The Obligors hereby, jointly and severally, shall ensure that the payment of the PMII (if applicable), Monthly Instalments shall not be stopped for any reason whatsoever.
- 3.3. Notwithstanding anything contained in the Facility Documents, the Lender shall have the right, at any time or from time to time, to review and reschedule the PMII (if applicable), Monthly Instalments, tenure or the amount of the Facility, with or without any application in this regard having been made by the Borrower, in such manner and to such extent as the Lender may in its sole discretion decide on account of changes necessitated because of any part payment made by the Obligors or changes in percentage of Interest payable under the agreed method of computation of Interest or conversion by the Obligors from one type of Rate of Interest to the other type(s). Provided that if as a result of such review/ rescheduling, the original tenure of the Facility is required to be extended, the same shall be done only to the extent of the unutilized portion of the Maximum Tenure. In such event/s the Borrower shall repay the Facility or the outstanding amount thereof as per the revised schedules as may be determined by the Lender in its sole discretion and intimated to the Borrower in writing. The Borrower shall forthwith issue fresh PI(s), in case:

- (i) of any variation in the date for payment of PMII (if applicable), Monthly Instalments;
- (ii) of any variation in the amount of interest, principal or Monthly Instalments;
- (iii) of any variation in the number of PMII and/or Monthly Instalment;
- (iv) the Monthly Instalment is not adequate to cover Interest payments in full;

- 3.4. Where the Facility is disbursed by a single disbursement, the Facility shall be repaid in accordance with the agreed Monthly Instalment. Where the Facility is disbursed in more than one instalment, the Borrower may choose, under the Facility Documents, one of the following three options:

(i) Option 1 – PMII

Under the Option 1, the Monthly Instalments shall commence only after the entire Facility has been disbursed by the Lender to the Borrower. Before such date the Lender shall only charge PMII from the Borrower.

(ii) Option 2 – Monthly Instalment on full amount of the Facility

Under Option 2, it shall be deemed that the Disbursement(s) shall have occurred on the date of first Disbursement itself, which will be a portion of the Facility, although balance disbursements may be made on subsequent dates. Consequently, Monthly Instalments on the entire Facility amount shall commence and be payable from the date on which the first Disbursement is made by the Lender. The Monthly Instalments payable shall have been calculated by the Lender on the basis that the entire Facility amount has been disbursed, even though only a part of the Facility amount may actually have been disbursed by the Lender and the Borrower shall pay the same on the terms and conditions provided under the Facility Documents. In the event the entire Facility is not disbursed by the Lender either at the request of the Borrower or for any other reason whatsoever, the Lender shall make adjustment to the Repayment Schedule of the Borrower by rescheduling the tenure of the Facility only. It is hereby clarified that the Monthly Instalments shall, as a result of any such rescheduling, remain unchanged.

(iii) Option 3 – Monthly Instalment on the Disbursed Amount

Under the Option 3, the Monthly Instalments shall commence and be payable by the Borrower from the date on which the first Disbursement is made by the Lender. The Monthly Instalments shall be calculated by the Lender on the basis that the entire Facility amount has been disbursed. However, the number of Monthly Instalments payable by the Borrower to the Lender shall be only so many as shall be sufficient for repayment of the amounts actually disbursed by the Lender. When the Lender makes further Disbursement to the Borrower, the Lender shall provide for amortization of such additional monies disbursed by increasing the number of Monthly Instalments to be paid by the Borrower while the amount of each Monthly Instalment shall remain unchanged.

- 3.5. It is hereby clarified that in the event the Borrower has, after one or more Disbursement(s) but before any subsequent Disbursement(s) by the Lender, repaid to the Lender the entire amount disbursed by the Lender till such time along with Interest, Additional Interest, fees, costs, other charges and expenses payable by the Borrower to the Lender under the Facility Documents for the principal monies disbursed by the Lender till that date, the Facility Documents shall continue to be in force and effect notwithstanding that for some period of time (till further Disbursement by the Lender) there may be no monies outstanding and payable by the Borrower to the Lender.

4. INTEREST

- 4.1 The Borrower may indicate the Rate of Interest, such as Fixed Rate of Interest, Adjustable Rate of Interest or Combined Rate of Interest, in the Facility Documents.

