

TATA CLEANTECH CAPITAL LIMITED

ANNUAL REPORT 2014-15

DIRECTORS' REPORT

TO THE MEMBERS OF TATA CLEANTECH CAPITAL LIMITED

The Directors present their Fourth Annual Report and the Audited Financial Statements for the Financial Year ("FY") ended March 31, 2015.

1. BACKGROUND

Tata Cleantech Capital Limited ("TCCL") is registered with the Reserve Bank of India ("RBI") as a Systemically Important Non Deposit Accepting Non Banking Financial Company and engaged in the business of providing finance and advisory services for projects in renewable energy, energy efficiency, waste management and water management. TCCL is a venture between TCL and International Finance Corporation ("IFC"), Washington D.C., USA, in the ratio of 80.50:19.50.

2. INDUSTRY OVERVIEW & OUTLOOK

Renewable Energy ("RE") continued to play the most dominant role within Cleantech Industry worldwide in general and more specifically in India.

During FY 2014-15, India added 4089 Mega Watts ("MW") of capacity as against a target of 3700 MW. Wind Energy saw the highest installations at 2312 MW, followed by Solar Energy 1112 MW.

RE is increasingly adopting its rightful role in the overall electricity sector in India. Energy security, vast potential and rapid drop in capital cost aided by sustained policy pushed by a successive government, has played a pivotal role in the sector gaining unprecedented attention from stakeholders within and outside India. FY 2014-15 was significant as the Government of India substantially revised the RE targets for Wind and Solar Installations by the year 2022.

Taking a cue, many State Governments have also revised their RE Targets and focused their efforts towards building an overall conducive environment entailing an attractive policy regime, adequate evacuation infrastructure and faster decision-making. Investors and developers have responded well by announcing multiple fresh projects and big investments in these states.

Another heartening development is the renewed focus on harnessing the potential of distributed generation of RE. This will help in lifting a large section of Indian rural population out of energy poverty.

The RE sector thus assumes significance as it has the ability to help the nation achieve its goal of greater inclusion, garner greater employment opportunities and create a new age entrepreneurial ventures. With sustained focus, India can also become a part of the global pool of specialized RE human capital.

3. REVIEW OF BUSINESS OPERATIONS

During FY 2014-15, TCCL focused on consolidating its strengths of origination and evaluation of projects in its mandated areas of businesses, expanded its sphere of relationships with leading Independent Power Producers, Technology Providers, Erection Procurement and Construction Players and other leading Financial Institutions and participated in direct as well as consortium lending projects. TCCL sanctioned loans for projects being set-up in new emerging renewable energy destination states, such as Madhya Pradesh and continued to strengthen and leverage its relationship with leaders in various stages of the value chain. TCCL has entered into a Memorandum of Understanding with Energy Efficiency Services Limited, a Joint Venture of NTPC Limited, Powergrid Corporation of India Limited, Power Finance Corporation and Rural Electrification Corporation to facilitate implementation of energy efficiency projects.

TCCL purchased, at commercial terms, a loan portfolio aggregating ₹ 350 crore, in March 2015, related to renewable/non-conventional energy, water management, energy efficiency, etc. from Tata Capital Financial Services Limited ("TCFSL"), a fellow subsidiary. In addition, two loans aggregating ₹ 30 crore were purchased at book value, during the quarter ended June 30, 2014, based on a Memorandum of Understanding.

At the end of FY 2014-15, TCCL had a loan book of ₹ 671.19 crore, across 28 transactions. TCCL's Gross Income for the FY ended March 31, 2015 stood at ₹ 28.45 crore and its Net Profit After Tax at ₹ 6.49 crore. The loan portfolio consists of projects in the areas of Wind Energy, Solar Energy, Small Hydro Energy, Off-grid Solar, Waste Management, Water Management and Energy Efficiency.

BOARD DIVERSITY POLICY AND DIRECTOR ATTRIBUTES

1. PURPOSE

In terms of Section 178 of the Companies Act, 2013 (“Act”) and the Governance Guidelines on Board Effectiveness issued by Tata Sons Limited and adopted by the Board of Directors, the Nomination and Remuneration Committee (“NRC”) of the Board is, inter alia, required to formulate a Policy on Board Diversity and lay down the criteria for determining qualifications, positive attributes and independence of a director.

