Independent Auditors' Report on Annual Financial Results under Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the year ended 31 March 2021

To the Board of Directors of
Tata Cleantech Capital Limited

Report on the audit of the Annual Financial Results

Opinion

We have audited the accompanying annual financial results of Tata Cleantech Capital Limited (hereinafter referred to as “the Company”) for the year ended 31 March 2021, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“Listing Regulations”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid annual financial results:

- i. are presented in accordance with the requirements of Regulation 52 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the year ended 31 March 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (“SAs”) specified under section 143(10) of the Companies Act, 2013 (“the Act”). Our responsibilities under those SAs are further described in the *Auditor’s Responsibilities for the Audit of the Annual Financial Results* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the annual financial results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

Independent Auditors' Report (Continued)

Tata Cleantech Capital Limited

Emphasis of Matter

As more fully described in Note 5 to the annual financial results, the extent to which the COVID-19 pandemic will have impact on the Company's financial performance is dependent on future developments, which are highly uncertain.

Our opinion is not modified in respect of the above matter.

Management's and Board of Directors' Responsibilities for the Annual Financial Results

These annual financial results have been prepared on the basis of the annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditors' Report (Continued)

Tata Cleantech Capital Limited

Auditor's Responsibilities for the Audit of the Annual Financial Results (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The annual financial results include the results for the for half year ended 31 March 2021 and those of the corresponding previous half year ended 31 March 2020 being the balancing figure between the audited figures in respect of the full financial year and the published audited year-to-date figures up to the half year ended 30 September 2020 and 30 September 2019 respectively.

Our opinion is not modified in respect of this matter.

Notes: -

- The above results have been reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors at their respective meetings held on April 21, 2021. The Statutory Auditors of the Company have carried out audit of the aforesaid results.
- The financial results have been prepared in accordance with and comply in all material aspects with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant provisions of the Act. The annual financial statements, used to prepare the financial results, are based on the notified Schedule III of the Act, as amended from time to time, for Non-Banking Financial Companies that are required to comply with Ind AS.
- The Company is regulated by the Reserve Bank of India ('RBI'). The RBI periodically issues / amends directions, regulations and / or guidance (collectively "Regulatory Framework") covering various aspects of the operation of the Company, including those relating to accounting for certain types of transactions. The Regulatory Framework contains specific instructions that need to be followed by the Company in preparing its financial statements. The financial results for the current and previous period may need to undergo changes in measurement and / or presentation upon receipt of clarifications on the Regulatory Framework or changes thereto.

- 4 In accordance with the RBI circulars on COVID-19 Regulatory Package dated March 27, April 17 and May 23, 2020, the Company had granted a moratorium of up to six months on payment of instalments, falling due between March 1, 2020 and August 31, 2020 to eligible borrowers as per the Company's policy approved by the Board. For all such accounts where the borrower has been granted moratorium, the asset classification remained standstill during the moratorium period (i.e. the number of days past-due ('DPD') shall exclude the moratorium period for the purposes of staging) . During the year ended March 31, 2021, the aggregate outstanding of the borrowers to whom moratorium was extended amounted to Rs. 2,11,616 lakhs. Of the above, due to the moratorium benefit, the overdues of only Rs. 8,776 lakhs were ranging between DPD 1-89 days. All these accounts have been classified as standard as at March 31, 2021. Of the above, none of the borrower accounts have got an asset classification benefit extended (accounts not classified as Stage 3) as at March 31, 2021 under the abovementioned COVID-19 Regulatory Package. The Company has assessed its Expected Credit Loss in line with the RBI circular RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020. Accordingly, no impairment reserve is required to be created and no provision has been adjusted during the accounting period.
- 5 Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. This may lead to a rise in the number of borrowers defaults and consequently an increase in corresponding provisions. The extent to which the COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Company's performance will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us. The Company has assessed the potential impact of COVID-19 on the carrying value of its assets based on relevant internal and external factors / information available, upto the date of approval of these financial results. In order to cover the impact of COVID-19 on the future expected credit losses, the Company is carrying a provision of Rs. 3,500 lakh as on March 31, 2021. (For the year ended March 31, 2020 Rs 2,500 lakh).
- 6 RBI circular dated April 7, 2021 advised all lending institutions to put in place a Board-approved policy to refund/adjust the 'interest on interest' charged to the borrowers during the moratorium period, i.e. March 01, 2020 to August 31, 2020 in conformity with the Supreme Court judgement dated March 23, 2021 ("Supreme Court judgement"). Further, the circular stated that in order to ensure that the Supreme Court judgement is implemented uniformly in letter and spirit by all lending institutions, methodology for calculation of the amount to be refunded/adjusted for different facilities shall be finalised by the Indian Banks Association ("IBA") in consultation with other industry participants/bodies, which shall be adopted by all lending institutions and also advised all lending institutions to disclose the aggregate amount to be refunded/adjusted in respect of their borrowers based on the above reliefs in their financial results for the year ended March 31, 2021. The IBA has released clarification on identification of borrowers and the calculation methodology of the amount to be refunded/adjusted vide letter CIB/ADV/MBR/9833 dated April 19, 2021. The Company has estimated the said amount and has recognised an interest reversal in its Statement of Profit and Loss Account for the year ended March 31, 2021.
- 7 The Government of India, Ministry of Finance, vide its notification dated October 23, 2020, announced a scheme for COVID-19 Relief for grant of ex-gratia payment of difference between compound interest and simple interest for six months to borrowers in specified loan accounts ("the Scheme"), as per the eligibility criteria and other aspects specified therein and irrespective of whether moratorium as per RBI regulatory package was availed or not. As per Company's assessment, there were no eligible customers to whom ex-gratia was required to be credited as per the Scheme.
- 8 In view of the Honourable Supreme Court of India interim order dated September 3, 2020 (Public Interest Litigation (PIL) by Gajendra Sharma Vs Union of India & ANR), no additional borrower accounts were classified as impaired (non-performing assets (NPA)), which were not declared non-performing till August 31, 2020. Basis the said interim order the Company had not classified any additional borrower account as NPA as per the Reserve Bank of India or other regulatory prescribed norms, after August 31, 2020 which were not NPA as of August 31, 2020. The interim order granted to not declare accounts as NPA stood vacated on March 23, 2021. In accordance with the instructions in paragraph 5 of the RBI circular dated April 07, 2021 issued in this connection, the Company has complied with the asset classification of borrower accounts as per the extant RBI instructions / IRAC norms.
- 9 The Company is engaged in the business of lending and has only one "business segment".
- 10 The Parliament has approved the Code on Social Security, 2020 ('Code') which may impact the contribution by the Company towards Provident Fund and Gratuity. The effective date from which the Code and its provisions would be applicable is yet to be notified and the rules which would provide the details based on which financial impact can be determined are yet to be framed after which the financial impact can be ascertained. The Company will complete its evaluation and will give appropriate impact, if any, in the financial results following the Code becoming effective and the related rules being framed and notified.
- 11 The figures for the half year ended March 31, 2021 and March 31, 2020 are the balancing figures between audited figures in respect of the full financial year and the published audited year-to-date figures upto half year ended September 30, 2020 and September 30, 2019 respectively.
