

TATA CAPITAL HOUSING FINANCE LIMITED
Annual Report 2014-15

DIRECTORS' REPORT

TO THE MEMBERS OF TATA CAPITAL HOUSING FINANCE LIMITED

The Directors have pleasure in presenting their Seventh Annual Report and the Audited Financial Statements for the Financial Year ("FY") ended March 31, 2015.

1. BACKGROUND

Tata Capital Housing Finance Limited ("Company" or "TCHFL"), is a wholly owned subsidiary of Tata Capital Limited ("TCL") and is registered with the National Housing Bank ("NHB") to carry on housing finance activities. The Company offers a range of Housing Loans and Loans against Property to various segments of society such as salaried individuals, self employed individuals, self employed professionals, corporates, etc. and has been focusing on business opportunities available within the Tata ecosystem.

Apart from Housing Loans and Loans against Property to the retail segment, TCHFL also provides project finance loans to developers. The Company intends to keep growing its business at a healthy rate with Rural and Affordable Housing Finance, as one of its focus areas.

2. INDUSTRY AND ECONOMIC SCENARIO

The Central and State elections were a mixed bag. India has a single party majority at the Centre after a long time, resulting in high policy intent, but, moderate action due to constraints. The Government's recent usage of the ordinance route to pass reforms in key issues such as land acquisition, coal auctions, mining and Foreign Direct Investment in insurance, reflects its conviction behind reforms and willingness to act outside of conventional avenues. The Government's flagship initiative 'Make in India' aims to promote manufacturing, which currently constitutes approximately 18% of the GDP versus a targeted 25%. India's unique combination of democracy, demography and demand would also help make it a suitable manufacturing destination.

India's growth story got a boost with the rebasing of GDP data. Based on the new series, the real GDP growth stands at 7.4% in FY 2015 and 6.9% in FY 2014 i.e. approximately 180 bps higher than earlier estimates. While the data shows that growth recovery has been swift and substantial, several on-ground indicators like growth in industrial output, credit and net tax revenues, suggest that activity is still sub-par. Even within the revised GDP data, fixed capital formation has been weak at 4% YOY, in FY 2015.

The housing finance market in India is growing fast over last 25 years and is served by multiple institutions that cater to people in diverse geographies and across income spreads. Mortgage lending has significantly contributed to the growth in housing construction and housing consumption activities.

The home loan industry is expected to grow at a compounded annual growth rate of 16.2% from FY 2012-13 to FY 2015-16 on a large base of ₹ 6.3 trillion. Mortgage penetration in India, despite a rising trend, is still quite low not only relative to advanced economies but even relative to its peers like Malaysia, Korea, Thailand and China. Mortgage to GDP ratio in India is currently only 9%. This implies a huge growth opportunity for the sector as also for the Company. As per estimates, the total outstanding mortgages in India will increase 8 fold with Mortgage to GDP ratio increasing to 20%, by FY 2020.

Most of the growth in the Housing Finance sector took place in upper and middle income groups. Low income groups still have little access to Housing Finance. The Government is working to achieve housing for all by 2022. Government focus on affordable housing and increasing penetration in Tier II and III towns by Housing Finance Company ("HFC") likely to fuel next leg of growth. New drivers of growth are low ticket housing and self employed segment. The medium and long-term demand for residential housing is likely to remain strong led by buoyant economic growth, resulting in better job prospects, job security and enhanced affordability of houses and increased finance penetration. Any increase in population directly impacts demand for housing units and, through this, floor space area requirements. As per CRISIL Research, urbanization will accelerate, translating into a Compounded Annual Growth Rate of 2.0-2.5% in urban population between 2010 and 2015, as compared to the overall population growth of 1.3 per cent during the same period. This difference in growth rates implies that the gap between urban and rural population will narrow. Finance penetration is expected to increase to 43% in urban areas and 8.8% in rural areas by FY 2015-16.

HFC have advantage of domain expertise, regulatory advantages (No CRR or SLR), NHB refinancing support and low cost income ratio model.

The year ahead will be challenging on the interest rate front. Against the above backdrop, the Company will continue to follow its strategy of maintaining a balanced housing loan book between the salaried and self-employed segment and grow its disbursements significantly to become one of the major players among the HFCs over the next few years.

Risk Management is an integral part of the Company's business strategy. The Risk Management oversight structure includes Committees of the Board and senior management committees. The Board sets and approves the strategic plans and objectives for risk management and risk philosophy. The Board of Directors have adopted a Risk Management Policy.