Diversity in the composition of the Board of Directors has become essential in view of the expansion of business, greater social responsibility, increasing emphasis on Corporate Governance, need for addressing concerns of diverse stakeholders and the necessity for managing risks in the business effectively. A Board composed of appropriately qualified and skilled people, with a broad range of experience relevant to the business, is important for effective corporate governance and sustained commercial success of a company.

In view of the above, Tata Cleantech Capital Limited (“TCCL” or “Company”) has framed this Policy on Board Diversity and Director Attributes (“Policy”) that encourages diversity of thought, experience, knowledge, perspective, age and gender in the Board. The Policy sets out the approach to diversity in the Board of Directors of the Company so as to ensure that the Board has an appropriate blend of functional and industry expertise.

This Policy has been adopted by the Board of Directors of the Company, based on the recommendations of the NRC.

2. OBJECTIVES OF THE POLICY

The Objectives of the Policy include:

- i. Board to drive diversity and have an appropriate blend of functional and industry expertise;
- ii. While recommending the appointment of a director to, inter alia, consider the manner in which the function and domain expertise of the individual contributes to the overall skill domain mix of the Board;
- iii. To help the Company build a better Board that can draw upon a wide range of perspectives, expertise, knowledge and experience;
- iv. To achieve an optimum and balanced Board, with a wide range of attributes;
- v. To encourage healthy and open discussion and promote independence of judgement in Board and Committee deliberations; and
- vi. To have an optimum mix of Executive, Non-Executive and Independent Directors, including Women Directors.

3. POLICY STATEMENT

To meet the above Objectives:

- i. The Board of TCCL will ensure that a transparent Board nomination process is in place that encourages diversity of thought, experience, skills, knowledge, perspective, age, nationality, gender, cultural and educational background;
- ii. It will be ensured that the Board has an appropriate blend of functional and industry expertise and skills;
- iii. The consideration and selection of candidates for appointment to the Board will be based on merit which shall include a review of any candidate’s integrity, experience, educational background, industry or related experience and more general experience;
- iv. Candidates that bring a diversity of background and opinion from amongst those candidates with the appropriate background and industry or related expertise and experience and having the ability to devote sufficient time to the affairs of the Company, should be considered for appointment to the Board; and
- v. While recommending the appointment of a Director, the NRC will consider the criteria as laid down under the Act and applicable Regulations/Guidelines issued by Statutory and Regulatory authorities, as also those issued by Tata Sons Limited, from time to time, and the manner in which the function and domain expertise of the individual will contribute to the overall skill-domain mix of the Board.

4. MEASURABLE OBJECTIVES

The NRC will largely rely on the regulatory provisions of the Act, and the Regulations/ Guidelines issued by the RBI as also the Guidelines circulated by Tata Sons Limited and review the measurable objectives for achieving diversity against these provisions and recommend the same to the Board for adoption. At any given point of time, the Board may seek to improve one or more aspects of its diversity and measure progress accordingly.

5. MONITORING AND REPORTING

The NRC will review the Policy periodically, which will include an assessment of the effectiveness of the Policy. The NRC will discuss any revision that may be required and recommend the same to the Board for approval.

REMUNERATION POLICY

1. COMPENSATION PHILOSOPHY

Tata Cleantech Capital Limited ("Company") has adopted a Remuneration Policy based on a defined formal compensation philosophy of Tata Capital Limited, the holding company. In order to build a high performance culture, aligned to the Company's Vision and Goals, the Compensation Philosophy aims at providing a significant differential to superior performers and also segregating increments and performance payouts, based on the actual performance of various business verticals.

The aforementioned Compensation philosophy helps the Company to manage long term fixed cost, keep up with market compensation and attract the right talent to help drive its growth plans.

The performance of the Company and its Business Units / Functions is measured against annual budgets / targets, set as per the Balanced Score Card (BSC). Performance of individuals is measured against Key Result Areas (KRAs) set at beginning of year and after considering any revision of target during the year. The Annual Performance Rating would be considered for calculating the Performance Pay. Rating would be on a 5 point scale.

