- Notes:
- The market value of Rs. 103 lakhs of the building is on the basis of valuation done for March 31, 2022.
  - Receivables under financing activities consist of loans which are carried at amortised cost. The business model for managing these loans is "hold to collect" cash flows that are solely principal and interest. Accordingly these loans are not fair valued and the book value of loans (after netting of impairment) are considered as the value of security for the purposes of this certificate.
  - The Company has not disclosed market values for trade receivables because their carrying amounts are a reasonable approximation of market value.

**Independent Auditor's Review Report on Unaudited Quarterly Standalone Financial Results and Year to Date Financial Results of Tata Capital Financial Services Limited Pursuant to Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

**To the Board of Directors of Tata Capital Financial Services Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Tata Capital Financial Services Limited ('the NBFC') for the quarter ended 30 September 2022 and the year to date results for the period 1 April 2022 to 30 September 2022 ('the Statement'), being submitted by the Company pursuant to the requirements of Regulation 52 of the Securities and Exchange Board of India ('SEBI') (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('the Listing Regulations').
2. The Statement, which is the responsibility of the NBFC's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), the circulars, guidelines and directions issued by the Reserve Bank of India ('the RBI') from time to time, applicable to the NBFC ('the RBI guidelines') and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement, or that it has not been prepared in accordance with the relevant prudential norms issued by the RBI in respect of income recognition, asset classification, provisioning, to the extent applicable to the NBFC, and other related matters.

5. The review of unaudited quarterly standalone financial results and year-to-date financial results for the period ended 30 September 2021, included in the Statement was carried out and reported by BSR & Co. LLP who has expressed unmodified conclusion vide their review report dated 21 October 2021, whose review report has been furnished to us and which has been relied upon by us for the purpose of our review of the Statement. Our conclusion is not modified in respect of this matter.