The Obligors agree that both in the cases of Fixed Rate of Interest as well as Adjustable Rate of Interest, the Lender shall have the right to increase or decrease the Rate of Interest payable by increasing /decreasing the spread or otherwise. The said change in Rate of Interest payable may be carried out irrespective of any change in the RPLR. Notwithstanding any variation in RPLR due to any downward revision, the Borrower shall be liable to pay a minimum Rate of Interest as stipulated in the Facility Documents. Notwithstanding the above, the Lender shall in its discretion be entitled to change the Fixed Rate of Interest with intimation to the Obligors.
- 4.4 In the event the Borrower agrees that the Borrower shall be entitled to Adjustable Rate of Interest or Combined Rate of Interest offered by the Lender, the Rate of Interest applicable to the Facility and the terms applicable to such Adjustable Rate of Interest or Combined Rate of Interest, in addition to the general terms stated under the Facility Documents, are as stated under the Facility Documents.
- 4.5 The Borrowers shall also be liable to pay the PMII, if applicable.

- 4.8 The Lender shall declare and display such revision in its Rate of Interest and the same shall be declared and announced on its website and/or displayed/notified on notice boards at its various branches and the same shall be deemed to be a notice to the Borrower for such revision. The Borrower hereby agrees that it shall be the duty of the Borrower to ensure that it keeps itself updated of any such changes or variations by visiting the website or the relevant branch of the Lender. The Lender shall also notify the Borrower of such change in the Rate of Interest. Such revised Rate of Interest shall be applicable prospectively. The Borrower shall in addition, pay and/or reimburse to the Lender, as the case may be, interest tax and any other Tax or other levy as may be levied on, or in respect of Interest payments under these presents. The Borrower shall not dispute the same or raise any objection with regard to the payment of the Interest and charges and the amount thereof.

The prepayment shall not take effect before the actual payment is received/realized by the Lender and all Interest and other charges would be leviable till the apportionment of the payments received/realized by the Lender.
- 5.2 In the event such part-closure is not permitted by the Lender, any excess payment made by the Borrower over and above the value due at any time during the tenure of the Facility will be held in suspense under the said account (as excess) by the Lender. Such excess payment held by the Lender will not accrue any interest. The Lender may apportion the said amount against any future /past Outstandings on the said account/any account held by the Borrower that may remain unsettled by the Borrower for any reason.
- 5.3 In case of any prepayment made by the Borrower, the Repayment Schedule may be amended/altered by the Lender in its sole and absolute discretion.

6. MODE OF REPAYMENT

- 6.1 The Borrower shall repay/pay the monies in respect of the Facility through any PI(s). The Lender may, in its sole discretion, require the Borrower to adopt or switch to any alternate mode of payment and the Borrower shall comply with such request, without any demur or delay.
- 6.2 The Borrower shall issue, in favor of the Lender, the PI(s) as agreed with the Lender towards payment/repayment of the PMII (if applicable)/Monthly Instalments. The PI(s) issued by the Borrower in respect of the Facility may also be used by the Lender for any subsequent Facility availed by the Borrower from the Lender and all the provisions hereof shall apply thereto. Wherever required, the Borrower shall issue irrevocable instructions (in a form and substance satisfactory to the Lender) to the Borrower's bankers to ensure periodic payment to the Lender pursuant to the PI(s) issued by the Borrower. The failure of the Borrower's bank for any reason to so transfer any such amounts to the Lender shall tantamount to a failure by the Borrower to pay the amounts and shall constitute an Event of Default. The Borrower shall provide to the Lender a confirmation (in a form and substance satisfactory to the Lender) of the acceptance by the Borrower's bank of the above instructions.