The Risk Management Committee of the Board assists the Board in its oversight of various risks including credit risk, operational risk, market risk, liquidity risk, etc. The Committee approves and reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure related to specific issues and provides oversight of risk across the organization. The Committee nurtures a healthy and independent risk management function to inculcate strong risk management culture in the Company. The risk management process is governed by an enterprise wide risk management framework. Risk measurement and monitoring is an ongoing process and along with sensitivity analysis, it assesses the impact of event based risks as a proactive risk management measure supported by a robust risk reporting framework.

Credit risk policies, *inter alia*, define prudential limits, portfolio criteria, exceptional approval metrics and cover risk assessment for new product offerings.

Management of Liquidity (Asset Liability & Interest Rate) and Market Risk is carried out using quantitative techniques such as sensitivity and stress testing. The Asset Liability Committee reviews liquidity risk and the interest rate risk profile of the organization on a regular basis.

The Board of Directors have approved the Policy for Operational Risk Management and Process for Fraud Risk Management. Operational risks are monitored using Key Risk Indicators ("KRIs") on an on going basis. Causal analysis is carried out and corrective actions are implemented. Operational risks are monitored using KRIs on an on going basis. Causal analysis is carried out and corrective actions are implemented.

9. INTERNAL CONTROL SYSTEMS

The Company's internal control system is designed to ensure operational efficiency, protection and conservation of resources, accuracy and promptness in financial reporting and compliance with laws and regulations. The internal control system is supported by an internal audit process for reviewing the adequacy and efficacy of the Company's internal controls, including its systems and processes and compliance with regulations and procedures. Internal Audit Reports are discussed with the Management and are reviewed by the Audit Committee of the Board which also reviews the adequacy and effectiveness of the internal controls in the Company. The Company's internal control system is commensurate with the size, nature and operations of the Company.

10. INTERNAL FINANCIAL CONTROLS

During the course of FY 2014-15, the Management appointed an external consultant and formed a Cross Functional Team ("CFT") comprising Operating Managers, Internal Audit, Risk and Statutory Auditors to document and evaluate the effectiveness of the internal financial controls of the Company, broadly in accordance with the criteria established under the Internal Control — Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. The documentation of process maps, key controls and risk registers has been completed for key businesses and functions under the supervision of the CFT. Management testing was conducted on a sample basis and remedial action has been taken or agreed upon where control weaknesses were identified. The Management will put in place a more detailed testing plan for FY 2015-16. Based on the aforementioned, the Management believes adequate internal financial controls exist in relation to its Financial Statements.

14. INFORMATION TECHNOLOGY SUPPORT

Information Technology ("IT") at Tata Capital is on the verge of moving to the next level with a slew of key strategic projects that have been initiated and has achieved stability in its core systems, close to total automation of all its business processes. Tata Capital has entered into the digital space with several new products and its customer portal is being constantly enhanced and currently offers the customers, a view of their entire relationship with Tata Capital. Customers can also apply for loans and complete the end to end process online and also download statements. The emphasis is on continual improvement and upgradation of systems and the underlying processes.

The assessment of IT capability maturity of Tata Capital has been completed with a high score. There is a constant endeavour to move up the IT maturity curve (including benchmarking against internationally accepted IT Capability Maturity Framework) and to deliver value to businesses and customers. Several IT projects for the coming year that would give the Company a clear advantage and would benefit the stakeholders have been identified. Tata Capital is also on a 'digitalisation' journey wherein it will deploy latest technology covering the internet and cloud, analytics, social media and mobility areas. A mobile application for housing loan customers is being developed and would be launched soon. The focus is on digital property viz. online store for home search and flexi home loans.

Tata Capital is also in the process of changing its IT outsourcing model to rationalize and optimize the overall IT costs and is now moving into the leadership stage in its technology journey. The projects on the IT road map and the digital strategy initiative will enable Tata Capital to take the leadership position with the support of its IT partners and the business units representing a collaborative framework.

ANNEXURE B

POLICY ON BOARD DIVERSITY AND DIRECTOR ATTRIBUTES

1. PURPOSE

In terms of Section 178 of the Companies Act, 2013 (“Act”) and the Governance Guidelines on Board Effectiveness issued by Tata Sons Limited and adopted by the Board of Directors, the Nomination and Remuneration Committee (“NRC”) of the Board is, *inter alia*, required to formulate a Policy on Board Diversity and lay down the criteria for determining qualifications, positive attributes and independence of a director.

Diversity in the composition of the Board of Directors has become essential in view of the expansion of business, greater social responsibility, increasing emphasis on Corporate Governance, need for addressing concerns of diverse stakeholders and the necessity for managing risks in the business effectively. A Board composed of appropriately qualified and skilled people, with a broad range of experience relevant to the business, is important for effective corporate governance and sustained commercial success of a company.

