Tata Capital Limited ("Company") has a defined formal compensation philosophy for itself and its subsidiary companies. In order to build a high performance culture, aligned to the Company's Vision and Goals, the Compensation Philosophy aims at providing a significant differential to superior performers and also segregating increments and performance payouts, based on the actual performance of various business verticals.

The aforementioned Compensation Philosophy helps the Company to manage long term fixed cost, keep up with market compensation and attract the right talent to help drive its growth plans.

The performance of the Company and its Business Units / Functions is measured against annual budgets / targets, set as per the Balanced Score Card (BSC). Performance of individuals is measured against Key Result Areas (KRAs) set at the beginning of year and after considering any revision of target during the year. The Annual Performance Rating would be considered for calculating the Performance Pay. Rating would be on a 5 point scale.

Consistent with the principle of differential influence that an employee may have on the overall performance of the Company, different weights are assigned for the Company's performance, the performance of Business Units / Functions and the performance of individuals. Thus, employees in entry level / junior management have greater weightage for individual performance while employees in senior leadership roles have maximum weightage for Company and Business Unit Performance.

2. REMUNERATION POLICY FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

The philosophy for remuneration of Directors, Senior Leadership Team, Key Managerial Personnel ("KMP") and all other employees of the Company is based on the commitment to fostering a culture of leadership with trust. The Remuneration Policy is aligned to this philosophy.

This Remuneration Policy has been prepared pursuant to the provisions of Section 178(3) of the Companies Act, 2013 ("Act"). In case of any inconsistency between the provisions of law and this Remuneration Policy, the provisions of law shall prevail and the Company shall abide by the applicable law. In case there are any changes in the law, the Company shall comply with the applicable amended provisions. While formulating this Remuneration Policy, the Nomination and Remuneration Committee ("NRC") has considered the factors laid down under Section 178(4) of the Act which are, as under:

- "(a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- (b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals."

The key principles governing this Remuneration Policy are, as follows:

2.1 Remuneration for Independent Directors and Non-Independent Non-Executive Directors

- (i) Independent Directors ("ID") and Non-Independent Non-Executive Directors ("NED") may be paid Sitting Fees (for attending the meetings of the Board and of Committees of the Board of which they may be Members) and Commission within regulatory limits.
- (ii) Within the parameters prescribed by law, the payment of Sitting Fees and Commission will be recommended by the NRC for approval of the Board.

- (iii) Overall remuneration (Sitting Fees and Commission) should be reasonable and sufficient to attract, retain and motivate directors aligned to the requirements of the Company (taking into consideration, the challenges faced by the Company and its future growth imperatives).
- (iv) Overall remuneration should be reflective of the size of the Company, complexity of the sector / industry / Company's operations and the Company's capacity to pay the remuneration.
- (v) Overall remuneration practices should be consistent with recognized best practices.
- (vi) Quantum of Sitting Fees may be subject to review on a periodic basis, as required.
- (vii) The aggregate Commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters, as may be decided by the Board.
- (viii) The NRC will recommend to the Board, the quantum of Commission for each director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent at Board and Committee meetings, individual contribution at the meetings and contributions made by directors, other than at Board and Committee meetings.
- (ix) In addition to the Sitting Fees and Commission, the Company may pay to any director such fair and reasonable expenditure, as may have been incurred by the director while performing his / her role as a Director of the Company. This could include reasonable expenditure incurred by the director for attending Board / Board Committee meetings, General Meetings, court convened meetings, meetings with Shareholders / Creditors / Management, site visits, induction and training (arranged by the Company for directors) and in obtaining professional advice from independent advisors in the furtherance of his / her duties as a director.

2.2 Remuneration for Managing Director (“MD”)/Executive Directors (“ED”)/KMP/rest of the employees^(Note 1)

- (i) The extent of overall remuneration to the MD/ED/KMPs/ rest of the employees should be sufficient to attract and retain talented and qualified individuals suitable for their roles.

Hence, remuneration should be:

- market competitive ('market' for every role is defined as companies from which the company attracts talent or companies to which the company loses talent);
 - driven by the role played by the individual;
 - reflective of the size of the company, complexity of the sector / industry / Company's operations and the Company's capacity to pay;
 - consistent with recognized best practices; and
 - aligned to any regulatory requirements.
- (ii) In terms of remuneration mix or composition,
 - the remuneration mix for the MD / EDs should be as per the contract approved by the Shareholders. In case of any change which is beyond the remuneration approved by the Shareholders, the same would require the approval of the Shareholders.
 - basic / fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.

- in addition to the basic / fixed salary, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings and tax optimization, where possible. The Company also provides all employees with a social security net (subject to limits) by covering medical expenses and hospitalization through re-imburements or insurance cover and accidental death and dismemberment through personal accident insurance.
- the Company provides retirement benefits, as applicable.
- in addition to the basic/fixed salary, benefits, perquisites and allowances as provided above, the Company may provide MD/EDs such remuneration by way of Commission, calculated with reference to the Net Profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Act. The specific amount payable to the MD/EDs would be based on the performance of the MD/EDs as evaluated by the Board or the NRC and approved by the Board.

OR

- In addition to the basic/fixed salary, benefits, perquisites and allowances as provided above, the Company may provide to its MD/EDs, such remuneration by way of an annual incentive remuneration/performance linked bonus subject to the achievement of certain performance criteria and such other parameters as may be considered appropriate from time to time by the Board. Consolidated Financial Statements

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

TO THE MEMBERS OF TATA CAPITAL LIMITED

Report on audit of the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Tata Capital Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associates, which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as the "Act") that give a true and fair view of the consolidated state of affairs, consolidated profit and consolidated cash flows of the Group including its associates with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies and the trustees of the trusts included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid..

In preparing the consolidated financial statements, the respective Board of Directors of the companies and the trustees of the trusts included in the Group and its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness

of the accounting estimates made, as well as evaluating the overall presentation of the consolidated financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph 2 (a) of the Other Matters paragraphs is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the report of the other auditor and on the other financial information of the subsidiary and associates, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at 31 March 2018, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

- (1) The comparative financial information of the Group and its associates for the year ended 31 March 2017 as included in these consolidated financial statements have been audited by the predecessor auditor who had audited the consolidated financial statements for the year ended 31 March 2017. The report of the predecessor auditor on the comparative financial information dated 28 April 2017 expressed an unmodified opinion. Our opinion is not modified in respect of this matter.
- (2) (a) We did not audit the financial statements / information of one subsidiary, whose financial statements reflect total assets of Rs.29,866 lakhs as at 31 March 2018, total revenues of Rs. 7,494 lakhs and net cash outflows amounting to Rs. 14,070 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / information have been audited by the other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-section (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary is based solely on the report of the other auditor.

