

Independent Auditor's Report

To
Trustees
Tata Capital Innovations Fund

Report on the audit of the Financial Statements

Opinion

1. We have audited the accompanying Financial Statements of Tata Capital Innovations Fund ('the Fund'), which comprise the Balance Sheet as at 31 March 2026, and the Statement of Profit and Loss and Cash Flow Statements for the year ended on that date, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information ('the Financial Statements').
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements are prepared and presented as required by the Guidance Note on Financial Statements of Non- Corporate Entities issued by Institute of Chartered Accountants of India ('ICAI') and give a true and fair view in conformity with the Accounting Standards issued by the Institute of Chartered Accountants of India ('ICAI') read with Securities and Exchange Board of India (Alternative Investment Funds) Regulations, 2012 (as amended), of the state of affairs of the Fund as at 31 March 2026, and its loss and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') issued by ICAI. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the Code of Ethics issued by the ICAI together with the ethical requirements that are relevant to our audit of the Financial Statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Emphasis of Matter

4. Attention is drawn to Note I in the financial statements, which describe that as at balance sheet date, the Fund continues to hold one portfolio investment, and in accordance with Securities and Exchange Board of India's (Alternative Investment Funds) (third amendment) Regulations, 2024 notification dated 11 July 2024 has registered itself as a "migrated venture capital fund" under these regulations. The liquidation period for "migrated venture capital fund will end on July 19, 2026. The Investment Manager believes that it has sufficient time to take appropriate action to effect an orderly liquidation of the portfolio investments of the Fund. Accordingly, the Investment Manager has prepared the financial statements of the Fund on a liquidation basis i.e. assets are measured at lower of carrying amount and estimated net realizable values and liabilities are stated at their estimated settlement amounts in the financial statements.
Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

5. The Trustees and Investment Manager with respect to the preparation of these Financial Statements that give a true and fair view of the State of Affairs, Loss and Cash Flows of the Fund in accordance with the Accounting Principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records or safeguarding of the assets of the Fund and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the Financial Statements, the Investment manager is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Investment manager either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so. In the present case, liquidation basis of accounting has been used since the Investment manager has concluded that the use of going concern basis is not appropriate in the facts and circumstances as stated in Note 1 to the financial statements.
7. The Investment manager is also responsible for overseeing the Fund's financial reporting process.

Auditor's responsibilities for the audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - 9.1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 9.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing opinion on effectiveness of the entity's internal control.
 - 9.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Investment manager.
 - 9.4. Conclude on the appropriateness of the Investment manager's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
 - 9.5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

TATA Capital Innovations Fund

Notes forming part of the Financial Statements (continued)

for the year ended 31 March 2026

Currency: In Indian Rupees

1 About the Fund

Tata Capital Innovations Fund (the "Fund") is set up as a determinate Trust under the Indian Trust Act, 1882. The Fund is registered with the Securities and Exchange Board of India ("SEBI") as a Venture Capital Fund under the SEBI (Venture Capital Funds) Regulations, 1996 (and amendments thereto as applicable), vide Registration Number IN/VCF/09-10/155. As per SEBI guidelines, the Fund is now converted into Category I Alternative Investment Fund – Venture Capital Fund (Migrated), vide Registration Number IN/AIF1/25-26/1960.

Tata Trustee Company Private Limited (the "Trustee") (formerly known as Tata Trustee Company Limited) is the trustee of the Fund. The Trustees have appointed Tata Capital Limited as the "Investment Manager".

The Fund is a close ended fund established to provide the Investor an opportunity to harness benefits of innovations. The Fund offers two classes of units – Class A Units to the contributors and Class B Units to the Investment Manager or such other person as the Investment Manager may recommend.

As at balance sheet date, the Fund continues to hold one portfolio investment. The Fund has registered itself as a "migrated venture capital fund" in accordance with Securities and Exchange Board of India's (Alternative Investment Funds) (third amendment) Regulations, 2024 notification dated 11 July 2024. The liquidation period for "migrated venture capital fund" ends on July 19, 2026. The Investment Manager believes that it has sufficient time to take appropriate action to effect an orderly liquidation of the portfolio investments of the Fund. Accordingly, the Investment Manager has prepared the financial statements of the Fund on a liquidation basis.

2. Significant Accounting Policies

(i) Basis of preparation of financial statements

The financial statements comprising of Balance Sheet, Statement of Profit and Loss, Cash Flow Statement and the accompanying notes of the Fund have been prepared and presented in accordance with the Accounting Standards ("AS") prescribed by the Institute of Chartered Accountants of India ("ICAI") for non-company entities, as applicable to the Fund based on its classification under the revised criteria announced by the ICAI Council at its 433rd meeting held on August 13–15, 2024, effective for accounting periods commencing on or after April 1, 2024 and in compliance with the requirements of the Securities and Exchange Board of India (Alternative Investment Funds) Regulations, 2012, as amended ("SEBI AIF Regulations") issued by the Securities and Exchange Board of India ("SEBI").

The Fund, being a trust registered under the Indian Trusts Act, 1882 and not being a corporate entity within the meaning of the Companies Act, 2013, constitutes a Non-Corporate Entity and accordingly, the financial statements have been prepared and presented in conformity with the ICAI Guidance Note on Financial Statements of Non-Corporate Entities (hereinafter referred to as "the Guidance Note"). The formats for the Balance Sheet, Statement of Profit and Loss, and the accompanying notes prescribed in the Guidance Note have been adopted in the preparation of these financial statements.

TATA Capital Innovations Fund

Notes forming part of the Financial Statements (continued)

for the year ended 31 March 2026

Currency: In Indian Rupees

2. Significant accounting policies (continued)

(ii) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles ('GAAP') in India requires the Investment Manager to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and disclosure of contingent assets and liabilities as on date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon Investment Manager's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Such differences are recognised in future periods.