In view of the above, Tata Capital Housing Finance Limited (“TCHFL” or “Company”) has framed this Policy on Board Diversity and Director Attributes (“Policy”) that encourages diversity of thought, experience, knowledge, perspective, age and gender in the Board. The Policy sets out the approach to diversity in the Board of Directors of the Company so as to ensure that the Board has an appropriate blend of functional and industry expertise.

This Policy has been adopted by the Board of Directors of the Company, based on the recommendations of the NRC.

2. OBJECTIVES OF THE POLICY

The Objectives of the Policy include:

- i. Board to drive diversity and have an appropriate blend of functional and industry expertise;
- ii. While recommending the appointment of a director to, *inter alia*, consider the manner in which the function and domain expertise of the individual contributes to the overall skill domain mix of the Board;
- iii. To help the Company build a better Board that can draw upon a wide range of perspectives, expertise, knowledge and experience;
- iv. To achieve an optimum and balanced Board, with a wide range of attributes;
- v. To encourage healthy and open discussion and promote independence of judgement in Board and Committee deliberations; and
- vi. To have an optimum mix of Executive, Non-Executive and Independent Directors, including Women Directors.

3. POLICY STATEMENT

To meet the above Objectives:

- i. The Board of TCHFL will ensure that a transparent Board nomination process is in place that encourages diversity of thought, experience, skills, knowledge, perspective, age, nationality, gender, cultural and educational background;
- ii. It will be ensured that the Board has an appropriate blend of functional and industry expertise and skills;
- iii. The consideration and selection of candidates for appointment to the Board will be based on merit which shall include a review of any candidate’s integrity, experience, educational background, industry or related experience and more general experience;

- iv. Candidates that bring a diversity of background and opinion from amongst those candidates with the appropriate background and industry or related expertise and experience and having the ability to devote sufficient time to the affairs of the Company, should be considered for appointment to the Board; and
- v. While recommending the appointment of a Director, the NRC will consider the criteria as laid down under the Act and applicable Regulations/Guidelines issued by Statutory and Regulatory authorities, as also those issued by Tata Sons Limited, from time to time, and the manner in which the function and domain expertise of the individual will contribute to the overall skill-domain mix of the Board.

4. MEASURABLE OBJECTIVES

The NRC will largely rely on the regulatory provisions of the Act, and the Regulations/ Guidelines issued by the National Housing Bank as also the Guidelines circulated by Tata Sons Limited and review the measurable objectives for achieving diversity against these provisions and recommend the same to the Board for adoption. At any given point of time, the Board may seek to improve one or more aspects of its diversity and measure progress accordingly.

5. MONITORING AND REPORTING

The NRC will review the Policy periodically, which will include an assessment of the effectiveness of the Policy. The NRC will discuss any revision that may be required and recommend the same to the Board for approval.

ANNEXURE C

REMUNERATION POLICY

1. COMPENSATION PHILOSOPHY

Tata Capital Housing Finance Limited (“Company”) has adopted a Remuneration Policy based on a defined formal compensation philosophy of Tata Capital Limited, the holding company. In order to build a high performance culture, aligned to the Company’s Vision and Goals, the Compensation Philosophy aims at providing a significant differential to superior performers and also segregating increments and performance payouts, based on the actual performance of various business verticals.

The aforementioned Compensation philosophy helps the Company to manage long term fixed cost, keep up with market compensation and attract the right talent to help drive its growth plans.

The performance of the Company and its Business Units / Functions is measured against annual budgets/targets, set as per the Balanced Score Card (BSC). Performance of individuals is measured against Key Result Areas (KRAs) set at beginning of year and after considering any revision of target during the year. The Annual Performance Rating would be considered for calculating the Performance Pay. Rating would be on a 5 point scale.

Consistent with the principle of differential influence that an employee may have on the overall performance of the Company, different weights are assigned for the Company’s performance, the performance of Business Units / Functions and the performance of individuals. Thus, employees in entry level / junior management have greater weightage for individual performance while employees in senior leadership roles have maximum weightage for Company and Business Unit Performance.

2. REMUNERATION POLICY FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

The philosophy for remuneration of Directors, Senior Leadership Team, Key Managerial Personnel (“KMP”) and all other employees of the Company is based on the commitment to fostering a culture of leadership with trust. The Remuneration Policy is aligned to this philosophy.