The subsidiary is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in its respective country and which have been audited by the other auditor under generally accepted auditing standards applicable in its respective country. The Holding Company's management has converted the financial statements of the subsidiary located outside India from accounting principles generally accepted in its respective country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of the subsidiary located outside India is based on the report of the other auditor and the conversion adjustments prepared by the management of the Company and audited by us.

- (b) The consolidated financial statements also include the Group's share of net profit of Rs. 1,423 lakhs for the year ended 31 March 2018, as considered in the consolidated financial

statements, in respect of two associates whose financial statements / financial information have not been audited by us. These financial statements / financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates, and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid associates, is based solely on such unaudited financial statements / financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor and the financial statements / financial information certified by Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial statements / financial information of associates, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and representations received from the directors of an associate company incorporated in India, none of the directors of the Group companies and its associate company incorporated in India is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to the financial statements of the Holding Company, its subsidiary companies and an associate company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements as also the other financial information of the subsidiary, and the financial statements / financial information provided by management in respect of the associate companies, as noted in the 'Other Matters' paragraph:
 - i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated state of affairs of the Group and its associates – Refer Note 37 to the consolidated financial statements in respect of such items as it relates to the Group and its associates;

- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, on long-term contracts including derivative contracts. Refer Note 47 to the consolidated financial statements in respect of such items as it relates to the Group and its associates.
- iii. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, an associate company incorporated in India during the year ended 31 March 2018.
- iv. The disclosures in the consolidated financial statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended 31 March 2018. However, amounts as appearing in the audited consolidated financial statements for the year ended 31 March 2017 have been disclosed.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF TATA CAPITAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of Tata Capital Limited as of 31 March 2018 in conjunction with our audit of the consolidated financial statements of Tata Capital Limited (hereinafter referred to as the 'Holding Company'), its subsidiaries and an associate company (collectively referred to as the 'Group') for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of the Holding Company, its subsidiaries and an associate company, which are incorporated in India are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India" (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company, its subsidiary companies and an associate company, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company, its subsidiary companies and its associate which are incorporated in India.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF TATA CAPITAL LIMITED

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associate company, which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matter

Our opinion on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act is not modified in respect of an associate company whose financial statements / financial information is unaudited and is not material to the Group.

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1 SIGNIFICANT ACCOUNTING POLICIES

i. Basis of accounting and preparation of the consolidated financial statements

The consolidated financial statements of Tata Capital Limited (the 'Company') and its subsidiaries and associates (together the 'Group') have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 (the 'Act') and the relevant provisions of the Act, as applicable. The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

Current assets do not include elements which are not expected to be realised within one year and current liabilities do not include items which are due after one year.

ii. Principles of Consolidation

The consolidated financial statements relate to Tata Capital Limited, its subsidiaries and the Group's share of profit / loss in its associates. The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the subsidiaries and associates used in the consolidation are drawn upto the same reporting date as that of the Company i.e., March 31, 2018, except for certain associates for which financial statements as on the reporting date are not available. These have been consolidated based on their latest available financial statements. Necessary adjustments have been made for the effects of significant transactions and other events between the reporting dates of such financial statements and the consolidated financial statements.
- b) The financial statements of the Company and its subsidiaries have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.
- c) The consolidated financial statements include the share of profit/ (loss) of associates, which have been accounted for using the equity method as per AS 23 (Accounting for Investments in Associates in Consolidated Financial Statements). Accordingly, the share of profit/ (loss) of the associates (the loss being restricted to the cost of the investment) have been added/deducted to the costs of investments.
- d) The excess of cost to the Group of its investments in the subsidiaries over its share of equity of the subsidiaries, at the dates on which the investments in the subsidiaries were made, is recognised as "Goodwill on Consolidation" and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiaries as on the date of investment is in excess of cost of investments of the Group, it is recognised as 'Capital Reserve' and shown under the head 'Reserves & Surplus' in the consolidated financial statements.
- e) In case of a foreign subsidiary, being a non-integral operation, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the "Foreign Currency Translation Reserve".
- f) The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the consolidated financial statements as Goodwill or Capital Reserve as the case may be and adjusted against the carrying amount of investment in the associate.

- g) Minority Interest in the net assets of the subsidiaries consists of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiaries were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiaries attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the profit attributable to shareholders of the Company.

iii. Operating Cycle

Based on the nature of activities of the Companies of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iv. Use of Estimates

The preparation of the consolidated financial statements requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The Management believes that the estimates used in preparation of the financials statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods. Estimates include provisions for doubtful debts and advances, employee benefit plans, provision for income taxes and provision for diminution in the value of investments.

v. Revenue recognition

a) Income on Loan transactions

Income on loan transactions is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable, except that no income is recognised on non-performing assets as per the prudential norms for income recognition issued by the RBI/NHB for NBFCs/HFC's and Accounting Standard 9 (Revenue Recognition). Interest income on such assets is recognised on receipt basis.

Upfront / processing fees collected from the customer for processing loans are primarily towards documentation charges. These are accounted as income when the amounts become due provided recovery thereof is reasonably certain.

Dealer subvention income and service charges are collected at the time of inception of the contract. These are accounted over the tenure of the loans in the proportion of interest earned to total interest receivable during the tenure of loans.

Repayment of housing loans is generally by way of Equated Monthly Instalments (EMIs) comprising principal and interest. EMIs commence once the entire loan is disbursed. Pending commencement of EMIs, pre-EMI interest is payable every month. Interest on loans is computed on a monthly rest basis.

b) Income from Non-current and Current Investments

Income from dividend on shares of corporate bodies and units of mutual funds is accounted when the Group's right to receive dividend is established except for the Holding Company wherein the dividend is recognised on receipt basis pursuant to Core Investment Companies (Reserve Bank) Directions, 2016, issued on August 25, 2016. Interest income on bonds and debentures is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

Premium / Discount on investments, which is the difference between the acquisition cost and face value of debt instrument is recognised as interest income over the tenor of the instruments.