Consistent with the principle of differential influence that an employee may have on the overall performance of the Company, different weights are assigned for the Company's performance, the performance of Business Units / Functions and the performance of individuals. Thus, employees in entry level / junior management have greater weightage for individual performance while employees in senior leadership roles have maximum weightage for Company and Business Unit Performance.

2. REMUNERATION POLICY FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES

The philosophy for remuneration of Directors, Senior Leadership Team, Key Managerial Personnel ("KMP") and all other employees of the Company is based on the commitment to fostering a culture of leadership with trust. The Remuneration Policy is aligned to this philosophy.

This Remuneration Policy has been prepared pursuant to the provisions of Section 178(3) of the Companies Act, 2013 ("Act"). In case of any inconsistency between the provisions of law and this Remuneration Policy, the provisions of law shall prevail and the Company shall abide by the applicable law. In case there are any changes in the law, the Company shall comply with the applicable amended provisions. While formulating this Remuneration Policy, the Nomination and Remuneration Committee ("NRC") has considered the factors laid down under Section 178(4) of the Act which are, as under:

- (a) *the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;*
- (b) *relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and*
- (c) *remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals"*

The key principles governing this Remuneration Policy are, as follows:

2.1 Remuneration for Independent Directors and Non-Independent Non- Executive Directors

- (i) Independent Directors ("ID") and Non-Independent Non-Executive Directors ("NED") may be paid Sitting Fees (for attending the meetings of the Board and of Committees of the Board of which they may be Members) and Commission within regulatory limits.
- (ii) Within the parameters prescribed by law, the payment of Sitting Fees and Commission will be recommended by the NRC for approval of the Board.
- (iii) Overall remuneration (Sitting Fees and Commission) should be reasonable and sufficient to attract, retain and motivate directors aligned to the requirements of the Company (taking into consideration, the challenges faced by the Company and its future growth imperatives).

- (iv) Overall remuneration should be reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay the remuneration.
- (v) Overall remuneration practices should be consistent with recognized best practices.
- (vi) Quantum of Sitting Fees may be subject to review on a periodic basis, as required.
- (vii) The aggregate Commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters, as may be decided by the Board.
- (viii) The NRC will recommend to the Board, the quantum of Commission for each director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent at Board and Committee meetings, individual contribution at the meetings and contributions made by directors, other than at Board and Committee meetings.
- (ix) In addition to the Sitting Fees and Commission, the Company may pay to any director such fair and reasonable expenditure, as may have been incurred by the director while performing his / her role as a director of the Company. This could include reasonable expenditure incurred by the director for attending Board / Board Committee meetings, General Meetings, court convened meetings, meetings with Shareholders / Creditors / Management, site visits, induction and training (arranged by the Company for directors) and in obtaining professional advice from independent advisors in the furtherance of his / her duties as a director.

2.2 Remuneration for Managing Director ("MD") / Executive Directors ("ED") / Manager / CEO / KMP / rest of the employees ^(Note 1)

- (i) The extent of overall remuneration to the MD / ED / KMPs / Manager / CEO /rest of the employees should be sufficient to attract and retain talented and qualified individuals suitable for their roles.

Hence, remuneration should be:

- market competitive (market for every role is defined as companies from which the company attracts talent or companies to which the company loses talent);
- driven by the role played by the individual;
- reflective of the size of the company, complexity of the sector / industry / Company's operations and the Company's capacity to pay;
- consistent with recognized best practices; and
- aligned to any regulatory requirements.

- (ii) In terms of remuneration mix or composition,

- the remuneration mix for the MD / ED / Manager / CEO should be as per the contract approved by the Shareholders. In case of any change which is beyond the remuneration approved by the Shareholders, the same would require the approval of the Shareholders.
- basic / fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.
- in addition to the basic / fixed salary, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings and tax optimization, where possible. The Company also provides all employees with a social security net (subject to limits) by covering medical expenses and hospitalization through re-imbursements or insurance cover and accidental death and dismemberment through personal accident insurance.
- the Company provides retirement benefits, as applicable.
- in addition to the basic/ fixed salary, benefits, perquisites and allowances as provided above, the Company may provide MD/ ED / Manager / CEO such remuneration by way of Commission, calculated with reference to the Net Profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Act. The specific amount payable to the MD/ EDs / Manager / CEO would be based on the performance of the MD / ED / Manager / CEO as evaluated by the Board or the NRC and approved by the Board.