This Remuneration Policy has been prepared pursuant to the provisions of Section 178(3) of the Companies Act, 2013 (“Act”). In case of any inconsistency between the provisions of law and this Remuneration Policy, the provisions of law shall prevail and the Company shall abide by the applicable law. In case there are any changes in the law, the Company shall comply with the applicable amended provisions. While formulating this Remuneration Policy, the Nomination and Remuneration Committee (“NRC”) has considered the factors laid down under Section 178(4) of the Act which are, as under:

- “(a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;*
- “(b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and*
- “(c) remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals”*

The key principles governing this Remuneration Policy are, as follows:

2.1 Remuneration for Independent Directors and Non-Independent Non- Executive Directors

- (i) Independent Directors (“ID”) and Non-Independent Non-Executive Directors (“NED”) may be paid Sitting Fees (for attending the meetings of the Board and of Committees of the Board of which they may be Members) and Commission within regulatory limits.
- (ii) Within the parameters prescribed by law, the payment of Sitting Fees and Commission will be recommended by the NRC for approval of the Board.

- (iii) Overall remuneration (Sitting Fees and Commission) should be reasonable and sufficient to attract, retain and motivate directors aligned to the requirements of the Company (taking into consideration, the challenges faced by the Company and its future growth imperatives).
- (iv) Overall remuneration should be reflective of the size of the Company, complexity of the sector / industry / Company's operations and the Company's capacity to pay the remuneration.
- (v) Overall remuneration practices should be consistent with recognized best practices.
- (vi) Quantum of Sitting Fees may be subject to review on a periodic basis, as required.
- (vii) The aggregate Commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters, as may be decided by the Board.
- (viii) The NRC will recommend to the Board, the quantum of Commission for each director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent at Board and Committee meetings, individual contribution at the meetings and contributions made by directors, other than at Board and Committee meetings.
- (ix) In addition to the Sitting Fees and Commission, the Company may pay to any director such fair and reasonable expenditure, as may have been incurred by the director while performing his / her role as a director of the Company. This could include reasonable expenditure incurred by the director for attending Board / Board Committee meetings, General Meetings, court convened meetings, meetings with Shareholders / Creditors / Management, site visits, induction and training (arranged by the Company for directors) and in obtaining professional advice from independent advisors in the furtherance of his / her duties as a director.

2.2 Remuneration for Managing Director ("MD") / Executive Directors ("ED") / KMP / rest of the employees (Note 1)

- (i) The extent of overall remuneration to the MD / ED / KMPs / rest of the employees should be sufficient to attract and retain talented and qualified individuals suitable for their roles.

Hence, remuneration should be:

- market competitive (market for every role is defined as companies from which the company attracts talent or companies to which the company loses talent);
 - driven by the role played by the individual;
 - reflective of the size of the company, complexity of the sector / industry / Company's operations and the Company's capacity to pay;
 - consistent with recognized best practices; and
 - aligned to any regulatory requirements.
- (ii) In terms of remuneration mix or composition,
 - the remuneration mix for the MD / EDs should be as per the contract approved by the Shareholders. In case of any change which is beyond the remuneration approved by the Shareholders, the same would require the approval of the Shareholders.
 - basic / fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.
 - in addition to the basic / fixed salary, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings and tax optimization, where possible. The Company also provides all employees with a social security net (subject to limits) by covering medical expenses and hospitalization through re-imbursing or insurance cover and accidental death and dismemberment through personal accident insurance.
 - the Company provides retirement benefits, as applicable.

- in addition to the basic / fixed salary, benefits, perquisites and allowances as provided above, the Company may provide MD / EDs such remuneration by way of Commission, calculated with reference to the Net Profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Act. The specific amount payable to the MD / EDs would be based on the performance of the MD/EDs as evaluated by the Board or the NRC and approved by the Board.

OR

- In addition to the basic / fixed salary, benefits, perquisites and allowances as provided above, the Company may provide to its MD / EDs, such remuneration by way of an annual incentive remuneration / performance linked bonus subject to the achievement of certain performance criteria and such other parameters as may be considered appropriate from time to time by the Board. An indicative list of factors that may be considered for determination of the extent of this component are:
 - Company's performance on certain defined qualitative and quantitative parameters, as may be decided by the Board from time to time,
 - Industry benchmarks of remuneration,
 - Performance of the individual.
- The Company will provide the rest of the employees, a performance linked incentive pay. The performance linked pay would be driven by the outcome of the performance appraisal process and the performance of the Company.

2.3 Remuneration payable to Director for services rendered in other capacity

No remuneration will be payable to the Directors for services rendered by such Director in any other capacity unless:

- a) The services rendered are of a professional nature;
- b) The NRC is of the opinion that the director possesses requisite qualification for the practice of the profession; and
- c) Approval of the Central Government has been received, if required, for paying the same.

2.4 Loans to employees

The Company may grant loans to its employees on such terms and conditions as may be determined by the Board or any Committee of the Board, from time to time, in accordance with applicable laws.

2.5 Policy implementation

The NRC is responsible for recommending the Remuneration Policy to the Board. The Board is responsible for approving and overseeing implementation of the Remuneration Policy.