Redemption premium on investments (except on preference shares) is recognised as income over the tenor of the investment.

Distribution by Private Equity Funds is accounted when received.

c) Income from Services

Fees for financial advisory services are accounted based on stage of completion of assignments, when there is reasonable certainty of their ultimate realisation.

Income from property management is recognised on a straight-line basis to the extent that rental income is deemed collectible.

Revenue from underwriting commission is recognised on fulfillment of obligation under underwriting arrangements.

d) Income from distribution of financial products

Revenue from brokerage is recognised when the service is performed. Trail brokerage is recognised at the end of the measurement period when the pre-defined thresholds are met. Revenue is net of taxes and sub-brokerage.

Sourcing income is recognised on an accrual basis when there is a reasonable certainty of its ultimate realisation.

e) Income from Travel related services

Income from services is net of goods and service tax. Revenue is recognised upon rendering the service, the price being determined and collection of the receivable is reasonably certain.

f) Lease income

Assets given on operating lease are capitalised at cost. Rentals received or receivable by the Company are recognised in the Statement of Profit and Loss on a straight-line basis over the lease term, provided recovery is certain. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease rentals are apportioned between principal and interest on the internal rate of return. The principal amount received reduces the net investment in the lease and interest is recognised as revenue.

vi. Provisions for Standard/Non-Performing Assets and Doubtful Debts

The Group provides an allowance for loan receivables and debentures/bonds in the nature of advances based on the prudential norms issued by the Reserve Bank of India ('RBI') relating to income recognition, asset classification and provisioning for non-performing assets. The provision for standard assets is made as per prudential norms prescribed by the RBI, through master directions or notifications as amended. In addition to the abovementioned provisioning norms as prescribed by the RBI, the Group also fully provides for/ writes off the entire receivables as per the guidelines approved by the Board of Directors from time to time, where any of the installments are overdue:

- for a period exceeding 27 months for loan against property
- for a period exceeding 11 months for construction equipments, auto and commercial vehicles
- for a period exceeding 10 months for two wheeler and personal loan and
- for a period exceeding 6 months for consumer durables

In case of housing loans, the Group provides an allowance for loan receivables based on prudential norms issued by the National Housing Bank ("NHB") relating to income recognition, asset classification and provisioning for non-performing assets. The provision on Standard and Non-Performing Loans is made as per the prudential norms prescribed in the Housing

Finance Companies (NHB) Directions, 2010 as amended. In addition to the abovementioned provisioning norms as prescribed by NHB, the Company also fully provides for / writes off the entire receivables as per the Guidelines approved by the Board of Directors from time to time, where any of the installments are overdue for a period exceeding 27 months for home loans, loan against property and builder loans.

In addition, the Group provides for Restructured Assets (Standard Assets and Non-performing) as required by the directions issued by the RBI from time to time.

vii. Investments

Investments are classified into non-current and current investments.

a. Long-term investments

Non-current investments are investments intended to be held for a period of more than a year. Non-current investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Non-current investments made by the Group in equity shares, preference shares or debentures in its associates or any other entities primarily intended to fulfill its business objective are classified as Trade Investments. It is intended to hold these to further the long-term interests of the Group and not for the purpose of frequent selling / trading of these investments.

b. Current investments

Current investments are investments intended to be held for a period of less than a year. Current investments are stated at the lower of cost and market value, determined on an individual investment basis.

viii. Property, plant and equipment

a. Tangible:

Tangible property, plant and equipment acquired by the Group are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any. The acquisition cost includes any cost attributable for bringing asset to its working condition, which comprises of purchase consideration, other directly attributable costs of bringing the assets to their working condition for their intended use and attributable interest.

The Group has adopted the provisions of para 46 / 46A of AS 11 (The Effects of Changes in Foreign Exchange Rates), accordingly, exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable property, plant and equipment are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

b. Intangible:

Acquired intangible assets other than Goodwill are measured at cost less amortisation.

Goodwill is stated at cost. Goodwill comprises the portion of a purchase price for an acquisition that exceeds the market value of the identifiable assets, with deductions for liabilities, calculated on the date of acquisition.

Expenses on software support and maintenance are charged to the Statement of Profit and Loss during the year in which such costs are incurred.

c. Capital work -in- progress :

Projects under which tangible fixed assets are not yet ready for their intended use are carried at cost, comprising direct costs, related incidental expenses and attributable interest.

d. Intangible assets under development:

Expenditure on development eligible for capitalisation is carried as Intangible assets under development where such assets are not yet ready for their intended use.

ix. Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of Building, Computer Equipment, networking assets, electrical installation and equipments and Vehicles, in whose case the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, etc.

Purchased software/licenses are amortised over the period the benefits are expected to accrue, while Goodwill is tested for impairment at each Balance Sheet date. An impairment loss is recognised if the carrying amount of Goodwill exceeds its recoverable amount.

All capital assets with individual value less than ₹ 5,000 are depreciated fully in the year in which they are purchased.

Estimated useful lives considered by the Group are:

Asset	Estimated Useful Life	As per Schedule II
Leasehold Improvements	As per lease period	As per lease period
Construction Equipment	Leased : 3 to 15 years	15 years
Furniture & Fixtures	Owned : 10 years	10 years
	Leased : 3 to 7 years	
Computer Equipment	Owned : 3 to 4 years	3 years
	Leased: 2 to 4 years	
Office Equipment	Owned : 5 years	5 years
	Leased : 3 to 5 years	
Vehicles	Owned : 4 years	6 years
	Leased : 1 to 5 years	
Software Licenses	Owned : 1 to 10 years	10 years
	Leased : 1 to 3 years	
Buildings	25 years	60 years
Plant & Machinery	Owned : 10 years	15 years
	Leased : 2 to 15 years	
Railway Wagons	Leased : 6 years	15 years
Electrical Installation & Equipments	Leased : 3 to 6 years	10 years
Networking Assets	Leased : 2 to 4 years	6 years
Trading Rights in BSEL	Over a period of 10 years	10 years

x. Impairment of Assets

At each Balance Sheet date, the Group reviews whether there is any indication of impairment of an asset. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss.

Recoverable amount of the asset is the higher of an asset's net selling price and value in use.

