EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**Item No. 1**

In terms of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“**SEBI Listing Regulations**”), any transaction with a related party shall be considered material, if the transaction(s) entered into / to be entered into individually or taken together with the previous transaction(s) during a financial year exceeds the thresholds for material related party transactions of company and shall require prior approval of shareholders by means of an ordinary resolution.

Pursuant to Regulation 23 of SEBI Listing Regulations, where the annual consolidated turnover of a listed entity exceeds Rs. 20,000 crore and is upto Rs. 40,000 crore, a related party transaction is considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds Rs. 2,000 crore plus 5% of the annual consolidated turnover of the listed entity or Rs. 5,000 crore, whichever is lower. Based on the said criteria, the materiality threshold for seeking shareholders’ approval for related party transactions of Tata Capital Limited (“**TCL**”/ “**Company**”) is Rs. 2,577 crore. The said limit is applicable, even if the transactions are in the ordinary course of business of the Company and at an arm’s length basis.

Tata Sons Private Limited (“**TSPL**”), holding company of TCL holds 78.8% of the equity share capital of the Company. TSPL also holds 31.76% equity share capital of Tata Steel Limited (“**Tata Steel**”). Tata Steel is an associate of TSPL. In view of the said holding structure, Tata Steel is considered as a related party of the Company and its subsidiaries as per the Companies Act, 2013 and SEBI Listing Regulations.

The Company under its Corporate Program provides the facility of factoring of receivables from the Distributors/Dealers/ Original Equipment Manufacturers (“**Customers**”) of Tata Steel along with other facilities such as Leasing to Tata Steel.

Under the Factoring arrangement, Tata Steel discounts with TCL, the sales receivables from its Customers arising out of goods sold to them on credit. For these facilities, Tata Steel pays discounting charges to TCL. These facilities are without any recourse to Tata Steel. TCL’s exposures are to the Customers of Tata Steel who are evaluated on an independent basis for each Customer. However, these factoring transactions will be regarded as related party transactions with Tata Steel based on the definition of related party transactions under SEBI Listing Regulations.

Under the Leasing arrangement, TCL extends lease facilities to Tata Steel for its business requirements wherein the underlying assets are IT assets, passenger cars, capital goods, commercial vehicles or other assets. For the lease facilities provided to Tata Steel, Tata Steel pays lease rentals to TCL. Further, TCL may also purchase certain products/goods/assets from Tata Steel for its business requirements as also provide other finance facilities to Tata Steel.

Since TCL is engaged, *inter alia*, in the business of lease financing, factoring of receivables and other financing activities, the proposed transactions form part of its ordinary course of business. Based on current estimates and business requirements, approval is sought for a cumulative transaction limit of up to Rs. 15,060 crore for the financial year 2026–27. The proposed transaction limit is based on the anticipated onboarding of additional eligible Customers of Tata Steel under the factoring programme, expected growth in the domestic steel market and increased business volumes associated with the capacity expansion undertaken by Tata Steel. These transactions are proposed to be undertaken in accordance with the Company’s policies, credit evaluation framework and risk assessment processes, and on terms comparable to similar transactions with unrelated third-parties.

The proposed transaction value of Rs. 15,060 crore comprises the aggregate value of receivables that may be factored by TCL, together with the related interest income in case of factoring transactions and lease rentals in case of leasing transactions and other finance facilities that may be provided by TCL. However, the economic benefit accruing to TCL from these transactions would be limited to discounting charges in respect of factoring transactions and lease rentals in respect of leasing transactions. Accordingly, the revenue impact to TCL would be significantly lower than the transaction value for which shareholder approval is being sought.

During FY 2025–26, the cumulative value of factoring and leasing transactions undertaken by TCL with Tata Steel aggregated to approximately Rs. 8,490.68 crore, while the corresponding revenue to TCL from such transactions was Rs. 36.94 crore.

The proposed transactions with Tata Steel will not exceed the applicable materiality threshold of Rs. 2,577 crore, by the time the shareholders’ approval is sought.

TCL will undertake these transactions in furtherance of its business activities which will help in generating revenue and enhancing its business operations and thus, are in the interest of the Company.

The Management has placed before the Audit Committee all relevant details of the proposed related party transactions, as required under applicable laws, including material terms, rationale, justification and the basis of pricing. The Audit Committee has reviewed the certificate provided by the Managing Director & CEO and Chief Financial Officer of the Company confirming that the terms of transactions proposed to be entered into with Tata Steel are in the interest of the Company. The members of the Audit Committee, who are independent directors, after reviewing all necessary information, accorded their approval for entering into material related party transactions with Tata Steel for an aggregate value of up to Rs. 15,060 crore for FY 2026-27 as detailed below:

| Sr. No. | Nature of transactions | Amount (Rs. in crore) |
|---------|---|-----------------------|
| 1 | Finance facilities (Factoring, Leasing, etc.) | 15,020 |
| 2 | Purchase of products/goods/assets | 40 |
| | Total | 15,060 |

The Audit Committee has noted that the proposed transactions shall be undertaken at arm's length and in the ordinary course of business of the Company.