^{Note 1} Excludes employees covered by any long term settlements or specific term contracts. The remuneration for these employees would be driven by the respective long term settlements or contracts.

ANNEXURE F

**DETAILS REQUIRED UNDER SECTION 197(12) OF THE ACT READ WITH RULE 5(1) OF THE COMPANIES
(APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014**

1. The ratio of the remuneration of each Director to the median remuneration of the employees of the company for the financial year:

The ratio of the remuneration of each Director to the median remuneration of the employees of the Company for FY 2014-15 is, as under:

Name of Director(s)	Ratio to Median
Mr. Janki Ballabh	0.82:1
Ms. Anuradha E. Thakur*	0.20:1
Mr. Shailesh H. Rajadhyaksha	0.75:1
Mr. Govind Sankaranarayanan	0.65:1
Mr. R. Vaithianathan	25.62:1

*Ms. Anuradha E. Thakur was appointed as Independent Director w.e.f. February 16, 2015.

2. The percentage increase in remuneration of each Director Chief Financial Officer, Chief Executive Officer, Company Secretary, or Manager, if any, in the financial year:

The percentage increase in remuneration of each Director in FY 2014-15, is as under:

Name of Director(s)	% Increase in Remuneration
Mr. Janki Ballabh	59
Ms. Anuradha E. Thakur*	–
Mr. Shailesh H. Rajadhyaksha	44
Mr. Govind Sankaranarayanan	26
Mr. R. Vaithianathan	(3.6)

*Ms. Anuradha E. Thakur was appointed as Independent Director w.e.f. February 16, 2015.

The percentage increase in remuneration of Mr. S. Balakrishna Kamath, Chief Financial Officer and Company Secretary, for FY 2014-15 was 87.20% as compared to FY 2013-14. The reasons for the substantial increase in remuneration, as mentioned above, is due to the following:

- (i) Mr. Kamath was appointed w.e.f. August 8, 2013 and while computing his remuneration for FY 2013-14, only fixed salary from August 8, 2013 to March 31, 2014, has been considered.
- (ii) Mr. Kamath's remuneration for FY 2014-15, has been computed taking into consideration the fixed remuneration for FY 2014-15 and the incentive remuneration for FY 2013-14.

3. The percentage increase in the median remuneration of employees in the financial year:

There is a decrease in the median remuneration of employees in FY 2014-15 by 10% as compared to FY 2013-14.

4. The number of permanent employees on the rolls of Company:

The permanent employees on the rolls of Company as on March 31, 2015, were 414.

5. The explanation on the relationship between average increase in remuneration and Company performance:

The average increase in remuneration of employees for FY 2014-15 was 11.6%. Profit Before Tax increased by 24.10% to ₹ 103 crore in FY 2014-15 from ₹ 83 crore in FY 2013-14.

The Company and Business Unit / Functional performance are measured against Annual budgets / targets, set as per the Balanced Score Card (BSC).

Individual performance is measured against Key Result Areas (KRAs) set at the beginning of the year after considering any revision of target over the year. The rating of Annual Performance review is considered for the purpose of computing the Performance Pay. Rating is on a 5 point scale.

Consistent with the principle of differential influence that an employee may have on the overall performance of the Company, different weights are assigned for the Company's performance, the performance of Business Units / Functions and the performance of individuals. Thus, employees in entry level / junior management have greater weightage for individual performance while employees in senior leadership roles have maximum weightage for Company and Business Unit Performance.

6. Comparison of the remuneration of the Key Managerial Personnel against the performance of the Company:

The remuneration for the Key Managerial Personnel, increased by 9.21%. Profit Before Tax increased by 24.10% to ₹ 103 crore in FY 2014-15 from ₹ 83 crore in FY 2013-14.

Note: It may be noted that Mr. S. Balakrishna Kamath, Chief Financial Officer and Company Secretary, a Key Managerial Personnel, was appointed w.e.f. August 8, 2013. While computing his remuneration for FY 2013-14, only fixed salary from August 8, 2013 to March 31, 2014, has been considered. Mr. Kamath's remuneration for FY 2014-15, has been computed taking into consideration the fixed remuneration for FY 2014-15 and the incentive remuneration for FY 2013-14.

7. Variations in the market capitalisation of the company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase over decrease in the market quotations of the shares of the company in comparison to the rate at which the company came out with the last public offer in case of listed companies, and in case of unlisted companies, the variations in the networth of the company as at the close of the current financial year and previous financial year:

8. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

The average percentage increase already made in the salaries of employees other than that of the managerial personnel in FY 2014-15 is 13.1% and the percentage decrease in the overall managerial remuneration is 0.26%.