In assessing the value in use, the estimated future cash flow expected from continuing use of the asset and from its disposal is discounted to its present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risk specific to the asset. If the recoverable amount of an asset is estimated to be less than the carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss. After impairment, depreciation is provided on the revised carrying amount of the asset over their remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased above the lower of the recoverable amount and the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

xi. Borrowing costs

Ancillary costs in the nature of loan processing charges and debenture issue expenses are amortised over the tenor of the loan/debenture from the month in which the Group has incurred the expenditure.

xii. Loan sourcing costs

Loan sourcing costs are amortised over the average tenor of the loan which varies based on products financed.

xiii. Share issue expenses

Share issue expenses are adjusted against the Securities Premium Account as permissible under Section 52 of the Companies Act, 2013, to the extent balance is available for utilisation in the Securities Premium Account. Share issue expenses in excess of the balance in the Securities Premium Account are expensed in the Statement of Profit and Loss.

xiv. Employee Benefits

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences and long-term service awards.

a. Defined contribution plans

The eligible employees of the Group are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Group make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss in the year in which they occur. The contributions as specified under the law are paid to the provident fund set up as irrevocable trust by the Company for participating subsidiaries and for other subsidiaries, the contributions are paid to the provident fund administered by the Regional Provident Fund Commissioner. The Group is generally liable for annual contributions and any deficiency in interest cost compared to interest computed based on the rate of interest declared by the Central Government under the Employees' Provident Fund Scheme, 1952 is recognised, as an expense in the year it is determined.

The Group's contribution to superannuation fund is considered as defined contribution plan and are charged as an expense in the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.

b. Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the year in which they occur. Past service cost is

recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

c. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the year in which the employees render the related service.

The cost of short-term compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

d. Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the year in which the employees render the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long-term service awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

xv. Employees Share Purchase / Option Scheme

As per the Guidance Note on Accounting for Employee Share-based Payments issued by The Institute of Chartered Accountants of India ("ICAI"), the Company has adopted the intrinsic value method in accounting for the Employee Stock Purchase Scheme offered by the Company.

xvi. Share Based Payment Transactions

Equity settled stock options granted to employees pursuant to the Group's stock option schemes are accounted for as per the intrinsic value method prescribed by Employee Stock Option Scheme as per the Guidance Note on Share Based Payment issued by the ICAI. The intrinsic value of the option, being excess of market value of the underlying share at the date of grant of option, over its exercise price is recognised as deferred employee compensation with a credit to Employee Stock Options Outstanding Account. The deferred employee compensation is amortized to Statement of Profit and Loss on straight-line basis over the vesting period of the option. In case of forfeiture of option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In a situation where the stock option expires unexercised, the related balance standing to the credit of the Employees Stock Options Outstanding Account is transferred to the General Reserve.

xvii. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Group has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised

but disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

xviii. Leases

Leases are classified as operating leases where significant portion of risks and reward of ownership of assets acquired under lease is retained by the lessor. Leases of assets under which substantially all of the risks and rewards of ownership are effectively retained by the lessee are classified as finance lease.

xix. Foreign currency transactions and translations

Accounting of forward contracts :

Premium/discount on forward exchange contracts, which are not intended for trading or speculation purposes, are amortised over the period of the contracts if such contracts relate to monetary items as at the Balance Sheet date.

Initial recognition :-

Transactions in foreign currencies entered into by the Group are accounted at the exchange rates prevailing on the date of the transactions or at rates that closely approximate the rate on the date of the transactions.

Settlement of Transactions :-

Gains and losses resulting from the settlement of such transactions are recognised in the Statement of Profit and Loss.

Measurement at the Balance Sheet date :-

- (a) Foreign currency monetary items (other than derivative contracts) of the Group, outstanding as at the Balance Sheet date are restated at the year-end rates. Non-monetary items of the Group are carried at historical cost.
- (b) Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the Balance Sheet date and the exchange gains or losses are recognised in the Statement of Profit and Loss. Exchange differences arising on a monetary item that, in substance, form part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.
- (c) The exchange differences arising on settlement / restatement of long-term foreign currency monetary items are capitalised as part of the depreciable fixed assets to which the monetary item relates and depreciated over the remaining useful life of such asset.
- (d) For the purpose of consolidation, income and expenses are translated at average rates and the assets and liabilities are stated at closing rate. The net impact of such change is accumulated in 'Foreign Currency Translation Reserve Account'.

xx. Derivative Contracts

The Group enters into derivative contracts in the nature of forward contracts with an intention to hedge its existing assets and liabilities. Derivative contracts which are closely linked to the existing assets and liabilities are accounted as per the policy stated for foreign currency transactions and translations. All other derivative contracts are marked-to-market and losses are recognised in the Statement of Profit and Loss. Gains arising on the same are not recognised, until realised, on grounds of prudence.

xxi. Taxation

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax corresponds to the net effect of tax on all timing differences, which occur as a result of items being allowed for income tax purposes during a year different from when they were recognised in the financial statements.

Deferred tax is recognised on the timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Group has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

Minimum Alternate Tax (MAT) under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

Goods & Service tax input credit is accounted for in the books in the year in which the underlying goods or service are received and paid and there is reasonable certainty in availing / utilizing the credits

xxii. Business segment

The Group's reportable segments consist of Financing, Investments and Others and one geographic segment viz India. Financing consists of asset financing, housing finance, term loans (corporate and retail), channel financing, credit substitutes, investments linked to / arising out of lending business and bill discounting. Investments consist of corporate investments and treasury activities. Others primarily include advisory services, wealth management, travel and tourist related services, broking services and distribution of financial products.

Revenue and expense directly attributable to segments are reported under each reportable segment. Expenses not directly identifiable to each of the segments have been allocated to each segment on the basis of associated revenues of each segment. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses.