OR

- In addition to the basic/fixed salary, benefits, perquisites and allowances as provided above, the Company may provide to its MD / ED / Manager / CEO, such remuneration by way of an annual incentive remuneration / performance linked bonus subject to the achievement of certain performance criteria and such other parameters as may be considered appropriate from time to time by the Board. An indicative list of factors that may be considered for determination of the extent of this component are:
 - Company's performance on certain defined qualitative and quantitative parameters, as may be decided by the Board from time to time,
 - Industry benchmarks of remuneration,
 - Performance of the individual.
- The Company will provide the rest of the employees, a performance linked incentive pay. The performance linked pay would be driven by the outcome of the performance appraisal process and the performance of the Company.

2.3 Remuneration payable to Director for services rendered in other capacity

No remuneration will be payable to the Directors for services rendered by such Director in any other capacity unless:

- (a) The services rendered are of a professional nature;
- (b) The NRC is of the opinion that the director possesses requisite qualification for the practice of the profession; and
- (c) Approval of the Central Government has been received, if required, for paying the same.

2.4 Loans to employees

The Company may grant loans to its employees on such terms and conditions as may be determined by the Board or any Committee of the Board, from time to time, in accordance with applicable laws.

2.5 Policy Implementation

The NRC is responsible for recommending the Remuneration Policy to the Board. The Board is responsible for approving and overseeing implementation of the Remuneration Policy.

Note¹ Excludes employees covered by any long term settlements or specific term contracts. The remuneration for these employees would be driven by the respective long term settlements or contracts

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. INDUSTRY OVERVIEW & OUTLOOK

Please refer to Point No. 2 of the Directors Report on Page No. 1.

2. OPPORTUNITIES & THREATS

India is one amongst few growing economies in the world and therefore demand for electricity will continue to grow. Besides, Government, of India has laid out ambitious plans for power sector as a whole with promise to reach 24*7 electricity to each household in the country. Even more encouraging is the recognition of Renewable Energy ("RE") potential to achieve this objective and therefore the plans to install 175 GW of RE by 2022.

This focus on RE will create exciting opportunities for the company as investments are expected to grow at brisk pace and the Company is geared to take advantage of these opportunities.

Biggest threat to these opportunities is the lack of commensurate, well developed capital market with adequate resources. Varied political support across many states and its institutions, few states being burdened with large share of high cost RE power and sporadic political will are other significant threats.

3. SEGMENT WISE OR PRODUCT WISE PERFORMANCE OF THE COMPANY

Please refer to Point No. 3 of the Directors Report on Page No. 1.

4. RISK AND CONCERNS

The biggest risk continues to be the overall poor financial health of State distribution and utility companies. Weak Transmission Infrastructure, problems with land acquisition in certain states, and delays in regulatory approvals are few other major concerns.

5. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Please refer to Point No. 4 of the Directors Report on Page No. 2.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Please refer to Point No. 10 of the Directors Report on Page No. 3.

7. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

Please refer to Point No. 13 of the Directors Report on Page No. 4.

INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF DIRECTORS OF TATA CLEANTECH CAPITAL LIMITED

Report on the Financial Statements

We have audited the accompanying Financial Statements of TATA CLEANTECH CAPITAL LIMITED ("the Company"), which comprises the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and the explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses on long term contract. The Company does not have any outstanding derivative contracts as at the year end.
 - iii. As at the year end, there were no amounts that were required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. In respect of the Company's fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us no material discrepancies were noticed on such verification.
2. According to the information and explanations given to us, the Company is engaged in the business of providing finance and advisory services for renewable energy, energy efficiency & water management projects which do not require it to hold any inventories. Accordingly, the provisions of paragraph 3 (ii) of the Order are not applicable to the Company.
3. The Company has not granted, secured or unsecured, to companies, firms or other parties covered in the Register maintained under Section 189 of the Act.
4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business for the purchase of fixed assets and for the sale of services. The nature of the Company's business is such that it does not involve purchase of inventories and sale of goods. During the course of our audit, we have not observed any major weaknesses in such internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted deposits. Therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
6. In our opinion, the provisions of clause 3 (vi) of the Order are not applicable to the Company as the Company is not engaged in the production of goods or in providing services covered by the Companies (Cost Records and Audit) Rules, 2014.
7. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has been generally regular in depositing undisputed dues in respect of Provident Fund, Income Tax, Profession Tax, Service Tax and other material statutory dues applicable to it with the appropriate authorities.
 - (b) There were no undisputed amounts payable in respect of Provident Fund, Income Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2015 for a period of more than six months from the date they became payable.
 - (c) According to the information and explanations given to us, there are no dues of Income Tax, Sales Tax, Service Tax, Wealth Tax, Custom Duty, Excise Duty and Cess which have not been deposited on account of any dispute.
 - (d) There are no amounts payable in respect of Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and Rules made thereunder.
8. According to the information and explanations given to us, the Company has not been registered for a period not less than five years. Therefore, the provisions of clause 3 (viii) of CARO are not applicable to the Company.

9. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of dues to a bank. Further, in our opinion and according to information and explanations given to us, the Company did not have any amount outstanding to financial institutions or debenture holders.
10. In our opinion and according to the information and explanations given to us, the Company has not given any guarantee for loans taken by others from banks and financial institutions.
11. According to the information and explanations given to us, the term loans availed during the year by the Company has been applied for the purpose for which it was obtained.
12. To the best of our knowledge and belief and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS ENDED MARCH 31, 2015

1. CORPORATE INFORMATION

Tata Cleantech Capital Limited is a wholly owned subsidiary of Tata Capital Limited and a Systemically Important Non Deposit Accepting Non-Banking Finance Company("NBFC"), holding a Certificate of Registration from the Reserve Bank of India ("RBI") received on October 19, 2012. The Company is engaged in the business of providing finance and advisory services for renewable energy, energy efficiency & water management projects.

2. SIGNIFICANT ACCOUNTING POLICIES

i. Basis for preparation of accounts

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Current assets do not include elements which are not expected to be realised within one year and current liabilities do not include items which are due after one year.

ii. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods. Example of such estimates includes provision for non - performing loans, provision for employee benefit plans and provision for income taxes.

iii. Revenue recognition

a. Income on Loan transactions

Income on loan transactions is accounted for by using the internal rate of return method. Consequently, a constant rate of return on net outstanding amount is accrued over the period of the contract, except that no income is recognised on non-performing assets as per the prudential norms for income recognition issued by the RBI for NBFCs. Interest income on such assets is recognised on receipt basis.

Upfront/processing fees collected from the customer for processing loans are primarily towards documentation charges. This is accounted as income when the amount becomes due provided recovery thereof is certain.

Service charges are collected at the time of inception of the contract. This is accounted over the tenure of the loan in the proportion of interest earned to total interest receivable during the tenure of loan.

Income from sale/assignment of loan assets is recognised at the time of sale.

b. Income from Current and Long-term Investments

Income from dividend on shares of corporate bodies and units of mutual funds is accounted on accrual basis when the Company's right to receive dividend is established.

Interest income on bonds and debentures is accounted on accrual basis.

c. Income from Advisory Services

Fees for financial advisory services are accounted based on stage of completion of assignments, when there is reasonable certainty of its ultimate realisation.

iv. Provisions for Standard/Non Performing Assets and Doubtful Debts

The Company provides an allowance for loan receivables based on the prudential norms issued by the RBI relating to income recognition, asset classification and provisioning for non-performing assets.

In addition, the Company provides for Restructured Assets including (Standard Assets) as required by the directions issued by the RBI.

v. Investments

Investments are classified into long-term investments and current investments.

a. Long-term investments

Long-term investments are stated at cost. Provision for diminution is made to recognise a decline, other than temporary, in the value of such investments.

b. Current investments

Current investments are stated at the lower of cost or market value, determined on an individual investment basis.

vi. Fixed Assets

Fixed Assets are stated at cost less depreciation, which comprises of purchase consideration and other directly attributable costs of bringing the assets to their working condition for the intended use.

vii. Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of vehicles, in whose case the life of the assets has been assessed based on the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement etc.

All capital assets with individual value less than Rs 5,000 are depreciated fully in the year in which they are purchased.

Estimated useful life considered by the Company for:

Asset	Estimated Useful Life
Vehicles	4 years

viii. Deferred revenue expenditure

Share issue expenses are amortised over a period of 36 months from the month in which the Group has incurred the expenditure.