9. Comparison of the each remuneration of the Key Managerial Personnel against the performance of the Company:

Profit Before Tax increased by 24.10% to ₹ 103 crore in FY 2014-15 from ₹ 83 crore in FY 2013-14. The percentage remuneration of Mr. R. Vaithianathan, Managing Director decreased by 3.6% in FY 2014-15 as compared to FY 2013-14.

The percentage increase in remuneration of Mr. S. Balakrishna Kamath, Chief Financial Officer and Company Secretary, for FY 2014-15 was 87.20% as compared to FY 2013-14. The reasons for the substantial increase in remuneration, as mentioned above, is due to the following:

- (i) Mr. Kamath was appointed w.e.f. August 8, 2013 and while computing his remuneration for FY 2013-14, only fixed salary from August 8, 2013 to March 31, 2014, has been considered.
- (ii) Mr. Kamath's remuneration for FY 2014-15, has been computed taking into consideration the fixed remuneration for FY 2014-15 and the incentive remuneration for FY 2013-14.

10. The key parameters for any variable components of remuneration availed by the Directors:

The key parameters for variable components of remuneration availed by Non-Executive Directors and Independent Directors is based on the Company's performance, profits, returns to investors as also the criteria combining attendance at Meetings, contribution thereat and contribution other than at Meetings.

The key parameters for variable components of remuneration availed by the Managing Director are Annual budgets / targets, set as per the Balanced Score Card (BSC).

11. The ratio of the remuneration of the highest paid Director to that of the employees who are not Directors but receive remuneration in excess of the highest paid Director during the year:

The highest paid Director is the Managing Director of the Company. During FY 2014-15, no employee has received remuneration in excess of the remuneration received by the Managing Director.

12. Affirmation that the remuneration is as per the Remuneration Policy of the Company:

It is affirmed that the remuneration paid is as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees, adopted by the Company.

INDEPENDENT AUDITORS' REPORT**TO THE MEMBERS OF
TATA CAPITAL HOUSING FINANCE LIMITED****Report on the Financial Statements**

We have audited the accompanying Financial Statements of **Tata CAPITAL Housing FINANCE LIMITED** ("the Company"), which comprises the Balance Sheet as at 31st March 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and the explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the condensed financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to the notes number 31 to the financial statements, which describes the accounting treatment used by the Company in creating the Deferred Tax Liability on Special Reserve under section 36 (1)(viii) of the Income Tax Act, 1961 as at April 1, 2014, which is in accordance with the NHB's Circular No. NHB (ND)/DRS/Pol. Circular No. 62/2014 dated May 27, 2014.

Our conclusion is not modified in respect of this matter.

(a) **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2015 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - vii. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 27 to the financial statements.
 - viii. The Company has made provisions, as required under the applicable law or accounting standards, for material foreseeable losses on long term contracts. The Company does not have any outstanding derivative contracts as at the year end.
 - ix. As at the year end, there were no amounts that were required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Having regard to the nature of the Company's business / activities, paragraph 4(xiii) of the Order is not applicable.

1. In respect of the Company's fixed assets:
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - b. The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us no material discrepancies were noticed on such verification.
2. According to the information and explanations given to us, the Company is primarily engaged in the business of providing long term finance for housing loans and therefore does not hold any physical inventories. Accordingly, the provisions of paragraph 3 (ii) of the Order are not applicable to the Company.
3. According to the information and explanations given to us, the Company has not granted, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business for the purchase of fixed assets and for the sale of services. The nature of the Company's business is such that it does not involve purchase of inventories and sale of goods. During the course of our audit, we have not observed any major weaknesses in such internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits. Therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
6. The provisions of clause (3)(vi) of the Order are not applicable to the Company as the Company is not engaged in the production of goods and services covered by the Companies (Cost Records and Audit) Rules, 2014.
7. According to the information and explanations given to us, in respect of statutory dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Service Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2015 for a period of more than six months from the date they became payable.
 - c. According to the information and explanations given to us, there are no dues of Income Tax, Sales Tax, Service Tax, Wealth Tax, Custom Duty, Excise Duty and Cess which have not been deposited on account of any dispute.
 - d. In our opinion and according to the information and explanations given to us, the amount required to be transferred to investor education and protection fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder has been transferred to such fund within time.