Assets and liabilities that are directly attributable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

xxiii. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

xxiv. Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the year, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each year presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

xxv. Assets held for sale

An asset is classified as held for sale if its carrying amount will be recovered or settled principally through a sale transaction rather than through continuing use. Assets classified as held for sale are measured at the lower of carrying amount and fair value. In the event an asset held for sale is acquired in settlement of an existing claim or existing asset, it is initially recorded in the books at its fair value or value of the asset given up, whichever is better determined. Impairment losses on initial classification as held for sale and losses on subsequent re-measurements are included in the Statement of Profit and Loss. No depreciation is charged on assets classified as held for sale.

xxvi. Securitised/Assignment Loans and Securitisation/Assignment Liabilities

Securitised/ Assigned assets are derecognised, if and only if, the Company loses control of the contractual rights that comprise the corresponding pools or mortgages transferred. Transfers of pools of mortgages under the current programs involve transfer of proportionate shares in the pools of mortgages. Such transfers result in de-recognition only of that proportion of the mortgages as meet the de-recognition criteria. The portion retained by the Group continue to be accounted for as loans as described above. As stated in the Guidance Note on Accounting for Securitisation issued by the Institute of Chartered Accountants of India, on de-recognition, the difference between the book value of the securitised/ assigned asset and consideration received is recognised as gain arising on securitization/ assignment in the Statement of Profit and Loss over the balance maturity period of the pool transferred. Losses, if any, arising from such transactions, are recognised immediately in the Statement of Profit and Loss.

xxvii. Dividend (including dividend distribution tax)

Interim dividend declared to equity and / or preference shareholders, if any, is recognised as liability in the period in which the said dividend has been declared by the Directors. Final proposed dividend declared to equity and / or preference shareholders, if any, is recognised in the period in which the said dividend has been approved by the Shareholders.

NOTE "34" : EMPLOYEE BENEFITS

Defined Contribution Plans

The Group makes Provident Fund and Superannuation Fund contributions to defined contribution retirement benefit plans for eligible employees. Under the schemes, the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions as specified under the law are paid to the provident fund set up as a Trust by the Group. The Group is generally liable for annual contributions and any deficiency in interest cost compared to interest computed based on the rate of interest declared by the Central Government under the Employees' Provident Fund Scheme, 1952 is recognised, as an expense in the year it is determined.

The provident fund set up as a Trust by the Group manages the contributions from the Group and other participating subsidiaries. As of March 31, 2018, the accumulated members' corpus of the Group is ₹ 20,658 lakh whereas the total fair value of the assets of the fund and the total accumulated members' corpus is ₹ 21,026 lakh and ₹ 20,658 lakh respectively. In accordance with an actuarial valuation, there is no deficiency in the interest cost as the present value of the expected future earnings on the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of 8.55%. The actuarial assumptions include discount rate of 7.70%.

The Group recognised a charge of ₹ 1,816 lakh (Previous year ₹ 1,718 lakh) for provident fund and family pension fund contribution and ₹ 205 lakh (Previous year ₹ 191 lakh) for Superannuation fund contribution in the Statement of Profit and Loss.

Defined Benefits Plans

The Group offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (generally immediately before separation). The gratuity scheme covers all regular employees. Commitments are actuarially determined at the year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial valuation is done based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the Statement of

Profit and Loss.

NOTE “40” : DERIVATIVE INSTRUMENTS EXPOSURES AND UNHEDGED FOREIGN CURRENCY TRANSACTION :

There are no derivative positions open as at March 31, 2018 (Previous Year : Nil) towards Forward Contracts (payment for Capital Expenditure).

Forward exchange contracts (being derivative instrument), which are not intended for trading or speculation purposes but for hedge purposes to establish the amount of reporting currency required or available at the settlement date at certain payables and receivables.

The value of a unhedged foreign currency transaction for purchase of Operating Lease asset as on March 31, 2018 is ₹37 lakh.

NOTE “41” :

Investments in bonds, debentures and other financial instruments which, in substance, form a part of the Group’s financing activities (“Credit Substitutes”) have been classified under Loans and Advances – Financing Activity (Note 15). In the past these were classified as a part of Investments (Note 13). Management believes that the current period’s classification results in a better presentation of the substance of these receivables and is in alignment with regulatory filings.

NOTE “42” :

To comply with the RBI Master Direction DNBR - PD 008/03.10.119/2016-17 - RBI/DNBR/2016-17/45 dated September 01, 2016, the Group has made an incremental standard asset provision of ₹ 1,718 lakh (Previous year : ₹ 1,444 Lakh) being 0.05% (CY 17-18 0.40%, PY 16-17 0.35%) of Standard Assets as of March 31, 2017.

NOTE “43” :

During the previous year, the Group changed its accounting policy with respect to amortisation of deferred revenue expenditure for share issue expenses. The Group now charges off the share issue expenses against amount standing to the credit of the Securities Premium Account. Prior to this change, the Group amortised the said share issue expenses over a period of 36 months from the month in which the expenses were incurred. The change in accounting policy is in accordance with the provisions of Section 52 of the Companies Act 2013 and it would result in a more appropriate presentation of financial statements of the Group.

On account of the change in the accounting policy, the profit before tax of the Group was higher by ₹ 553 lakh (net of taxes, as applicable) for the year ended March 31, 2017 and deferred revenue expenditure was lower by ₹ 616 lakh (net of taxes, as applicable) as on March 31, 2017.

NOTE “44” :

During the previous year, the Company had written off ₹ 13,537 Lakh from the carrying value of investments in subsidiaries, in its Statement of Profit and Loss. The Shareholders of the Company at their meeting held on July 22, 2016 approved a Reduction of Share Capital (Securities Premium Account) in accordance with Section 52 of the Companies Act, 2013 read with Sections 100 to 103 of the Companies Act, 1956. The Hon’ble High Court of Judicature at Bombay approved the said arrangement by way of order dated September 08, 2016 which was filed with the Registrar of Companies on September 28, 2016. Pursuant to the order, the Company has credited its Statement of Profit and Loss for the year ended March 31, 2017 by appropriating an amount of ₹ 13,537 lakh, being the aggregate amount of aforementioned write off (net of taxes as applicable) from the amount standing to the credit of Securities Premium Account.

NOTE “45” :

During the previous year ended March 31, 2017, Tata Capital Financial Services Limited (“TCFSL”), a wholly-owned subsidiary of the Company, had in its Statement of Profit and Loss provided/written off certain amounts comprising carrying value of investments acquired in settlement of claim, goodwill, loans

and credit substitutes and investment. The Shareholders of TCFSL at their meeting held on June 24, 2016 approved a Reduction of Share Capital (Securities Premium Account) in accordance with Section 52 of the Companies Act, 2013 read with Sections 100 to 103 of the Companies Act, 1956. The Hon'ble High Court of Judicature at Bombay approved the said arrangement by way of order dated August 5, 2016 which was filed with the Registrar of Companies on August 26, 2016. Pursuant to the order, TCFSL had credited its Statement of Profit and Loss for the year ended March 31, 2017 by appropriating an amount of ₹ 40,558 lakh, being the aggregate amount of (i) investments acquired in settlement of claim written off ₹ 14,318 lakh, (ii) goodwill written off ₹ 7,804 lakh, (iii) loans and credit substitutes provided ₹ 31,789 lakh and (iv) marked to market loss on current investment provided ₹ 349 lakh (net of taxes as applicable) from the amount standing to the credit of Securities Premium Account.