(iii) Revenue recognition

Interest income on fixed deposits is accrued proportionately based on period for which the fixed deposit is placed. Dividend income is recognised when the right to receive the income is established.

(iv) Expenditure

(i) Investment management fees are accrued evenly over the period to which they relate, on the basis of the agreed terms and are charged to Statement of Profit and Loss.

(ii) Other expenses incurred by the Investment Manager on behalf of the Fund are charged to the Statement of Profit and Loss of the Fund in the year in which such costs are incurred.

(v) Investments

Portfolio investments made by the Fund are initially classified as long term investments. Such investments are reclassified as current investments when the Investment Manager is actively engaged in/negotiating for disposing off these investments. Long term investments are carried at cost, less provision for other than temporary diminution in value, if any. Investments held for sale are stated at cost or market value whichever is lower. Cost includes purchase cost and related expenses such as brokerage and stamp duties. The differences between carrying cost and redemption/sale proceeds net of expenses are recognized in the Statement of Profit and Loss in the period in which the transaction of sale/redemption is effected. For calculation of profit/loss on investments, cost is calculated using first in-first out method.

Pursuant to the requirements of Regulation 23 of the SEBI AIF Regulations, which prescribes the valuation framework for investments, Investments of the Fund are measured at Fair Value in accordance with the valuation policy approved by the Investment Manager and the Trustee and in conformity with Regulation 23 of the SEBI AIF Regulations read with the applicable Master Circular for Alternative Investment Funds issued by SEBI.

(vi) Foreign currency

Initial recognition

Transactions in foreign currencies entered into by the Fund are accounted at the exchange rates prevailing on the date of the transaction or at rates that closely approximate the rate at the date of the transaction.

Measurement at the balance sheet date

Foreign currency monetary items (other than derivative contracts) of the Fund, outstanding at the balance sheet date are restated at the year-end rates. Non-monetary items of the Fund are carried at historical cost.

1

TATA Capital Innovations Fund

Notes forming part of the Financial Statements (continued)

for the year ended 31 March 2026

Currency: In Indian Rupees

2. Significant accounting policies (continued)

(vii) Cash and bank balances (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash balances are short-term deposits with banks (with original maturity of three months or less from the date of acquisition) and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Statement of cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Fund are segregated based on the available information.

(viii) Provisions and contingencies

A provision is recognized when the Fund has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are not recognized in the financial statements. However, they are assessed continually, and if it has become virtually certain that inflow of economic benefits will arise, the asset and related income are recognized in the financial statements.

The accounting policies adopted in the preparation of these financial statements are consistent with those applied in the immediately preceding financial year.

iv) Fair value disclosure

a) The fair value of the following portfolio investments have been determined by an independent valuer on the following basis:

- For instruments traded on active markets, the fair value is determined with reference to quoted market prices on National Stock Exchange of India Limited (and if not quoted in National Stock Exchange of India Limited then BSE Limited); and
- For other instruments, using generally accepted valuation approaches and valuation methods viz. income approach, cost approach and market approach – considered and applied in each case to the extent relevant and applicable.

TATA Capital Innovations Fund

Notes forming part of the Financial Statements (continued)

for the year ended 31 March 2026

Currency: In Indian Rupees

8. Current portion of long term investments (continued)

iv) Fair value disclosure (continued)

Based on the above, the fair values and the assumptions used for determining the fair value are as under:

Investment	Valuation approach and methodology adopted	Significant valuation assumption adopted by the independent valuer
		Range of multiples considered and used
Sea6 Energy Private Limited	Market Approach: Calibrated Comparable Companies Method	Market Approach – Calibrated Comparable Companies Method TEV/LTM Revenue: 3.2x to 9.7x

TEV= Business Enterprise Value

TEV is the total value of the equity in a business plus the value of its debt or debt-related liabilities, minus any cash or cash equivalents available to meet those liabilities.

The aggregate fair value estimated by management of the above investments is ₹ 300,000,000 (31 March 2025: ₹ 366,000,000). Sale proceeds of Investments constitute distributable proceeds and will be distributed in the order of priority as specified in the Contribution Agreement. A part of the distributable proceeds will be paid to the Investment Manager as catch up and carried interest.

Estimates / projections and related assumptions have been made by the Management while deriving the fair value for aforesaid investments.

As Auditor		
Audit fees	472,000	472,000
Total	472,000	472,000

v) Income tax

As per the provisions of section 10(23FB) of the Income-tax Act, 1961 (the "Act"), income earned by a SEBI registered venture capital fund ("VCF") from investments in venture capital undertaking ("VCU") ("qualifying income") is exempt from tax in the hands of the VCF and the beneficiaries of the Fund would be taxable as per section 115U of the Act in the same manner as if it were the income accruing / arising / received by the beneficiaries had the beneficiary made investment directly in the VCU.

In view of the above, the qualifying income earned by the Fund is exempt from tax in the hands of the Fund. The non – qualifying income i.e. income of the VCF other than from investment in VCUs would not be eligible for exemption under Section 10(23FB) of the Act and shall be taxed in the hands of the VCF in accordance with the provisions of the Act governing taxation of trusts.

The Fund is a determinate trust and therefore the non-qualifying income would be taxed in the hands of the Trustees of the Fund in representative capacity in like manner and to the same extent as that of the beneficiaries as if the beneficiaries have directly earned such income.

15. Segment reporting

The Fund is engaged in a single business segment viz. investing in growth based companies. Also it operates within India which is a single geographic segment. In absence of separate reportable segment, the disclosure required under Accounting Standard (AS) 17 on "Segment Reporting" have not been made.