8. The Company does not have accumulated losses at the end of financial year and the Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
9. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to banks or debenture holders. Further, in our opinion and according to information and explanations given to us, the Company has not taken any loan from financial institutions.
10. In our opinion and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks and financial institutions.
11. According to the information and explanations given to us, the term loans availed during the year by the Company has been applied for the purpose for which it was obtained.
12. To the best of our knowledge and belief and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS ENDED MARCH 31, 2015**1 CORPORATE INFORMATION**

Tata Capital Housing Finance Limited (the "Company") was incorporated on October 15, 2008. The Company obtained the Certificate of Registration under the National Housing Bank ("NHB") as required under Section 29A of the NHB Act, 1987 on April 2, 2009. The Company is a wholly owned subsidiary of Tata Capital Limited. The main objects of the Company, inter alia are to carry out the business of providing long term finance to individuals, companies, corporations, societies or association of persons for purchase / construction / repair and renovation of new / existing flats / houses for residential purposes and provide property related services.

2 SIGNIFICANT ACCOUNTING POLICIES**i BASIS FOR PREPARATION OF ACCOUNTS**

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable, the National Housing Bank Act, 1987 and the Housing Finance Companies, (NHB) Directions, 2010. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

ii USE OF ESTIMATES

The preparation of financial statements require the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods. Example of such estimates includes provision for non - performing loans, provision for employee benefit plans and provision for income taxes.

iii REVENUE RECOGNITION**Interest income on loans**

Income on loan transactions is accounted for by using the Internal Rate of Return method. Consequently, a constant rate of return on net outstanding amount is accrued over the period of the contract, except that no income is recognised on non-performing assets as per the prudential norms for income recognition issued by the NHB for Housing Finance Companies (the "HFC's"). Interest income on such assets is recognised on receipt basis. Repayment of housing loans is generally by way of Equated Monthly Installments ("EMIs") comprising principal and interest. EMIs commences once the entire loan is disbursed. Pending commencement of EMIs, pre-EMI interest is payable every month. Interest on loans is computed on a monthly rest basis.

Upfront / Processing fees collected from the customer for processing loans are primarily towards documentation charges. This is accounted as income when the amount becomes due provided recovery thereof is not uncertain.

Income from Current and Long-term Investments

Income from sale of units of mutual funds is accounted on cash basis when the units of mutual funds are actually sold.

iv PROVISION ON NON PERFORMING / STANDARD LOANS AND DOUBTFUL DEBTS

Loans are initially recorded at the disbursed principal amounts and are subsequently adjusted for recoveries and any unearned income. Loans are carried net of the allowances for credit losses.

A loan is recognised as non-performing ("NPA") at the earlier of the date it has been individually provided for when the Company is no longer reasonably assured of the timely collection of the full amount of principal and interest and a loan the repayment installment or interest has been in arrears for 90 days.

The provision on Standard and Non Performing Loans is made as per the prudential norms prescribed in the Housing Finance Companies (NHB) Directions, 2010 as amended. Additional provisions (over and above the prudential norms) if required, is made as per the Guidelines approved by the Board of Directors from time to time.

Provisions are established on a collective basis against loan assets classified as "Standard" to absorb credit losses on the aggregate exposures in each of the Company's loan portfolios based on the NHB Directions.

v INVESTMENTS

Current investments comprising investments in mutual funds are stated at the lower of cost and market value, determined on an individual investment basis.

vi FIXED ASSETS

Fixed Assets are stated at cost, which comprises of purchase consideration and other directly attributable costs of bringing the assets to their working condition for the intended use less depreciation.

vii DEPRECIATION

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of building and vehicles, in whose case the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement etc.

All capital assets with individual value less than ₹ 5,000 are depreciated fully in the year in which they are purchased.

Estimated useful life considered by the Company are:

Asset	Estimated Useful Life
Building	25 Years
Office Equipment	5 Years
Vehicles	4 Years
Plant & Machinery	4 Years
Furniture & Fixtures	Higher of 10 Years or rate determined based on period of lease
Leasehold improvements	Lease Period

viii LEASES

Leases are classified as operating lease where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are charged to the Statement of Profit and Loss as per terms of lease agreement.

ix TAXATION

Income Tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax corresponds to the net effect of tax on all timing differences, which occur as a result of items being allowed for income tax purposes during a year different from when they were recognised in the financial statements.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date.

Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss.

x SERVICE TAX INPUT CREDIT

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

xi DEFERRED REVENUE EXPENDITURE

Miscellaneous expenditure comprising share issue expenses such as stamp duty and registration fees is amortised over a period of 36 months from the month in which the Company has incurred the expenditure. Debenture issue expenses and Loan processing charges incurred on debentures / loans taken is amortised over the tenure of debentures / loan or over a period of 36 months whichever is earlier.

Loan sourcing cost is amortised over a period of 84 / 60 / 18 months for Home loan, Home equity and Builder loan respectively.

xii PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has present obligations, as result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of obligation. Contingent liabilities are not recognised but disclosed in the financial statements. A Contingent asset is neither recognised nor disclosed in the financial statements.

xiii CASH FLOW STATEMENT

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

xiv EARNINGS PER SHARE

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

xv EMPLOYEE BENEFITS

Employee benefits include provident fund, superannuation fund, employee state insurance scheme, gratuity fund, compensated absences, long service awards and post-employment medical benefits.