- 6.3 Save and except with the prior written consent of the Lender, the Borrower shall not, under any circumstances, revoke, cancel or alter the instructions or cancel or issue stop-payment instructions with respect to the PI(s) issued or do or omit to do anything which may result in the Borrower's bank not transferring the amounts equal to the PMII (if applicable)/Monthly Instalments/amounts due under the Facility Documents to the bank account of the Lender on the relevant Due Date. Any attempt to do so shall be considered as an Event of Default.
- 6.4 Any amounts (not being the principal amount of the Facility or Interest thereon) are outstanding for payment by the Borrower either under the Facility Documents or on account of Indebtedness of the Borrower, the Lender shall be entitled to encash the PI(s) for the satisfaction of such outstanding amounts notwithstanding that PI(s) have been issued for repayment of the principal amount of the Facility and/or interest thereon, and the Borrower shall continue to be indebted to the Lender for the Facility and/or interest, as the case may be.
- 6.5 Notwithstanding anything contained in the Facility Documents, and irrespective of the mode of payment selected by the Borrower in the Facility Documents, upon any default by the Borrower in payment of one or more PMII (if applicable)/Monthly Instalments on the Due Date pertaining to the Facility, any non-realization of the PMII (if applicable)/Monthly Instalments on the Due Date by the Lender, the Lender shall be entitled, without prejudice to its other rights under the Facility Documents and Applicable Law, to present and/or re-present the PI(s), if any, issued by the Borrower in favor of the Lender in connection with the Facility. Irrespective of the mode of payment/date of payment, selected by the Borrower in the Facility Documents, the Lender shall be entitled to require the payment and/or collection of the PMII (if applicable)/Monthly Instalments and all other amounts comprising the Outstandings, by any other PI(s), if any, issued by the Borrower in favor of the Lender or utilizing any other mode or manner of payment or repayment of the PMII (if applicable)/Monthly Instalments and all other amounts comprising the Outstandings.
- 6.6 All PI(s) issued by the Borrower in favor of the Lender are for the purpose of discharge of the Outstandings that may be due to the Lender under the Facility and the same are not proposed to be issued as and by way of a Security for any purpose whatsoever. The PI(s) are intended to be used at any time by the Lender as the Lender may consider fit and proper, to recover the Outstandings owed by the Borrower to the Lender, and the Borrower, by executing the Application Form and other relevant Facility Documents, has unconditionally and irrevocably authorised the Lender for the same.
- 6.7 By execution of the Application Form and other relevant Facility Documents, the Borrower has unconditionally and irrevocably authorised the Lender to fill one or more of the PI(s) delivered to the Lender for an aggregate amount not exceeding the maximum amount due by the Borrower to the Lender under the Facility Documents (including those pertaining to any amount subsequently availed by the Borrower) without notice to Borrower in this behalf. In the absence of such authority having been given by the Borrower to the Lender, the Lender would not have granted the Facility to the Borrower.
- 6.8 The authority given by the Borrower to the Lender herein to fill in the details of the PI(s) including the amounts payable is as permitted under the provisions of Section 20 of the Negotiable Instruments Act, 1881 and the same does not amount to a material alteration of the said PI(s) by the Lender. By execution of the Facility Documents, the Borrower has agreed and confirmed that in the event the acts of the Lender in filling the PI(s) as aforesaid are construed by any court, tribunal, Authority or other person or forum, judicial, quasi-judicial, non-judicial, governmental, semi-governmental or non-governmental to be an alteration within the meaning of the Negotiable Instruments Act, 1881:
- 6.8.1 the Borrower has provided Borrower's consent for such an alteration and that by reason of such alteration, the PI(s) shall/should not be construed to be void or otherwise unenforceable and the Borrower has agreed and accepted to honor such PI(s) when presented for payment;
- 6.8.2 the Borrower has confirmed that such alteration is made to record the common intention of the Lender and Borrower, which common intention is to fill in the PI(s) with the amounts due by the Borrower to the Lender and to present the same for payment on such dates as the Lender may in its absolute and sole discretion decide.
- 6.9 In this regard the Borrower has also agreed to irrevocably nominate, constitute and appoint the Lender acting through any of its officers, agents as the true and lawful attorney for the Lender on its behalf and its cost and risk to do, execute and perform all or any of the following acts, deeds, matters and things that is to say:-
- 6.9.1 To appoint or engage any agent, courier agencies, correspondent banks for ensuring safe holding of PI(s) and having the same picked up, processed and cleared at the Borrower's risks and costs;
- 6.9.2 Generally to do, perform and execute all acts, deeds, matters and things relating to or concerning or touching the repayment of the Facility;
- 6.9.3 For the better doing, performing and executing all the matters and things aforesaid, the Borrower hereby further grants unto the said Lender full power and authority to substitute and appoint in its place and stead on such terms as it may think fit one or more attorney(s) to exercise for the Borrower as the Borrower's attorney(s) any or all the powers and authorities hereby conferred, to revoke any such appointments and to substitute or appoint any other person(s) in place of such attorney(s) as Lender may from time to time think fit; and
- 6.9.4 The Borrower has also agreed to ratify and confirm all and whatsoever that the Lender shall do or cause to be done in or about the premises by virtue of the powers herein given.
- 6.10 The authority and powers given to the Lender under the Facility Documents is for a consideration and is irrevocable under Section 202 of the Indian Contract Act, 1882 and such authority/power shall survive the death/winding up/dissolution of the Borrower. Further, the Borrower will be required to honor all the PI(s) when presented for payment by the Lender and not to take any steps, which in any way are likely to affect the payment thereunder to the Lender.
- 6.11 If the Lender for any reason modifies the amount of the PMII (if applicable)/Monthly Instalment, the Borrower shall issue fresh PI(s)/instructions to the Borrower's bank to ensure that the amount of the modified Monthly Instalment is transferred to the Lender under PI(s) and the Borrower shall provide the Lender with proof of these instructions and the acceptance thereof by the Borrower's bank. Failure to provide such fresh instructions shall be considered as an Event of Default by the Borrower.
- 6.12 If the Due Date in respect of any amounts payable in respect of the Facility falls on a day which is not a Business Day at the place where the payment is to be made, the immediately preceding Business Day shall be the Due Date for such payment.
- 6.13 Credit for payments by any method will be given only on realisation or on the relative Due Date(s), whichever is later. The acceptance by the Lender of any payment which is less than the full Monthly Instalment or other amounts due and owing at such time shall not constitute a waiver of the Lender's right to receive payment in full at such time or at any subsequent time or a waiver of any other right whatsoever of the Lender under the Facility Documents or Applicable Law.
- 6.14 The Borrower shall promptly issue fresh PI(s), as and when requested by the Lender, if the PI(s) submitted by the Borrower to the Lender are exhausted or about to exhaust or if the Lender is facing any difficulty/impediment for any reason whatsoever in presenting such PI(s) or if required at any time by the Lender at its sole discretion.
- 6.15 The Lender shall not in any way be responsible for delay, omission, or neglect in encashment, damage or loss of any PI(s) for any reasons whatsoever, and shall not be liable to the Obligors in this respect.
- 6.16 The Borrower may, subject to prior approval by the Lender, be permitted to swap/exchange the PI(s) issued to the Lender with alternate PI(s) subject to payment to the Lender of the charges as specified in the Facility Documents.
- 6.17 Any dishonour of any PI(s), would constitute an offence under Section 138 of the Negotiable Instruments Act, 1881 or Section 25 of the Payment and Settlement Systems Act, 2007, as the case maybe.
- 6.18 If any one or more than one or all the PI(s) delivered to the Lender by the Borrower:
- 6.18.1 is/are lost, destroyed or misplaced while in custody of the Lender or its agents; or
- 6.18.2 becomes non-encashable due to any reason; then, the Borrower/the Borrower's executors/heirs/successors shall, within the timelines specified in the Facility Documents, of receipt of any intimation of such loss, destruction or non-encashment of such PI(s) or misplacement

