### Safeguards for the protection of holder of NCDs

Taking into consideration (i) the report submitted by the Audit Committee recommending the draft Scheme, (ii) the Valuation Reports issued by the independent registered valuer and (iii) the Fairness Opinions issued by SEBI registered independent merchant banker the proposed entitlement ratio as recommended by the Registered Valuer and certified as fair by the Merchant Banker was approved by the Board.

Thus, the Scheme envisages that the holders of NCDs of Transferor Companies will become holders of NCDs of Transferee Company at exactly the same terms, including the coupon rate, tenure, redemption price, quantum, and nature of security, ISIN, respectively. Therefore, the Scheme will not have any adverse impact on the holders of the NCDs and thus adequately safeguards interests of the holders of the NCDs.

### Exit offer to the dissenting holders of NCDs

The same will be guided by the respective disclosure documents.