Ancillary costs in the nature of loan processing charges and debenture issue expenses are amortised over the tenor of the loan/debenture from the month in which the Company has incurred the expenditure.

Sourcing costs are amortised over the average tenor of the loan which varies based on products financed.

Loan sourcing cost is amortised over the tenure of the loan.

ix. Employee Benefits

Employee benefits include provident fund, superannuation fund, employee fund insurance scheme, gratuity fund, compensated absences and long service awards.

Defined contribution plans

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss in the year in which they occur. The contributions as specified under the law are paid to the provident fund set up as irrevocable trust by the Company. The Company is generally liable for annual contributions and any shortfall in the fund assets based on the government specified minimum rates of return and recognises such contributions and shortfall, if any, as an expense in the year incurred.

The Company's contribution to superannuation fund and employee state insurance scheme is considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in the Statement of Profit and Loss in the period in which they occur. Past service cost is recognised immediately to the extent that the benefits are already vested and otherwise is amortised on a straight-line basis over the average period until the benefits become vested. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the year in which the employee renders the related service. The cost of short-term compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the Year in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligations at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled. Long term service awards are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date.

x. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has present obligations, as result of past events, for which it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made for the amount of obligation. Contingent liabilities are not recognised but disclosed in the financial statements. A Contingent asset is neither recognised nor disclosed in the financial statements.

xi. Taxation

Income Tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax corresponds to the net effect of tax on all timing differences, which occur as a result of items being allowed for income tax purposes during a year different from when they were recognised in the financial statements.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and items relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

Current and deferred tax relating to items directly recognised in reserves are recognised in reserves and not in the Statement of Profit and Loss

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

xii. Service tax input credit

Service tax input credit is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing / utilising the credits.

xiii. Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

xiv. Business segment

The Company is engaged in the business of asset financing. There being only one business segment and geographical segment, the segment information is not provided.

xv. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

xvi. Earnings Per Share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

Defined Contribution Plans

These are plans in which the Company pays pre-defined amounts to separate funds and does not have any legal or informal obligation to pay additional sums. The Company offers its employees defined contribution plans in the form of provident fund, family pension fund and superannuation fund. Provident fund and family pension fund cover all regular employees while the contribution to superannuation fund is at the option of the employee. Contributions towards superannuation are paid into a superannuation fund. The superannuation fund is managed by independent agencies while provident fund is managed by a Trust fund set by the the Company. While both the employees and the Company pay predetermined contributions into the provident fund, contributions into the family pension fund and the superannuation fund are made by only the Company. The contributions are based on a certain proportion of the employee's salary. The provident fund set up as a Trust by the Company manages the contributions from the Company and other participating subsidiaries. As of March 31, 2015, the accumulated members' corpus of the Company is ₹ 203 lakh whereas the total fair value of the assets of the fund and the total accumulated members' corpus is ₹ 12,871 lakh and ₹ 11,904 lakh respectively. In accordance with an actuarial valuation, there is no deficiency in the interest cost as the present value of the expected future earnings on the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of 8.75% for the first year and 8.60% thereafter. The actuarial assumptions include discount rate of 7.80%."

The Company recognised a charge of ₹ 15 lakh (previous year : ₹ 14 lakh) for provident fund and family pension fund contribution and ₹ 20 lakh (previous year ₹ 16 lakh) for contribution towards the superannuation fund in the Statement of Profit and Loss.

Defined Benefits Plans

The Company offers its employees defined-benefit plans in the form of a gratuity scheme (a lump sum amount) (included as part of Contribution to provident and other funds in Note No. 22 Employee Benefit Expense). Benefits under the defined benefit plans are typically based on years of service and the employee's compensation (generally immediately before separation). The gratuity scheme covers all regular employees. Commitments are actuarially determined at year-end. These commitments are valued at the present value of the expected future payments, with consideration for calculated future salary increases, using a discount rate corresponding to the interest rate estimated by the actuary having regard to the interest rate on government bonds with a remaining term that is almost equivalent to the average balance working period of employees. Actuarial valuation is done based on "Projected Unit Credit" method. Gains and losses of changed actuarial assumptions are charged to the Statement of Profit and Loss.