NOTE "46" :

In the consolidated financial statements for the financial year ended March 31, 2017 the net impact of ₹ 32,332 lakh had been appropriated from the surplus of profit and loss account. The aforementioned amount, being the aggregate amount of (i) Provisions and write offs made under the arrangement described in Note 45 ₹ 40,558 lakh ; (ii) Goodwill on consolidation written off ₹ 5,515 lakh ; (iii) Reversal of Goodwill on acquisition of sub-broker network ₹ 204 lakh ; (iv) Reversal of write off of subsidiaries charged through Securities Premium account by the Company ₹ 13,537 lakh.

The disclosures that are made in Notes 44 and 45 by the Group are pursuant to the Institute of Chartered Accountant of India's guidance on disclosures relating to court order.

NOTE "47" :

The Group has assessed its obligations arising in the normal course of business, proceedings pending with tax authorities and other contracts including derivative and long term contracts. In accordance with the provisions of Accounting Standard - 29 on 'Provisions, Contingent Liabilities and Contingent Assets', the Group recognises a provision for material foreseeable losses when it has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure to this effect is made as contingent liabilities in the financial statements. The Group does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

NOTE "48" :

The Hon'ble High Courts of Judicature at Madras and Bombay respectively sanctioned the Scheme of Amalgamation of Tata Infrastructure Capital Limited ("TICL") and India Collections Management Limited ("ICML") with the Company on March 21, 2016 and April 22, 2016, respectively. The filing of the authenticated copy of the Order of the Hon'ble High Courts of Madras and Bombay with the Registrars of Companies at Chennai and Mumbai, respectively, has taken place on May 09, 2016 and May 16, 2016, respectively. As a result, the said Scheme of Amalgamation is effective from May 16, 2016 with an Appointed Date of April 01, 2015.

On the scheme becoming effective, the Assets and Liabilities of TICL and ICML have been transferred to the Company. The Amalgamation has been accounted under the "Pooling of Interest Method" as per Accounting Standard 14 "Accounting on Amalgamations". Since TICL and ICML were wholly-owned subsidiaries of the Company, all the shares held by the Company in TICL and ICML have been cancelled. The excess of assets over liabilities and reserves of ₹ 93 lakh has been recorded as Capital Reserve in the Holding Company's financial statements as per the Scheme of Amalgamation. The above Scheme does not have any impact on the consolidated financial statements.

Since the Appointed Date of the said Scheme of Amalgamation was with effect from April 01, 2015, and the filing with the Registrar of Companies at Chennai and Mumbai was executed after the adoption of annual Financial Statements of the Company for the financial year 2015-16, the profit of the respective subsidiaries for Financial Year 2015-16 amounting to ₹ 33 lakh, net of effect of taxation amounting to ₹ 17 lakh, has been adjusted along-with retained earnings.

NOTE “49” :

During the year ended March 31, 2018, the Group has re-assessed the useful life of its leased assets and has changed the life of the assets given on operating lease. As a result of the change in the useful life of the asset, depreciation for year ended March 31, 2018 is higher by ₹ 8,145 lakh.

NOTE “50” :

During the year ended March 31, 2018, the Company has sold 10,933,969 equity shares translating to 100% stake in Tata Capital Forex Limited for a consideration of ₹ 12 cr to TC Tours on October 30, 2017. During the year ended March 31, 2018, the Company has sold 25,000,000 equity shares translating to 100% stake in TC Travel and Services Limited for a consideration of ₹ 3 cr to Thomas Cook on October 30, 2017.

NOTE “51” :

During the year year ended March 31, 2018, the Company has sold 4,054,048 equity shares translating to 4.43% stake in Tata Business Support Services Limited for a consideration of ₹ 12.8 cr to Qess Corp Limited on November 27, 2017.

NOTE “52” :

The figures for the year ended March 31, 2017 were audited by previous statutory auditors.

NOTE “53” :

Standalone Financial Statements

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF TATA CAPITAL LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of **TATA CAPITAL LIMITED** (the "Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statement in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements, and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We are also responsible to conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify the opinion. Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause an entity to cease to continue as a going concern.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018 and its profit and its cash flows for the year ended on that date.

Other matter

The comparative financial information of the Company for the year ended March 31, 2017 as included in these standalone financial statements have been audited by the predecessor auditor who had audited the standalone financial statements for the year ended March 31, 2017. The report of the predecessor auditor on the comparative standalone financial information dated May 4, 2017 expressed an unmodified opinion. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (the 'Order'), issued by the Central Government in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a Standalone statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer note 26 to the standalone financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivatives contracts – Refer Note 42 to the standalone financial statements;

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (the ‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

TATA CAPITAL LIMITED**SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS****1 CORPORATE INFORMATION**

Tata Capital Limited (the "Company" or "TCL") is a subsidiary of Tata Sons Limited. In May 2012, TCL was registered with the Reserve Bank of India ("RBI") as a Core Investment Company ("CIC").

As a CIC, TCL is primarily a holding company, holding investments in its subsidiaries and other group companies and carries out only such activities as are permitted under the guidelines issued by the RBI for CICs. The Company's subsidiaries are engaged in a wide array of businesses in the financial services sector.

2 SIGNIFICANT ACCOUNTING POLICIES**i. Basis of accounting and preparation of the financial statements**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India ("Indian GAAP") to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, ("the Act"), and the relevant provisions of the Act as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. Further, the Company follows the Directions issued by the RBI for CICs and Non-Banking Financial Companies ("NBFC's") as applicable. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Current assets do not include elements which are not expected to be realised within one year and current liabilities do not include items which are due after one year.

ii. Operating Cycle

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iii. Use of Estimates

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities, and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The Management believes that the estimates used in preparation of the financials statements are prudent and reasonable. Future results could differ from these estimates. Any revision to the accounting estimates is recognised prospectively in the current and future periods. Estimates include provisions for doubtful debts and advances, employee benefit plans, provision for income taxes and provision for diminution in the value of investments.

iv. Revenue recognition**a. Income from Non-current and Current Investments**

Income from dividend on shares of corporate bodies and units of mutual funds, is accounted when received, pursuant to Core Investment Companies (Reserve Bank) Directions, 2016, issued on August 25, 2016.