Defined-contribution plans

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss during the period. The contributions as specified under the law are paid to the provident fund set up as irrevocable trust by the Company. The Company is generally liable for annual contributions and any shortfall in the fund assets based on the government specified minimum rates of return and recognises such contributions and shortfall, if any, as an expense in the year incurred.

The Company's contribution to provident fund, superannuation fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined-benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

"The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long Service Awards are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

xvi SEGMENT REPORTING

The Company is engaged in the business of providing loans for purchase, construction, repairs and renovation etc, of houses/ flats to individuals and corporate bodies and has its operations within India. There being only one 'business segment' and 'geographical segment', the segment information is not provided.

 (b) Commitments: ₹ 113 Lakh (Previous year : ₹ 72 Lakh)

- 28** During the year, pursuant to the notification of Schedule II to the Companies Act, 2013 with effect from April 1, 2014 the Company has revised the estimated useful life of some of its assets to align the useful life with those specified in Schedule II. The details of previously applied depreciation method, rates / useful life are as follows:

Asset	Previous Estimated Useful Life	Current Estimated Useful Life
Office Equipment	10 years	5 years

The depreciation expense in the Statement of Profit and Loss for the year is higher by ₹ 12 lakh consequent to the change in the useful life of the assets.

29. Employee benefits

Defined Contribution Plans

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plan in the form of provident fund and family pension fund. Provident fund and family pension fund cover substantially all regular employees. While both, the employees and the Company pay predetermined contributions into the provident fund, contributions into the family pension fund are made by only the Company. The contributions are based on a certain proportion of the employee's salary.

The Company recognised a charge of ₹ 170 Lakh (FY 2013-14 : ₹ 102 Lakh) towards provident fund and family pension fund contribution and ₹ 15 Lakh (FY 2013-14 : ₹ 13 Lakh) towards contribution to superannuation fund in the Statement of Profit and Loss during the current year.

The provident fund set up as a trust by the Company manages the contributions from the Company and other participating subsidiaries. As of March 31, 2015 the accumulated members' corpus of the Company is ₹ 1,042 lakh whereas the total fair value of the assets of the fund and the total accumulated members' corpus is ₹ 12,871 lakh and ₹ 11,904 lakh respectively. In accordance with an actuarial valuation, there is no deficiency in the interest cost as the present value of the expected future earnings on the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of 8.75% for the first year and 8.60% thereafter. The actuarial assumptions include discount rate of 7.80%.

Defined Benefits Plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount), (Included as part of contribution to provided fund, superannuation fund and other funds as referred in Note 25 of Employee Benefit Expenses). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (generally immediately before retirement). The gratuity scheme covers substantially all regular employees. Commitments are actuarially determined at year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. On adoption of the Accounting Standard (AS 15) on "Employee Benefits", actuarial valuation is done based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss.

- 34 Vide circular NHB(ND)/DRS/Pol. Circular No. 62/2014 dated May 27, 2014, the National Housing Bank ("NHB") has directed Housing Finance Companies ("HFCs") to provide for a deferred tax liability in respect of the balance in the "Special Reserve" created under section 36(1)(viii) of the Income Tax Act, 1961. NHB has, within the same circular, clarified that the deferred tax liability in respect of the opening balance in the Special Reserve as at April 1, 2014 may be created by adjusting the opening reserves as of that date, but has mandated charging the Statement of Profit and Loss for the period in respect of additional appropriations to Special Reserve out of the net profit after tax.

Accordingly, the Company has adjusted its opening reserves as at April 1, 2014 with the amount of deferred tax liability in respect of the opening balance in the Special Reserve as of that date and has charged its Statement of Profit and Loss for the year ended March 31, 2015 with the deferred tax liability on the additional amount appropriated during the year towards Special Reserve out of profits after tax. Accordingly an amount of ₹ 626 lakh has been against opening balance of Statement of Profit & Loss.

Vide circular NHB(ND)/DRS/Policy Circular 65/2014-15 dated August 22, 2014 NHB has given an option to HFCs to create the deferred tax liability on the opening balance of special reserves over a period of 3 years in a ratio of 25:25:50. As stated above the Company has already created the Deferred Tax Liability on the entire amount.

- 35 The Company declared an interim dividend aggregating to ₹ 2,627 lakh (Previous year ₹ Nil) and dividend distribution tax (DDT) thereon of ₹ 525 lakh (Previous year ₹ Nil). This represents pro-rated dividend payable by the Company from the beginning of this year to February 28, 2015.