(as the case may be) from the Lender or immediately on such PI(s) or any of those being or becoming non-encashable due to any reason, immediately deliver to the Lender such numbers of fresh PI(s) to replace such PI(s). The replacement PI(s) shall be drawn in the manner mentioned in Facility Documents or as directed by the Lender. Any non-presentation on the part of the Lender of any PI(s) (due to any reason whatsoever) shall not in any manner affect the liability of an Obligor to pay/repay the Outstandings or its other obligation under the Facility Documents or in respect of the Facility.

- 6.19 The Borrower shall not give any instructions to the Lender, to not deposit or otherwise to not encash any or all of the PI(s) given by it. In the event of the Borrower or any other person on behalf of the Borrower giving such instructions, then it shall be presumed that the same was done to avoid prosecution under the provisions of the Negotiable Instruments Act, 1881/Payment and Settlement Systems Act, 2007. Any dishonour of the PI(s) or their being returned unpaid for any reason shall give rise to the presumption that, the Borrower from the very inception had no intention to honour the PI(s) and the same were given with a malicious intention to fraudulently obtain the Facility and the Borrower shall be liable to be prosecuted under the provisions of any law applicable in this regard.
- 6.20 The Borrower shall have and shall maintain sufficient balance in the account of the drawee bank for payment of PI(s) issued by the Borrower on and immediately prior to the Due Date(s) when the relevant PI(s) become mature and payable and thereafter to honour any such PI(s).
- 6.21 No notice, reminder or intimation shall be required to be given by the Lender to the Borrower prior to the presentation of any PI(s) to the drawee banks for encashment thereof.
- 6.22 PI(s) shall be drawn on a bank acceptable to the Lender and situated in a locality in the city/ town where the concerned branch of the Lender is situated. The number of such PI(s) shall be equal to the Monthly Instalments payable by the Borrower to the Lender.
- 6.23 In the event that the Borrower does not deliver to the Lender PI(s) in respect of all the Monthly Instalments payable by the Borrower to the Lender in settlement of the Outstandings to the Lender under the Facility Documents at the same time and chooses to do so in instalments, the Borrower shall at least 6 (six) months prior to the date on which the last PI(s) already delivered by the Borrower to the Lender becomes due for payment, deliver to the Lender the next set of PI(s) in respect of balance Monthly Instalments payable by the Borrower to the Lender in settlement of the Outstandings to the Lender under the Facility Documents.
- 6.24 In case of any failure to receive the PMII (if applicable)/Monthly Instalments or any other amounts due, through the electronic clearing system (debit) for any reason whatsoever as specified by the Borrower, the Lender shall, irrespective of the mode of payment selected by the Borrower in the Facility Documents, be entitled to require the payment and/or collection of the PMII (if applicable)/Monthly Instalments/other amounts, or the PI(s), if any, submitted by the Borrower, by means of electronic clearing system (debit). The Lender may adopt the aforesaid process by itself or through such other person permitted for the same.