Interest income on bonds and debentures is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Distribution by Private Equity Funds, is accounted when received.

b. Income on Inter-corporate deposits

Interest income on inter-corporate deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

c. Income from Services

Fees for financial advisory services are accounted based on stage of completion of assignments, when there is reasonable certainty of their ultimate realisation.

Income from property management is recognised on a straight-line basis to the extent that rental income is deemed collectible.

Income from managerial and marketing services is accounted on cost plus markup basis as and when the underlying costs are incurred. Reimbursement of expenses incurred for rendering the services are reduced from such expense heads.

Income from Private Equity assets under management are recognised as contracted under investment management agreement with each Private Equity Fund.

v. Provisions for standard assets

The Company provides an allowance for inter-corporate deposits and debentures in the nature of advances based on the prudential norms issued by the RBI relating to income recognition, asset classification and provisioning.

vi. Investments

Investments are classified into non-current investments and current investments.

a. Non-Current investments

Non-Current investments are investments intended to be held for a period of more than a year. Non-Current investments are carried individually at cost. Provision for diminution is made to recognise a diminution, other than temporary, in the value of such investments.

Investments in Subsidiary Companies are classified as Trade Investments. Non-Current Investments made by the Company in equity shares, preference shares or debentures in its associates or any other entities primarily intended to fulfill its business objective are also classified as Trade Investments. It is intended to hold these to further the long-term interests of the Company and not for the purpose of frequent selling / trading of these investments.

b. Current investments

Current investments are investments intended to be held for a period of less than a year. Current Investments are stated at the lower of cost and the market value, determined on an individual investment basis.

vii. Property, plant and equipment

a. Tangible

Tangible property, plant and equipment acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any.

The acquisition cost includes any cost attributable for bringing asset to its working condition, which comprises of purchase consideration, other directly attributable costs of bringing the assets to their working condition for their intended use and attributable interest.

b. Intangible

Acquired intangible assets other than Goodwill are measured at cost less amortisation. Expenses on software support and maintenance are charged to statement of Profit and Loss during the year in which such costs are incurred.

c. Capital work-in-progress

Tangible property, plant and equipment which are not yet ready for their intended use are carried at cost, comprising direct cost (excluding refundable taxes), related incidental expenses and attributable interest.

viii. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on tangible property, plant and equipment is provided using the straight-line method in accordance with the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of Buildings, Vehicles, Plant and

Machinery and Computer Equipment in whose case, the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, etc. The following table sets out the estimated useful lives considered by the Company:

Asset	Estimated useful life	As per Schedule II
Building	25 years	60 years
Plant and Machinery	10 years	15 years
Computer Equipment	4 years	3 years
Furniture and Fixtures	10 years	10 years
Office Equipment	5 years	5 years
Vehicles	4 years	6 years

All capital assets with individual value less than ₹ 5,000 are depreciated fully in the year in which they are purchased.

ix. Impairment of Assets

At each Balance Sheet date, the Company reviews whether there is any indication of impairment of asset. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss.

Recoverable amount of the asset is the higher of an asset's net selling price and value in use. In assessing the value in use, the estimated future cash flow expected from continuing use of the asset and from its disposal is discounted to its present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risk specific to the asset. If the recoverable amount of an asset is estimated to be less than the carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased above the lower of the recoverable amount and the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

x. Share issue expenditure

Share issue expenses are adjusted against the Securities Premium Account as permissible under Section 52 of the Companies Act, 2013, to the extent balance is available for utilisation in the Securities Premium Account. Share issue expenses in excess of the balance in the Securities Premium Account is expensed in the Statement of Profit and Loss.

xi. Deferred revenue expenditure

Ancillary costs in the nature of loan processing charges and debenture issue expenses are amortised over the tenor of the loan/debenture from the month in which the Company has incurred the expenditure.

xii. Employee Benefits

Employee Benefits include provident fund, superannuation fund, gratuity fund, compensated absences and long service awards.

a. Defined-contribution plans

The eligible employees of the Company are entitled to receive benefits under provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary, of which Company's contribution of 12% is recognised as expenses in the Statement of Profit and Loss in the year in which they occur. The contributions as specified under the law are paid to the provident fund set up as irrevocable trust by the Company. The Company is generally liable for annual contributions and any deficiency in interest cost compared to interest computed based on the rate of interest declared by the Central Government under the Employees' Provident Fund Scheme, 1952 is recognised, as an expense in the year it is determined

The Company's contribution to the superannuation fund is considered as a defined contribution plan and is charged as an expense in the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees.

b. Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the year in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

c. Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the year in which the employees render the related service. The cost of short-term compensated absences is accounted as under :

- in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- in case of non-accumulating compensated absences, when the absences occur.

d. Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the year in which the employees render the related service are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long-term Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the Balance Sheet date.

xiii. Employees Share Purchase / Option Scheme

As per Guidance Note on Accounting for Employee Share-based Payments issued by The Institute of Chartered Accountants of India ("ICAI"), the Company has adopted the intrinsic value method in accounting for the Employee Stock Purchase Scheme offered by the Company.

xiv. Share Based Payment Transactions

Equity settled stock options granted to employees pursuant to the Company's stock option schemes are accounted for as per the intrinsic value method prescribed by Employee Stock Option Scheme as per the Guidance Note on Share Based Payment issued by ICAI. The intrinsic value of the option, being excess of market value of the underlying share at the date of grant of option, over its exercise price is recognised as deferred employee compensation with a credit to Employee Stock Options Outstanding Account. The deferred employee compensation is amortised to Statement of Profit and Loss on straight-line basis over the vesting period of the option. In case of forfeiture of option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In a situation where the stock option expires unexercised, the related balance standing to the credit of the Employees Stock Options Outstanding Account is transferred to the General Reserve.

xv. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation,

in respect of which reliable estimate can be made. Provisions (excluding long-term employee benefits) are not discounted to their present values and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised but disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

xvi. Leases

Leases of assets under which substantially all of the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Income is recognised on a straight-line basis over the lease period.

xvii. Foreign currency transactions and translations

a. Initial recognition

Transactions in foreign currencies entered into by the Company are accounted at the exchange rates prevailing on the date of the transactions or at rates that closely approximate the rate at the date of the transactions.

b. Settlement of Transactions

Gains and losses resulting from the settlement of such transactions are recognised in the Statement of Profit and Loss.

c. Measurement at the Balance Sheet date

Foreign currency monetary items (other than derivative contracts), outstanding at the Balance Sheet date are restated at the closing rates. Non-monetary items are carried at historical cost.

xviii. Taxation

a. Income Tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax corresponds to the net effect of tax on all timing differences, which occur as a result of items allowed for income tax purposes during a year being different from when they were recognised in the financial statements.

