**Mumbai, January 19, 2026:** A meeting of the Board of Directors of Tata Capital Limited (TCL) was held today to consider and approve the unaudited consolidated financial results for the quarter ended December 31, 2025.

Commenting on the financial results, **Mr. Rajiv Sabharwal, Managing Director & CEO**, Tata Capital said, "We witnessed sustained business momentum in Q3FY26, with broad-based growth across products. Excluding Motor Finance, AUM grew 26% year-on-year to ₹ 2,34,114 crore, and comparable PAT<sup>(1)</sup> increased by 39% year-on-year to ₹ 1,285 crore for Q3FY26. Credit quality continued to remain robust, with early leading indicators reflecting stable portfolio performance across segments. Unsecured retail disbursements, which were moderated earlier as a prudent risk measure, have seen a gradual uptick, with slippages coming down. Our distribution network and strategic focus on digital and GenAI capabilities, continue to drive operating efficiencies."

On Consolidated business including Motor Finance, he added "In Q3FY26, our AUM grew 7% quarter-on-quarter and PAT<sup>(1)</sup> rose 18% to ₹1,290 crore. Our Motor Finance segment achieved PAT<sup>(1)</sup> breakeven this quarter, and we remain focused on executing our strategic priorities."

From a macro perspective he stated "India's growth outlook remains robust, underpinned by resilient domestic demand, favorable demographics, and strong macroeconomic fundamentals. Recent policy initiatives - such as GST rationalization, tax relief measures, repo rate cuts, and accommodative liquidity policies - are expected to further stimulate consumption and economic activity. We are well positioned to leverage these tailwinds, contribute to India's long-term growth, and deliver sustainable value for all stakeholders."