Deferred tax is recognised on the timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

b. Goods and Service Tax

Goods & Service tax input credit is accounted for in the books in the year in which the underlying service received is accounted and when there is reasonable certainty in availing / utilizing the credits.

c. Minimum Alternate Tax

Minimum Alternate Tax (MAT) under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

xix. Business segment

The Company's reportable segments consist of Investments, Advisory Services and Others and one Geographical Segment viz. India, as secondary segment. Investments consist of corporate investments and treasury activities. Advisory Services consists of investment management and support services activities and Others include property management services and managerial and marketing services.

Revenues and expenses directly attributable to segments are reported under each reportable segment. All other expenses which are not attributable to the segments have been disclosed as unallocable expenses.

Assets and liabilities that are directly attributable to segments are disclosed under each reportable segment. All other assets and liabilities are disclosed as unallocable.

xx. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xxi. Earnings Per Share

Basic earnings per share is computed by dividing the profit after tax available for equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax available for equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the year, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each year presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

xxii. Assets held for sale

An asset is classified as held for sale if its carrying amount will be recovered or settled principally through a sale transaction rather than through continuing use. Assets classified as held for sale are measured at the lower of carrying amount and fair value. In the event an asset held for sale is acquired in settlement of an existing claim or existing asset, it is initially recorded in the books at its fair value or value of the asset given up, whichever is better determined. Impairment losses on initial classification as held for sale and losses on subsequent re-measurements are included in the Statement of Profit and Loss. No depreciation is charged on assets classified as held for sale.

xxiii. Dividend (including Dividend Distribution Tax)

Interim dividend declared to equity and / or preference shareholders, if any, is recognized as liability in the period in which the said dividend has been declared by the Directors. Final proposed dividend declared to equity and / or preference shareholders, if any, is recognized as liability in the period in which the said dividend has been approved by the Shareholders.

NOTE “29” : EMPLOYEE BENEFITS**Defined Contribution Plans**

The Company makes Provident Fund and Superannuation Fund contributions to defined contribution retirement benefit plans for eligible employees. Under the schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions as specified under the law are paid to the provident fund set up as a Trust by the Company. The Company is generally liable for annual contributions and any deficiency in interest cost compared to interest computed based on the rate of interest declared by the Central Government under the Employees’ Provident Fund Scheme, 1952 is recognised, as an expense in the year it is determined.

The provident fund set up as a Trust by the Company manages the contributions from the Company and other participating subsidiaries. As of March 31, 2018, the accumulated members’ corpus of the Company is ₹ 4,646 lakh whereas the total fair value of the assets of the fund and the total accumulated members’ corpus is ₹ 21,026 lakh and ₹ 20,658 lakh respectively. In accordance with an actuarial valuation, there is no deficiency in the interest cost as the present value of the expected future earnings on the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of 8.55%. The actuarial assumptions include discount rate of 7.70%.

The Company recognised a charge of ₹ 177 lakh (Previous year ₹ 162 lakh) for provident fund and family pension fund contribution and ₹ 81 lakh (Previous year ₹ 73 lakh) for Superannuation contribution, in Statement the Profit and Loss.

Defined Benefits Plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount). Benefits under the defined benefit plans are typically based on years of service and the employee’s compensation (generally immediately before separation). The gratuity scheme covers all regular employees. Commitments are actuarially determined at the year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial valuation is done based on “Projected Unit Credit” method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss.

38. The Company has made an incremental standard asset provision of ₹ 89 lakh, being 0.40% (FY16-17: 0.35%) of Standard Assets, as of March 31, 2018, as specified by RBI Notification No. DNBR.PD. 003/03.10.119/2016-17 dated August 25, 2016 (Updated as on November 09, 2017)).

39. During Financial Year 2016-17, the Company had written off ₹ 13,537 Lakh from the carrying value of investments in subsidiaries, in its Statement of Profit and Loss. The Shareholders of the Company at its meeting held on July 22, 2016 had approved a Reduction of Share Capital (Securities Premium Account) in accordance with Section 52 of the Companies Act, 2013 read with Sections 100 to 103 of the Companies Act, 1956. The Hon'ble High Court of Judicature at Mumbai had approved the said arrangement by way of order dated September 08, 2016 which was filed with the Registrar of Companies on September 28, 2016.

Pursuant to the order, the Company had credited its Statement of Profit and Loss for the year ended March 31, 2017 by appropriating an amount of ₹ 13,537 lakh being the aggregate amount of aforementioned write off (net of taxes as applicable) from the amount standing to the credit of Securities Premium Account.

40. During the Financial Year 2017-18, the Company has sold 1,09,33,969 equity shares representing 100% stake in Tata Capital Forex Limited for a consideration of ₹ 1200 lakh to Thomas Cook on October 30, 2017, and has sold 2,50,00,000 equity shares representing 100% stake in TC Travel and Services Limited for a consideration of ₹ 300 lakh to TC Tours on October 30, 2017.

41. During the Financial Year 2017-18 the Company has sold 40,54,048 equity shares translating to 4.43% stake in Tata Business Support Services Limited for a consideration of ₹ 1,283 lakh to Qness Corp Limited on November 27, 2017.

42. The Company has assessed its obligations arising in the normal course of business, proceedings pending with tax authorities and other contracts including derivative and long term contracts. In accordance with the provisions of Accounting Standard - 29 on 'Provisions, Contingent Liabilities and Contingent Assets', the Company recognises a provision for material foreseeable losses when it has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. In cases where the available information indicates that the loss on the contingency is reasonably possible but the amount of loss cannot be reasonably estimated, a disclosure to this effect is made as contingent liabilities in the financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

43. Figures for the previous year have been regrouped wherever necessary to correspond with the current year classification / disclosure.
